**Supplementary Information to Executive Report - UK Shared Prosperity Fund
2025/26**

The guidance for the UK Shared Prosperity Fund recommends that a Local Partnership Group, made up of key stakeholders, provides advice to the Council regarding the strategic fit and deliverability of the UKSPF Investment Plan. The Redditch Town Deal Board performs this function. The board has assessed the draft Investment Plan for 2025/26 by written procedure. The chair of the board has confirmed that the board supports the investment plan, describing it as a cohesive approach to investment.
