**3. KEY ISSUES**

**Background**

- 3.1 In May 2016 Elected Members attended an Overview and Scrutiny Work Programme planning event at the Town Hall. The purpose of this session was to provide Members with an opportunity to discuss issues that might be suitable for scrutiny during the year. One topic that Members identified during this event as suitable for further investigation was mental health services.
- 3.2 In July 2016 Councillor Nina Wood-Ford submitted a scoping document for the consideration of the Committee which was endorsed by Members. This document detailed the terms of reference for a review of mental health services for young people. The decision was taken to concentrate on services for young people to enable scrutiny Members to consider action that could be taken to support people manage their mental health and wellbeing difficulties before they reached adulthood.
- 3.3 Councillor Wood-Ford was appointed to Chair the Task Group. Councillors Andrew Fry, Gay Hopkins, David Thain and Jenny Wheeler were also appointed to this group.

**Financial Implications**

- 3.4 All the financial implications arising from the group's recommendations are detailed in the final report.

**Legal Implications**

- 3.5 All the legal implications arising from the group's proposals are detailed in the final report.

**Service / Operational Implications**

- 3.6 This review has been a very intense exercise. A total of 23 meetings took place over a period of eight months creating a significant workload for both Members and Officers.
- 3.7 Subject to the group's seventh recommendation being approved the Mental Health Services for Young People Task Group will need to be reconvened in 12 months' time. If this recommendation is endorsed it is suggested that Councillors Fry, Hopkins, Thain, Wheeler and Wood-Ford should be reappointed to serve on the group due to the expertise they have developed in the subject matter.
