Overview and Scrutiny Committee 17th February 2015 Minute Extract

The Committee considered the minute extract from the meeting of Overview and Scrutiny Committee held on 17th February, which considered the Medium Term Financial Plan.

In respect of the recommendation concerning Grants funding, Councillor Brunner proposed that the recommendation be approved. This was seconded by Councillor Clayton. Councillor Brunner expressed the view that it was important that the voluntary sector continued to be supported by the Council and that the funds which had not been allocated following the meeting of the Grants panel should be made available for a further round of applications.

During debate on this item, the importance of the grants received by the voluntary sector in Redditch was highlighted and the view expressed that the Council should support those organisations at every opportunity. It was also suggested that staff absence had prevented some groups from applying for grants as they had been unable to receive assistance. The Task Group which had looked at the voluntary sector had recommended the appointment of an apprentice post and it was suggested that this could have eased the pressure on staff resources.

It was noted that when the allocation of grants funds had been discussed at Executive Committee, officers had assured the Committee that staff absence had not impacted on the applications process. The apprentice post would not be solely for work with the voluntary sector but would be a corporate resource.

The Deputy Leader clarified that due to the difficult financial background it was not proposed to invite applications for the unallocated funds, however, the grants budget for the future was remaining unchanged and was not being reduced.

Following further discussion the Executive Committee took a formal vote in respect of the Grants Panel recommendation made by the Overview and Scrutiny Committee and refused the recommendation.

RESOLVED that

The minute extract of the meeting of the Overview and Scrutiny Committee held on 17th February 2015 be received and noted subject to the pre-amble above.
