INTRODUCTION TO THE CONSTITUTION

INTRODUCTION

The Council's Constitution

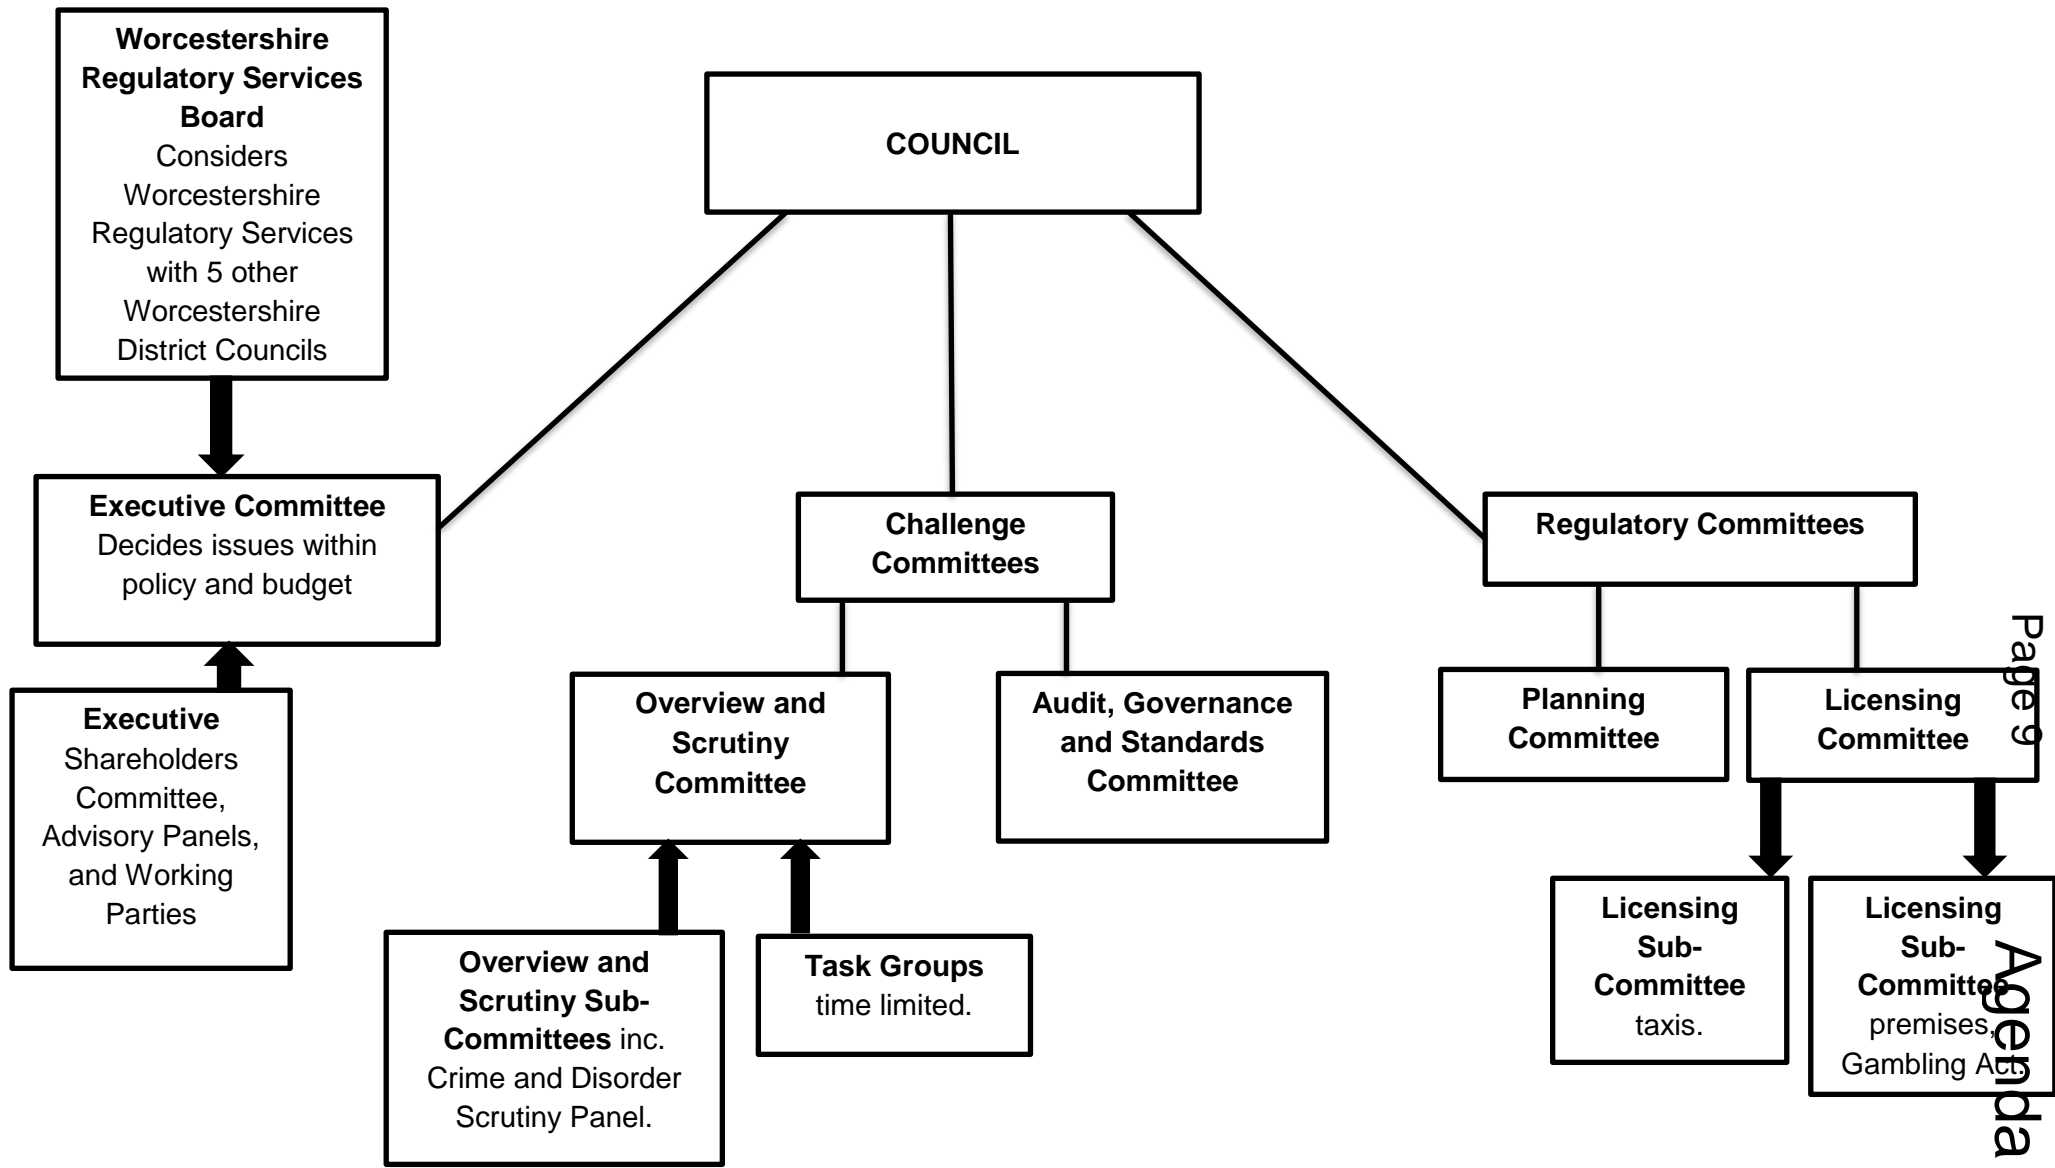

- 1.1 Redditch Borough Council has a constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to make sure that decisions are transparent, efficient and accountable to the local residents. Some of these processes are required by law, while others are a matter for the Council to choose. The Council must operate in accordance with its constitution and the rules set out there which the Council has agreed.
- 1.2 Because it has to be comprehensive and meet legal requirements and address technical concepts, the Constitution is both long and complex. It is made up of a number of key documents which are set out in the Index, together with background documents which can be found on the Council's website (insert link?). The background documents are not formally part of the Constitution but are relevant in that they provide explanation of the Constitution or are policies in their own right which may apply to elected members or officers.
- 1.3 The Council has chosen to operate a Leader and Cabinet model of governance. The structure diagram at Appendix 1 shows the formal relationships between the Council, the Executive and the other Committees and Boards (Non -executive).
- 1.4 Legislation provides that the Leader and Cabinet are responsible for what are called 'executive functions' (which cover most of the "day to day" political decisions), and the Council and committees are responsible for 'non-executive' functions.
- 1.5 More detail in relation to the operation of the Council and its committees and the role of elected members is set out in the "The Articles of the Constitution" which can be accessed using this link :- **insert link**

Shared Services with Bromsgrove District Council and other local authorities

- 2.1 In 2009 Redditch Borough Council and Bromsgrove District Council took the decision to work in partnership. The first step was the appointment of a joint chief executive and in 2010 this was followed by the appointment of a joint management team. The co-operation between the Council was formally recorded in a legal agreement known as the "Overarching Framework Agreement" which was signed in 2011.
- 2.2 The overall aim was to introduce collaborative working, bringing teams together to provide services jointly across the two councils, and delivering savings and efficiencies for both councils. From the outset both Councils chose to remain politically independent, with separate processes for decision making and operating independent budgets and spending.

- 2.3 Working practices have been put in place through the Overarching Framework Agreement and under the relevant local government legislation, and officers employed by one Council may carry out functions for the other in accordance with the Councils' respective Schemes of Delegation.
- 2.4 Reflecting the move towards greater sharing of resources between public bodies, the Council also collaborates with a number of other local authorities in Worcestershire to deliver services jointly. Further details of the arrangements for shared working with Bromsgrove District Council and with other partner councils are set out in Part 7 of the Constitution "Joint Arrangements".

JOINT ARRANGEMENTS

This section sets out the joint arrangements the Council has entered into with other local authorities, and is divided into the following parts:-

- Shared Services with Bromsgrove District Council
- Other arrangements

[Further information in relation to Joint Committees that the Council participates in are referenced in Part B of the Committee Terms of Reference]

1. Shared Services with Bromsgrove District Council

The Council operates shared services with Bromsgrove District Council. Whilst both councils are politically independent, they have a joint chief executive and a joint management team. The shared services arrangement is facilitated primarily by the Local Government Act 1972 and the Local Government Act 2000, and operates in accordance with service specific agreements and the Overarching Framework Agreement between the two councils.

In 2009 Redditch Borough Council and Bromsgrove District Council took the decision to work in partnership. The first step was the appointment of a joint chief executive and in 2010 this was followed by the appointment of a joint management team. The co-operation between the Council was formally recorded in a legal agreement known as the “Overarching Framework Agreement” which was signed in 2011.

The overall aim was to introduce collaborative working, bringing teams together to provide services jointly across the two councils, and delivering savings and efficiencies for both councils. From the outset both Councils chose to remain politically independent, with separate processes for decision making and operating independent budgets and spending.

Working practices have been put in place through the Overarching Framework Agreement and under the relevant local government legislation, and officers employed by one Council may carry out functions for the other in accordance with the Councils’ respective Schemes of Delegation.

Since the introduction of shared services savings and efficiencies have been found by the reduction in senior management posts and subsequent re-structures as teams have been brought together. All services are now delivered by joint teams across the Council save for Housing Services, which are provided by Redditch Borough Council only.

Other benefits have included increased resilience for teams, cultivation of greater expertise and specialism amongst staff and economies of scale. As collaborative working has developed over time, further savings and

efficiencies have been achieved from procurement initiatives, services reviews and service re-designs.

2. Other arrangements

The Council has agreed to enter into other arrangements for sharing services with local authorities. These are summarised below: -

a. Worcestershire Internal Audit Shared Service

The Council operates a shared service arrangement with Malvern Hills District Council, Bromsgrove District Council, Worcester City Council, and Wychavon District Council under which the authorities collaborate and provide one shared Internal Audit Service for all the authorities. b. Payroll Service

The Council has entered into an arrangement with Bromsgrove District Council and Wyre Forest District Council for the authorities to collaborate and provide one shared service for Payroll services across the three authorities. The service is hosted by Redditch Borough Council and regulated by a formal agreement.

c. North Worcestershire Building Control Service

The Council has agreed to enter into an arrangement with Bromsgrove District Council and Wyre Forest District Council for the authorities to collaborate and provide one shared service for building control services across the three authorities. Work Programmes will be prepared by the Leader to cover a period of at least 28 days. They will be prepared on an approximately monthly basis and published at least 28 days before the first meeting of the Executive Committee to which Key decisions on the Programme relate.

15.2 Contents of Work Programme

The Work Programme will contain matters which the Leader has reason to believe will be subject of a Key Decision to be taken by the Executive Committee, a Sub-committee of the Executive Committee, individual members of the Executive Committee, officers or under joint arrangements in the course of the discharge of an Executive function during the period covered by the Programme. It will describe the following items in so far as the information is available or might reasonably be obtained:

- (a) the matter in respect of which a key decision is to be made;
- (b) where the decision taker is an individual, his/her name and title, if any and where the decision taker is a body, its name and details of membership;
- (c) the date on which, or the period within which, the decision will be taken;
- (d) a list of the documents submitted to the decision-maker for consideration in relation to the matter in respect of which the key decision is to be made;
- (e) the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed is available;
- (f) that other documents relevant to those matters may be submitted to the decision maker; and
- (g) the procedure for requesting details of those documents (if any) as they become available.
- (h) which of the key decisions outlined may involve the consideration of exempt or confidential information, the reasons why and how the public may make representations when they consider the item should be considered in public.

The Work Programme must be published at least 28 days before the start of the period covered.

Exempt information need not be included in the Work Programme and confidential information cannot be included.

16. GENERAL EXCEPTION

If a matter which is likely to be a key decision has not been included in the Work Programme, then subject to Rule 17 (Special Urgency), the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next Work Programme;
- (b) the Chief Executive has informed the Chair of the Overview and Scrutiny Committee, or in his/her absence each member of the Committee, by notice, of the matter about which the decision is to be made;
- (c) the Chief Executive has made copies of that notice available to the public at the offices of the Council and published it on the Council's website; and
- (d) at least 5 clear days have elapsed since the Chief Executive complied with (a) and (b).

The notice should include reasons why it has not been possible to include the item on the Work Programme.

17. **SPECIAL URGENCY**

If the date by which a decision must be taken means that Rule 16 (General Exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the Chair of the body making the decision, obtains the agreement of the Chair of the Overview and Scrutiny Committee, or in his/her absence the Vice-Chair, that the taking of the decision is urgent and cannot be reasonably deferred.

If the Chair of the Overview and Scrutiny Committee, or in his/her absence the Vice-Chair, is unable to act, then the agreement of the Mayor, or in his/her absence the deputy Mayor, will suffice.

As soon as reasonably practicable after the decision-maker has agreement that the decision is urgent and cannot reasonably be deferred, they must publish a notice on the Council's website setting out the reasons why the meeting is urgent. The notice must also be available at the Council's offices for members of the public to see.

18. **REPORT TO COUNCIL**

18.1 **When the Overview and Scrutiny Committee can require a report**

If the Overview and Scrutiny Committee considers that a Key Decision has been taken which was not:

- (a) included in the Work Programme; or
- (b) the subject of the general exception procedure (Rule 16); or
- (c) the subject of an agreement with the Mayor / Deputy Mayor of the Council under the Special Urgency procedure (Rule 17)

the Overview and Scrutiny Committee may, subject to Rule 18.2, require the Executive Committee to submit a report to the next available meeting of the Council. The power to require a report rests with the Overview and Scrutiny Committee, but is also delegated to the Chief Executive, who shall require such a report on behalf of the Overview and Scrutiny Committee when so requested by the Chair or Vice-Chair of the Overview and Scrutiny Committee or any three members of the Overview and Scrutiny Committee. Alternatively the requirement may be raised by resolution passed at a meeting of the Overview and Scrutiny Committee.

18.2 Executive Committee report to Council

The Executive Committee will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council falls within 7 days of receipt of the written notice or the resolution of the Overview and Scrutiny Committee, then the report may be submitted to the following meeting of the Council. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a Key Decision, the reasons for that opinion.

18.3 Quarterly reports on special urgency decisions

In any event the Leader will submit quarterly reports to the Council on the Executive Committee decisions taken in the circumstances set out in Rule 17 (Special Urgency) in the preceding three months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

19. RECORD OF DECISIONS

19.1 Meetings

After any meeting of the Executive Committee or any of its committees, whether held in public or private, the Chief Executive or, where no officer was present, the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable. - Any conflict of interest declared by any executive member who is consulted by the officer which relates to the decision;

The Decisions recorded will be those where a matter has been delegated to an officer/s at a meeting of the Executive Committee or involves expenditure above £50,000.

Where a decision has been delegated to an officer/s at a meeting of the Council or another decision-making body, the Officer will also make a report after the decision has been made.

19.3 Publication of Decisions

Once a decision is made under paragraphs 19.1 and 19.2 above, copies of the record of the decision will be published, as soon as reasonably practicable, on the Council's website. Copies will also be available for inspection by members of the public at the Council's offices.

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

(Subject to further review and update)

1. **Definitions**

In these Rules -

"Executive" and "Executive Leader" have the same meaning as in Part II of the Local Government Act 2000; and "plan or strategy" and "working day" have the same meaning as in the Local Authorities (Standing Orders) (England) Regulations 2001.

2. **The framework for Executive Committee decisions**

The Council will be responsible for the adoption of its budget and policy framework as set out in Article 4. Once a budget or a policy framework is in place, it will be the responsibility of the Executive Committee to implement it.

3. **Process for developing the framework**

The process by which the budget and policy framework shall be developed is:

- (a) After consulting stakeholders in a manner appropriate to the matter under consideration, the Executive Committee will draw up initial proposals in relation to any plan, strategy or budget which forms part of the Council's budget and policy framework. Once drawn up the Proper Officer will serve copies of them on the Chair of the Overview and Scrutiny Committee together with dates when the Executive Committee will consider them further, which shall be at least 6 weeks after service of the notice on the Chair.
- (b) The Overview and Scrutiny Committee will be convened within 28 days to consider whether to respond to the Executive Committee's initial proposals and whether any consultation by it is appropriate. If so the Overview and Scrutiny Committee will conduct a consultation exercise and will reflect any representations made to it in its response to the Executive Committee within the timescale set for decision by the Executive Committee.
- (c) The Executive Committee will finalise its proposals for the Council to consider having taken into account the comments from the Overview and Scrutiny Committee.

The report to Council will show the Executive Committee's response to those comments.

- (d) Subject to the provisions of paragraph 7B (Local Authorities Standing Orders (Amendment) Regulations 2002), the Council will consider the proposals of the Executive Committee and may decide to adopt them, amend them, refer them back to the Executive Committee for further consideration, or substitute its own proposals in their place.

- (e) A copy of the decision / Notice of Decision (which shall be made public in accordance with Article 4) shall be given to the Leader and the Proper Officer. The decision / Notice of Decision shall be dated and shall state whether the decision shall be effective immediately, whether the Council adopts the Executive Committee's proposal without amendment or if the Executive Committee's proposal is amended by the Council and adopted as amended or if the Council substitutes its own proposals and adopts them or if the Executive Committee's proposal is referred back to the Executive Committee for further consideration.
- (f) The Council's decision, whether or not in accordance with the recommendation of the Executive Committee, shall require a simple majority of those voting at the meeting.
- (g) Unless the Executive Committee's proposal is referred back to the Executive Committee for further consideration the decision shall be implemented immediately
- (h) In approving the policy and budgetary framework the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the Executive Committee in accordance with paragraphs 5 and 6 of these Rules if otherwise than as contained within the Council's Financial Procedure Rules (virement and in-year adjustments). Any other changes to the budget and policy framework are reserved to the Council.

4. Decisions outside the budget or policy framework

- (a) Subject to the provisions of paragraph 5 (virement) the Executive Committee, and any Officers, or joint arrangements discharging Executive Committee functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken further to approval of the budget / policy variations by the Council.
- (b) If the Executive Committee, any Officers, or joint arrangements discharging Executive Committee functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those Officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision.

5. Urgent Decisions outside of the Budget or Policy Framework

- (a) The Executive Committee, a sub-committee of the Executive Committee, or officers or joint arrangements discharging Executive functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the Budget approved by the full Council, if the decision is a matter of urgency. However, the decision may only be taken:
- i) if it is not practical to convene a quorate meeting of the full Council;
 - ii) subject to consultation with the Leader of the Opposition; and
 - iii) if the Chair of the Overview and Scrutiny Committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of the full Council and the Chair of the Overview and Scrutiny Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chair of the Overview and Scrutiny Committee, the consent of the Mayor, and in the absence of both the Deputy Mayor, will be sufficient.

- (b) Following the decision, the decision-taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

6. Virement

- (a) The Council shall have the budget heads set by the Council when approving its budget each year and will allocate an amount for expenditure under each heading.
- (b) Steps taken by the Executive Committee or Officers, or joint arrangements discharging Executive Committee functions to implement Council policy shall not exceed those budgets allocated to each budget head excluding staffing budget heads.

However, such bodies or individuals shall be entitled to vire across budget heads in accordance with the provisions of the Council's Financial Procedure Rules or other constraints agreed by Council. Beyond that, approval to any virement across budget heads shall require the approval of the full Council.

7. In-year changes to policy framework

The responsibility for agreeing the budget and policy framework lies with the Council whenever made, and decisions by the Executive Committee, Officers, or joint arrangements discharging Executive Committee functions must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by those bodies or individuals.

8. Call-in of decisions outside the budget or policy framework

- (a) Where the Overview and Scrutiny Committee is of the opinion that an Executive Committee decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer.
- (b) In respect of functions which are the responsibility of the Executive Committee, the Monitoring Officer's report and/or Chief Finance Officer's report shall be to the Executive Committee with a copy to every member of the Council.

Regardless of whether the decision is delegated or not, the Executive Committee must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the Overview and Scrutiny Committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.

- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Overview and Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 28 days of the request by the Overview and Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may either:
- i) endorse a decision or proposal of the Executive Committee decision taker as falling within the existing budget and policy framework.
- In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way;
- OR
- ii) amend the Council's Financial Procedure Rules or policy concerned to encompass the decision or proposal of the body or individual responsible for that Executive Committee function and agree to the decision with immediate effect.
- In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way;
- OR
- iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Executive Committee to reconsider the matter.

9. Dispute Resolution on Budgets and Plans

In respect of the preparation of the Budget or a plan, policy or strategy forming part of the Strategic Framework, the Executive is required to prepare draft proposals and submit them to Council for approval, and Council has the right to approve them, amend them, reject them or send them back to the Executive for revision and resubmission.

If the Executive submits its draft Budget to Council before 8th February in any year, it will have a right to ask the Council to reconsider if the Council proposes to depart from the Executive's proposals.

Once the Council has considered the proposals and decided what it wants to do, if it wishes to do anything other than simply to adopt the draft Budget as submitted by the Executive, it will have to notify the Executive of its proposed amendments and give the Executive 5 days to object. The Council will then have to meet again and consider any objections from the Executive, but can then resolve on a simple majority to over-ride the Executive's objections. This does mean that the Council meeting to consider the Budget and to set the precept / set the rate of Council Tax will now have to be brought forward by at least 10 days from the deadline of 1 / 11 March to allow for the possible need to give the Executive 5 days in which to consider any amendments proposed by Council and to convene an additional Council meeting to consider any objections from the Executive.

In the case of plans, policies and strategies, there is no such annual deadline by which they must be approved, but again the Council will be required to notify the Executive of any proposed amendments to the Executive's proposals, allow them 5 days to decide whether to make any objection to those proposed amendments, and then consider any such objections before finally determining whether to adopt, amend, reject or remit the proposed plan, policy or strategy.

10. Local Authorities Standing Orders (Amendment) Regulations 2002

1. In this Part -

"Executive" and "Executive Leader" have the same meaning as in Part II of the Local Government Act 2000; and "plan or strategy" and "working day" have the same meaning as in the Local Authorities (Standing Orders) (England) Regulations 2001.

 - (a) amends the draft plan or strategy;

 - (b) inform the authority of any disagreement that the Executive has with any of the authority's objections and the Executive's reasons for any such disagreement.
9. When the period specified by the authority, referred to in paragraph 8, has expired, the authority must, when making calculations (whether originally or by way of substitute) in accordance with the sections referred to in paragraph 6(a), or issuing a precept under Chapter IV of Part I of the Local Government Finance Act 1992, take into account -
 - (a) any amendments to the estimates or amounts that are included in any revised estimates or amounts;
 - (b) the Executive's reasons for those amendments;
 - (c) any disagreement that the Executive has with any of the authority's objections; and

- (d) the Executive's reasons for that disagreement, which the Executive Leader submitted to the authority, or informed the authority of, within the period specified.
10. Paragraphs 6 to 9 shall not apply in relation to -
- (a) calculations or substitute calculations which an authority is required to make in accordance with section 52I, 52J, 52T or 52U of the Local Government Finance Act 1992; and

Any questions remaining unanswered shall (unless the member who gave notice of the question has indicated that it may be answered in writing) be dealt with at the next ordinary meeting of the Council, in the order in which they would have been dealt with at the original meeting.

Presentation of Petitions at Executive Committee Meetings

- 16.10 Petitions may be presented at a meeting of the Executive Committee in accordance with the Council's Petitions Protocol.

The Overview and Scrutiny Committee may then request the Chief Executive to place an item on the next available meeting of the Council to enable the Council to consider those proposals.

15.4 Once a report has been considered by the Executive Committee and/or the Council, and any questions or issues raised by the Executive Committee and/or Council have been resolved, the Overview and Scrutiny Committee will disband any Task Group appointed in connection with the preparation of that report.

16. Review of Overview and Scrutiny Committee reports

The Overview and Scrutiny Committee will review implementation of recommendations made in any report not sooner than 12 months after consideration of its report by the Executive Committee.

17. Call-in

All members of the Council will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.

17.3 That decision (which may take the form of the minutes of a meeting of the Executive Committee) will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless the decision is the subject of a valid request for call-in.

17.4 A valid request is required to initiate call-in a decision referred to at 17.3 above. The request must be in writing addressed to the Monitoring Officer on the approved form (at Appendix D) giving the reasons for the request for call-in and must be:-

The decision on whether the call-in is valid will be taken by the Monitoring Officer following consultation with the Overview and Scrutiny Committee Chair. The final decision shall rest with the Monitoring Officer.

If the Monitoring Officer decides the call-in is valid the Monitoring Officer will notify the Chief Executive, who will notify the decision-taker of the request for call-in.

17.5 Implementation of the decision which is the subject of the call-in will be suspended from the date of receipt of the request for call-in pending consideration by the Overview and Scrutiny Committee.

17.6 The call-in will be considered by the Overview and Scrutiny Committee at either:

- a. the next scheduled meeting of the Committee; or
- b. a special meeting of the Committee to be convened by the Chief Executive within 10 working days of receipt of the request to call-in, or such other date as may be agreed by the Chief Executive in consultation with the author of the call-in and the Overview and Scrutiny Committee Chair.

17.7 The Overview and Scrutiny Committee will determine the call-in in such manner as it considers appropriate but in any event expeditiously and within a maximum of 20 working days from the date of the meeting at which the call-in is first considered by the Overview and Scrutiny Committee.

- If more detailed evidence or consideration of the issues is required to determine the call-in, the Overview and Scrutiny Committee may during that period hold one or more additional meetings to determine the call-in.
- 17.8 The Overview and Scrutiny Committee may require the relevant Executive Committee member with responsibility or another member of the Executive Committee, if appropriate, to attend any meeting and explain the decision taken by Executive Committee.
- 17.9 Having considered the decision subject to the call-in, the Overview and Scrutiny Committee will either:
- a. accept the decision without qualification or comment; or
 - b. require reconsideration of the decision setting out its reasons in a report; or
 - c. in exceptional circumstances refer the decision to the Council to consider whether the decision should be accepted without qualification or comment or reconsidered.

- 17.13 If the Overview and Scrutiny Committee refers the decision to the Council under paragraph 17.9c implementation of the decision is deferred pending the meeting of the Council at which it is considered. If the Council decides to request the Executive Committee to reconsider the decision, implementation of the decision remains deferred until the Executive Committee has reconsidered the matter.

- 17.14 Any report of the Overview and Scrutiny Committee or Council pursuant to paragraph 17.9b or c will be submitted to the Executive Committee which will consider that report within 10 working days and either:-
- a. confirm the decision without modification; or
 - b. confirm the decision with modification; or
 - c. rescind the decision and if considered appropriate take a new one.

In each case the Executive Committee must give reasons for its decision. The decision taken by the Executive Committee following consideration of the report of the Overview and Scrutiny Committee or Council on the call-in is final.

- 17.15 The Chair or Vice-Chair of the Overview and Scrutiny Committee or, with the Chair's agreement, the Chair or other designated representative of a relevant Task and Finish Group, may attend any meeting of the Executive Committee at which a report of the Overview and Scrutiny Committee is being considered and may speak but not vote.

- 17.16 A decision of the Executive Committee may be called in only once.

- 17.17 The call-in procedure shall not apply where the decision being taken by the Executive Committee is urgent.

A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the interest of either the Council or public. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in.

The Mayor must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Mayor, the Deputy Mayor's consent shall be required. In the absence of both, the Chief Executive or his/her nominees' consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.

- 17.18 The operation of the provisions relating to call-in and urgency shall be monitored annually by the Overview and Scrutiny Committee, and a report submitted to Council with proposals for review if necessary.

18. The party whip

When considering any matter in respect of which a member of any of the Overview and Scrutiny Committee is subject to a party whip, the Councillor must declare the existence of the whip and the nature of it before the commencement of the Overview and Scrutiny Committee's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

19. Petitions

- 19.1 All petitions submitted to the Council will be dealt with in accordance with the adopted Petitions Protocol.

20.5 APPENDIX A

TASK GROUPS PROCEDURE NOTES**1. Appointment of Chair**

The Chair of a Task Group will be a member of the Overview and Scrutiny Committee and will be appointed by the Overview and Scrutiny Committee.

2. Appointment to and membership of Task Groups

2.1 The Overview and Scrutiny Committee will arrange for written notice of the establishment of a Task Group, together with a general description of the nature of the work to be undertaken by the Task Group, to be given to;

- Party Group Leaders; and
- all Councillors who are not members of the Executive Committee

2.2 Members of the Executive Committee cannot become members of Task Groups.

2.3 The size of each Task Group may vary but as a general rule Task Groups should have a minimum of three members (for instance for 'short, sharp reviews) and normally no more than five members.

2.4 For purposes of continuity, Task Group members who cannot attend a meeting of a Task Group may not appoint a substitute member.

3. Co-opted members

3.1 The Overview and Scrutiny Committee or, with their agreement, a Task and Finish Group, may co-opt members to the Task Group who are not elected Councillors.

3.2 Co-opted members will have no voting rights.

4. Proportional allocation of seats

Task Groups are not covered by the requirement for seats to be allocated on the basis of political group proportionality.

5. Terms of reference

- 5.1 The Overview and Scrutiny Committee will determine the terms of reference for the Task Group by approving a 'Scoping Document' for each review (Appendix E refers).
- 5.3 The Overview and Scrutiny Committee will consider any request from the Task Group for modification of its terms of reference.
- 5.4 The Task Group will be responsible for identifying those witnesses who need to be called to give evidence.

6. Working

- 6.1 A Task Group should carry out its investigation in accordance with the Overview and Scrutiny Procedure Rules.
- 6.2 A Task Group does not have any powers to take any decisions. It should consider the issues it has been asked to investigate and submit a report to the Overview and Scrutiny Committee which will then decide whether or not to make any recommendations to the Executive Committee.

7. Timescales

Timescales for the work of Task and Finish Groups will be established in the approved Scoping Document for any given review. Task Groups will not be disbanded until the report of the Overview and Scrutiny Committee has been considered by the Executive Committee and any questions or issues raised by the Executive Committee have been resolved.

8. Monitoring

Task Groups will, normally via their Chair, provide the Overview and Scrutiny Committee with regular updates on their work. In considering those regular updates the Overview and Scrutiny Committee may suggest areas of work or issues for consideration or investigation by the Task Group which fall within the terms of reference.

9. Final report

- 9.1 The Overview and Scrutiny Committee will consider in detail the final report of the Task Group and the Task Group will respond to any requests by the Overview and Scrutiny Committee to substantiate and justify any proposals it brings forward.

- 9.2 Final Overview and Scrutiny Committee reports will be prepared and submitted in a form which the Committee agrees. However, all standard elements required in general Officer reports to the Executive Committee (such as Financial, Legal and other Implications sections) will be expected to be provided by the Overview and Scrutiny Committee, in adequate detail, before the Executive Committee considers a report.
- 9.2 Members of the Task Group who disagree with the majority report of the Task Group may produce one minority report, which may put forward alternative proposals. This will then be considered alongside the report of the Task Group by the Overview and Scrutiny Committee. The Overview and Scrutiny Committee will then decide which recommendations it wishes to support.
- 9.3 A Task Group Chair shall be responsible for ensuring that the recommendations in the final report of the Task Group fairly and accurately reflect the findings of the Task Group.

10. Agenda, Minutes of and Public Access to Task Group meetings

- 10.1 Agendas for Task Group meetings are usually only circulated to members of the Task Group, and relevant support / professional Officers / co-optees.
- 10.2 Members of the Overview and Scrutiny Committee are entitled to attend and participate in meetings of the Task Group at the discretion of the Task Group Chair but have no voting rights at Task Group meetings. The Task Group Chair will balance demand for such participation against the need to maintain the small size of the Task Group.
- 10.3 The public has no right to attend Task Group meetings, nor a right of access to the agendas and minutes (beyond those rights provided by the Freedom of Information Act). However, wider publication may be permitted, if the Task Group so determines, subject to the agreement of the Overview and Scrutiny Committee Chair.

APPENDIX C**WITNESS GUIDANCE NOTES****Guidance for Witnesses Giving Evidence at Overview and Scrutiny Committee Meetings****What is Overview and Scrutiny?**

The Councillors at Redditch Borough Council work to represent the interests of local residents. The Councillors on the Overview and Scrutiny Committee review local policies and make recommendations that are designed to improve existing services. The Committee often delegates review work to Task Groups which investigate an issue in detail and are dissolved once a project has been completed. The Overview and Scrutiny process draws on evidence from Councillors, Council Officers and from sources outside the Council. The Overview and Scrutiny Committee cannot work successfully in isolation. The Council therefore often calls on the expertise of local people, service partners and community groups.

Why have I been invited to act as a witness?

You have been invited to act as a witness because your views are important to the Councillors. Your expert opinion can help Councillors to gain an understanding of the issue that they are reviewing. As a guest of the Committee you will not be interrogated or asked questions that seek to catch you out. The Councillors will attempt to put you at your ease as they realise that you have given up your time to help them. Notes will be taken of the proceedings. This is merely for the purpose of producing minutes of the meeting.

Is it compulsory to attend?

It depends on who you are. Councillors and Council Officers must attend meetings if requested by Overview and Scrutiny Committee members. Attendance is not compulsory for any other witnesses who are asked to attend a meeting.

Can someone be nominated to attend on my behalf?

If you cannot attend, you can nominate another person to come on your behalf. That person must be fully briefed on the issue. Committees sometimes invite an organisation to give evidence. In this case, it is up to you to decide who should attend.

It may be possible for the Committee to consider a written submission from you. The Committee may then come back to you at a later date if there are matters that have not been dealt with or where the Councillors would appreciate clarification about points you have raised in your written submission. This is something you can discuss with a Democratic Services Officer.

What if I cannot attend on the date of the Committee meeting?

If you are unable to attend the Committee meeting on the date suggested please contact the Democratic Services Officer to discuss whether attendance on a different date might be an option. Alternatively, if the Officer advises that it is important for the discussions to go ahead on this date you could nominate a representative to attend the meeting on your behalf.

Do witnesses get paid for attending Overview and Scrutiny meetings?

You will not be paid for giving evidence at an Overview and Scrutiny Committee meeting. However, we will reimburse reasonable expenses. Please retain your receipts and hand these to a Democratic Services Officer. The Officer will ensure that you are reimbursed for these costs.

Where are Overview and Scrutiny meetings held?

Most of Redditch Borough Council's Overview and Scrutiny meetings are held at Redditch Town Hall. The Town Hall is located in Walter Stranz Square in the Town Centre. The Town Hall's Committee Rooms are air-conditioned and have full access for people with disabilities. Parking facilities are available at the Town Hall during evenings and weekends. During office hours Car Park 2 is available adjacent to the Town Hall. The Democratic Services Officer will inform you of the exact arrangements for your meeting.

When you arrive at the Town Hall please report to reception and ask for the Democratic Services Officer. The Officer will provide you with an ID card, will discuss the proceedings with you and will show you to your seat in the Committee room. .

Who will be present at the meeting?

A number of Councillors and Council Officers, including the Democratic Services Officer, will be present at the meeting. Co-opted members may also attend the meeting if it addresses a topic which is of interest to them. Other witnesses may also have been invited to give evidence at the meeting.

Many Overview and Scrutiny Committee meetings are open to the public. You may therefore find that members of the public or press attend the proceedings. If you feel that the presence of the public or press would make you feel uncomfortable please contact the Democratic Services Officers to discuss the matter further.

Following recent changes in legislation it is now possible for people present at a public Committee meeting to film or record the proceedings. If you would prefer not to feature in any video recording please contact the Democratic Services Officer in advance of the meeting to discuss the matter further. These filming rights do not extend to Task Group meetings which are held in private.

Will I have to give a presentation?

Sometimes the Committee asks witnesses to give a short presentation.. The Democratic Services Officers will inform you in advance if you have been invited to deliver a presentation. On other occasions the Councillors will ask you to answer a number of questions. If you are expected to answer questions at the meeting you will be sent a copy of the questions in advance. You may find it convenient to prepare your answers before the meeting takes place. The Councillors may ask you some additional questions based on the answers that you provide. They may also ask for your opinion about evidence provided by other witnesses at the meeting.

Alternatively, you may be asked to submit written evidence to the meeting. Any written evidence should include the main points of your opinion about the subject being discussed. If you submit the written evidence in advance please assume that the Councillors have read the document before the meeting takes place.

How are witnesses treated at Overview and Scrutiny Committee meetings?

Redditch Borough Council is committed to treating witnesses in a respectful and courteous manner. Please be aware that information about individuals who give evidence, such as addresses, is only available to senior Officers. The Council will not give your personal details to other organisations or individuals.

What will happen after the meeting?

Once the Councillors have finished collecting evidence, they will produce a report summarising their findings. The report will make recommendations for future action. This report will acknowledge any sources of written and oral evidence provided to the Councillors.

As a valued contributor to the Committee the Council will keep you informed on future progress. We will send you a copy of the Overview and Scrutiny Committee's final report with its recommendations.

The Councillors will monitor the implementation of the group's recommendations. You may be invited to attend future meetings that monitor the outcomes of the proceedings.

PLANNING COMMITTEE - PROCEDURE FOR PUBLIC SPEAKING

1. A person wishing to address either in person or in writing the Planning Committee must give notice to the Democratic Services Team of his or her intention to do so by 12.00 noon two working days prior to the Planning Committee meeting in question. Members of the public registering to submit comments in writing must submit the written statement by the same deadline.
2. Members of the public who register to address a meeting of the Planning Committee under the rules set out in this Appendix can do so using one of the three options below:-
 - By attending in person and addressing the committee verbally;
 - By joining the meeting virtually by video link and addressing the committee verbally; or
 - By providing a written statement in advance of the meeting to be read out by an officer.
3. Agenda running orders will be reviewed by the Chair before the start of the meeting to enable the Committee to consider the most controversial items first. This will normally take into account the number of Public Speakers and written statements registered per item and/or the size of the public attendance in respect of any given application.
4. The order of speakers will follow the principles of natural justice to enable the applicant a fair right of reply to those opposing a development.

The order of speaking will therefore be:

- a) **Objectors**
- b) Ward Member(s) objecting to application
Members' questions to each objector (through Chair)*
(Officer comment at each stage as appropriate.)
- c) **Supporters**
- d) Ward Member(s) supporting application
Members' questions to each supporter (through Chair)*
(Officer comment at each stage as appropriate.)
- e) Applicant(s)/ agent
Members' questions to applicant/agent (through Chair)*
(Officer comment at each stage as appropriate.)

Note * Members' questions at this stage must only be *to clarify* the representations made by Public Speakers.

5. Subject as mentioned at paragraphs 5 and/or 6 below, an applicant (or agent) and/or an individual objector or supporter will each be allowed to speak for no more than 3 minutes.
6. Subject as mentioned at paragraph 6 below, where there is a group of supporters or objectors with a common interest, the group will be allowed no more than 10 minutes within which to address the Committee.
7. The Committee Chair shall have the discretion:
 - (i) in exceptional circumstances, to allow late additions to the list of public Speakers;
 - (ii) to decide not to allow speeches, which merely repeat representations made in earlier speeches, which are inaccurate, or which are irrelevant to material Planning considerations; and
 - (ii) depending upon circumstances, to vary the periods of time referred to in paragraphs 4 and/or 5 above where s/he deems it appropriate.

For example, the Chair may wish to allow an individual applicant, agent, objector or supporter or a spokesperson for a group of objectors or supporters extra time within which to address the Committee, where the issues are numerous or particularly complex.
8. Members' questions will clearly extend this time but will enable issues to be fully understood.
9. For the purpose of ensuring a fair hearing, the Chair will offer the Supporters'/ Applicant's side an equivalent time to Objectors, or vice versa, where there is an imbalance between the two.
10. If several individual speakers register, it may be necessary, for the efficient conduct of the meeting, for the Chair to encourage a spokesperson to be identified. Where this is not possible, each speaker will be allowed, at the Chair's discretion, to speak separately and with suitable prompting where issues are being repeated that have been raised by a previous speaker.
11. Direct or open questioning and discussion / debate between Public Speakers and either Members or Officers will not be allowed during Public Speaking. Any such matters raised may be answered by Members / Officers only after the close of Public Speaking, or will be addressed during the subsequent debate. At no time will direct discussion between Members or Officers with a Public Speaker be permitted.

12. After the close of Public Speaking, no other inputs will be permitted from the 'public gallery', other than at the discretion of the Chair, and subject to relevant Officer advice, if exceptional circumstances warrant this.

- 15.4 Budget management ensures that resources allocated by Members are used for their intended purposes and that these resources are properly accounted for. Budgetary control is a continual process enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism to call to account Managers responsible for defined elements of the budget.
- 15.5 The structure and format of the revenue budget should be sufficient to permit effective financial management.
- 15.6 The overall budget setting process for both revenue and capital is controlled by the Director of Finance and Resources.

- 17.6 Action plans must be put in place by each Directorate at an early stage in the financial year in order to manage potential overspendings (e.g. due to additional spending or below target income). Directors must ensure Officers adhere to the savings targets and take mitigating action if delivery is deemed to be at risk.
- 17.7 It is the duty of Directors to ensure that responsibility for budgetary control is clearly allocated to appropriate Officers in their Directorates. Directors shall nominate a Budget Manager for each cost centre. As a general principle budget responsibility should be aligned as closely as possible to the decision-making processes that commits expenditure.
- 17.8 Budget Managers are accountable for their budgets and the level of service to be delivered and must understand their financial responsibilities. Budget Managers should be responsible only for income and expenditure that they can influence.

Directors and budget holders are authorised to incur expenditure in accordance with the estimates contained within the annual budget. The rules below cover virement; that is switching resources between budget heads. For the purposes of these rules a budget head is considered to be the standard service sub-division as defined by CIPFA. The scheme applies equally to a reduction in income as to an increase in expenditure.

18.4 All virements must be entered onto the finance system for approval by an authorised Officer. There will be no virements below £5,000 unless authorised by the Director of Finance and Resources or Financial Services Manager.

Risk is defined as the chance or possibility of loss, damage or injury caused by an unwanted or uncertain action or event. Risk management is the planned and systematic approach to the identification, evaluation and control of risk.

19.3 Insurance has been the traditional means of protecting against loss, but this cannot be seen as the complete answer. Introduction

You have been selected to participate in the Government Procurement Card scheme (GPC). This scheme is designed to make it easier and more cost effective for employees to make low value purchases of goods and services for Council use. A low value purchase is not likely to exceed £250 and is likely to be substantially less. Using GPC you can purchase goods and services from suppliers who accept Mastercard.

We are implementing this new purchasing concept for lower value purchases because we feel it will help you to more quickly and easily obtain the goods and services you need to get your job done. It will reduce paperwork associated with the traditional purchase order process resulting in cost savings for the Council and a saving in time for you.

Your feedback will help us to fine-tune the scheme as we integrate it into our purchasing processes. If you have any comments or questions about the GPC scheme, please contact your Administrator who is:

What is a Purchasing card?

GPC cards is an alternative method to the current buying process of paying for low value, high volume goods or services. By simplifying transaction processing it assists purchasing efficiency and will save RBC time and money. The current indicated savings from the Audit Office equate to £28 per transaction however this does not include the paper and other associated print/environmental savings when the need not to produce orders, delivery note and invoices is taken into account.

The Purchasing card looks like any normal debit/credit card, but is a procurement card, which means your total balance on your monthly statement must be settled in full.

It also means that the supplier is paid much more quickly (typically 3 to 5 days) rather than waiting for us to settle their invoice.

The card can be used at any establishment displaying the Mastercard symbol, in the UK. But we are looking for you to use suppliers who are capable of providing VAT reporting to level 3, this to facilitate further efficiency savings as the banks monthly returns of purchases made can be used to reclaim VAT from HMC&R. We are currently working with the Bank and the Suppliers we most commonly use to increase their VAT reporting capabilities to level 3. Embossed on the card is the following:

Redditch Borough Council
Your Name
Expiry Date
Card Number

Your Purchasing card offers the opportunity to improve both the focus and flexibility of purchasing procedures whilst reducing the volume of purchase orders, invoices and associated paperwork for small value purchases, improving the cost effectiveness of processing these types of transactions.

Your card is to be used for business expenditure only.

Controls

Each card has a maximum monthly expenditure limit and individual transaction limit.

Monthly Expenditure limit

The total amount you can spend on your card each month.

Transaction Limit

The total amount you can spend on any single purchase.

Both of these limits are inclusive of VAT and any carriage.

The limits were set on your card application form based upon your estimated spend pattern.

Merchant Category Group code blocking

A further control has been applied to your Purchasing card.

Each supplier capable of accepting your GPC card will be classified by a certain Merchant Category Group code. By the way of an additional control, any number of these codes can be blocked or left unblocked to ensure compliance with business policies and to mirror each cardholder's buying profile.

Please make a note of these limits/controls.

If you try to purchase goods and services that are outside of these limits, your transaction will be declined and could lead to embarrassment. If you can prove that your limits are unrealistic to your work or the purchases you have to regularly make using the card please discuss with your line manager prior to requesting any increase in same

As detailed above, if you try to use your card with a supplier whose Merchant Category Group code has been blocked on your Purchasing card, this will also lead to your card being declined.

If this occurs, please contact the Administrator immediately to discuss how your card can be updated to reflect your requirements.

Queries on Goods

Faulty or damaged goods supplied

If the cardholder rejects the goods purchased as unsatisfactory he/she should inform the supplier immediately, and try to reach an agreement to return the goods and obtain a refund. The Royal Bank of Scotland is unable to become involved in any disputes between purchaser and supplier over the quality or suitability of goods purchased.

The supplier should arrange for a credit (refund) to be made to The Royal Bank of Scotland Purchasing Card Account which will then appear on a subsequent statement. To aid reconciliation, we suggest the cardholder retains a record of the credit at the time the goods are returned, rather than waiting for the statement to arrive.

Please note that refunds from abroad may vary from the original transaction amount due to exchange rates.

Goods not supplied/wrong goods supplied

If an item is charged to the cardholder's account but the goods or services ordered have not been received or are incorrect, the cardholder should contact the supplier to confirm that the goods have been supplied or the correct goods are being despatched.

A refund can be claimed from the supplier only after allowing 60 days from the transaction date for delivery of the correct goods.

A. Introduction

In this document, any words in *italics* are explained in the Definitions Appendix. References to “the Council” includes the Council’s Executive and any other Committee or persons acting in accordance with delegated authority on behalf of the Council, as set out in the Council’s Constitution.

These Contract Procedure Rules exist to ensure that the Council lets contracts in a fair, consistent, honest, legal and transparent manner. There is a statutory basis for the rules which promote good purchasing practice and public accountability. Following the rules is also the best defence against potential allegations that a purchase has been made incorrectly or fraudulently.

All Council staff with financial responsibilities, especially for purchasing, must comply with these Contract Procedure Rules. This includes purchasing on behalf of other organisations and purchasing using external funding e.g. grants. The Contract Procedure Rules lay down the minimum requirements and more rigorous procedures may be appropriate for specific contracts. Exemptions are only to be used in exceptional circumstances as detailed in Section 3. Failure to comply with these Contract Procedure Rules could result in disciplinary action.

This edition of the Procedure Rules will apply from 29th January 2018 and supersedes all previous editions. The Rules are reviewed from time to time and are available on the Council’s Intranet and Website.

B. Summary of essential requirements

- Follow the rules if you have a delegated responsibility to purchase goods or services or order building work.
- Always check with your line manager about your responsibilities and take all necessary legal, financial and professional advice.
- Declare any personal interest in a contract and withdraw from taking part in it. Corruption and or Bribery is a criminal offence.
- Conduct an appraisal of the purchasing need and the requirement to obtain best value for money.
- Check whether there is an existing *corporate or national* contract you can make use of before undergoing a competitive process.
- Allow at least four weeks for submission of bids for high value contracts (not to be submitted by fax or e-mail).
- Keep bids confidential.

Redditch Borough Council Contract Procedure Rules

- Complete a written contract and have a Council order number in place before the supply or works begin.
- Identify a *contract manager* (on both sides) with responsibility for ensuring the contract delivers as intended.
- Keep records of all dealings with suppliers.
- Ensure that where there is a requirement for communication to be in writing, this includes e-mail and fax transmissions as well as hard copy.
- Assess each contract afterwards to see how well it met the purchasing need and *value for money* requirements.

SCOPE OF CONTRACT PROCEDURE RULES

1. BASIC PRINCIPLES

All purchasing and disposal procedures must:

- achieve *best value* for public money spent;
- be consistent with the highest standards of integrity;
- ensure fairness in allocating public contracts;
- comply with all legal requirements;
- ensure that where *non commercial* considerations are discussed in every contracting decision and that these are linked to and support the Councils 'social value' aims as set out in our corporate strategy. No other *non-commercial* considerations should influence any contracting decision;
- support the Council's corporate vision, aims, values and policies;
- comply with the Council's corporate *procurement strategy*.

2. OFFICER RESPONSIBILITIES

2.1 *Service Unit Managers* will ensure that:

- *Authorised Officers* comply with these procedure rules;
- registers are securely maintained of:
 - contracts completed by signature, rather than by the Council's seal (see Rule 16.3)
 - exemptions recorded under Rule 3.1;
 - appropriate training is provided to staff involved in procurement.

2.2 All *Authorised Officers* responsible for purchasing or disposal must comply with these procedure rules, the Council's *Financial Regulations*, and codes of conduct and with all UK and European Union binding legal requirements. *Authorised Officers* must ensure that any agents, consultants and contractual partners acting on their behalf also comply, as if they were an officer of the Council.

2.3 Where the Council is acting jointly with other organisations it shall be a condition of any contribution by the Council that these procedure rules are followed where applicable.

Redditch Borough Council Contract Procedure Rules

2.4 *Authorised Officers* must:

- have regard to any Council guidance on best practice in purchasing;
- check whether a suitable *corporate or national contract* exists before seeking to let another contract; where a suitable *corporate or national contract* exists, this must be used unless there is an auditable reason not to;
- where appropriate ensure the providers of Council services will comply with the 7 Nolan principles
- comply with the requirements of Government transparency code 2015
- take all necessary legal, financial, audit, procurement and other professional advice.

2.5 When any employee (either of the Council or of a service provider) may be affected by any transfer arrangement, *Authorised Officers* must ensure that the Transfer of Undertakings (Protection of Employment) (*TUPE*) *regulations* are considered and obtain legal advice before proceeding with inviting Tenders or Quotations.

2.6 Any doubts as to the interpretation of these procedure rules should be referred to the relevant Service Unit Manager in the first instance and if necessary to the Procurement Officer or the Director of Finance & Resources.

2.7 Failure to comply with these procedure rules may leave the Council, or individual officers or members, open to the risk of legal challenge. Breaches will be regarded as a serious matter. Any officer becoming aware of any compliance failure should inform the Director of Finance & Resources who will, if necessary, investigate the matter and report to the Executive. Alternatively, matters can be raised through the Council's whistleblowing policy.

3. EXEMPTIONS, COLLABORATIVE AND E-PROCUREMENT ARRANGEMENTS

3.1 Exemptions

3.1.1 In exceptional circumstances, these Contract Procedure Rules will not apply if:

- (i) the appropriate *Service Unit Manager*, in consultation with the Director of Finance & Resources, is satisfied that there is no genuine competition, for example where:
 - (a) the goods or materials are proprietary articles or are sold only at a fixed price and no satisfactory alternative is available;
 - (b) the price of goods, materials or services are wholly controlled by trade organisations or government order;
 - (c) the goods, materials or services are required for repairing or servicing existing specialist plant or equipment;

- (d) the work is required to be carried out by public service providers.

Where there is no genuine competition, the *Service Unit Manager*, in consultation with the Director of Finance & Resources, will obtain written quotations from the contractor, and where appropriate, will negotiate to obtain best value for money for the Council prior to awarding any contract;

- (ii) the proposed contract for the execution of work forms part of a serial programme, the terms having been negotiated with the contractor on the basis of the rates and prices contained in an initial contract awarded competitively following an invitation to provide a written quotation or tender;
- (iv) the goods, materials or services are required due to an emergency involving immediate risk to persons, property or serious disruption to Council services;
- (v) the appropriate *Service Unit Manager* and the *Head of Service* agree that significant financial loss may be incurred if the letting of the contract is delayed;
- (vi) external/partner funding arrangements require other procedures to be followed;

- 3.1.2 In cases (iv) and (v) above the appropriate *Service Unit Manager* may obtain verbal quotations provided they are subsequently confirmed in writing.
- 3.1.3 If the Director of Finance & Resources, appropriate *Service Unit Manager* or *Authorised Officer* with appropriate authority to deal with a particular contract is of the opinion that any of these procedure rules should not apply to a contract, an appropriate report will be submitted to the Executive at the earliest opportunity. Where the contract is likely to exceed £50,000, the relevant *portfolio holder* must be consulted.
- 3.1.4 Where a proposed contract is likely to exceed the *EU threshold*, a *Service Unit Manager* has no delegated powers and the matter has to be determined by the Executive.
- 3.1.5 Where an exemption is necessary because of an unforeseeable emergency the *Authorised Officer* in conjunction with the Director of Finance & Resources and/or *Head of Service* may jointly approve the exemption but they must prepare a report for the next Executive to support the action taken.
- 3.1.6 All exemptions, and the reasons for them, must be recorded and signed by the *Authorised Officer* and countersigned by the *Service Unit Manager* using a form of waiver then signed by the Head of Service.
- 3.1.7 Where the Council carries out work using a recognised standard form of contract from a professional institution, procedural requirements may differ slightly to those laid down in these Contract Procedure Rules.

3.1.8 *Service Unit Managers* will monitor the use of all exemptions.

3.2 Collaborative and E-procurement arrangements

3.2.1 In order to secure value for money, the Council may enter into collaborative procurement arrangements, including initiatives such as E-auctions with other Councils. *Authorised Officers* wishing to do this must consult the *Head of Service* and the *Director* of Finance & Resources where the purchase is to be made using collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium.

3.2.2 All purchases made via a local authority purchasing and distribution consortium (e.g. ESPO, YPO and CCS) are deemed to comply with these contract procedure rules and no exemption is required. However, purchases above the *EU threshold* must be let under the EU procedure, unless the consortium has satisfied this requirement already by letting their contract in accordance with the EU procedures on behalf of the authority and other consortium members.

3.2.3 Any contracts entered into through collaboration with other local authorities or other public bodies, where a competitive process has been followed that complies with the contract procedure rules of the leading organisation, will be deemed to comply with these contract procedure rules and no exemption is required. However, advice must be sought from the *Head of Service* and Director of Finance & Resources.

3.2.4 The use of e-procurement technology does not negate the requirement to comply with all elements of these contract procedure rules, particularly those relating to competition and value for money.

4. RELEVANT CONTRACTS

4.1 All relevant contracts must comply with these contract procedure rules. A relevant contract is any arrangement made by, or on behalf of the Council for the carrying out of works, or for the supply (or disposal) of goods and materials or the carrying out of services. These include arrangements for:

- the supply or disposal of goods;
- delivery of services, including (but not limited to) those related to:
 - the recruitment of staff;
 - land and property transactions;
 - financial and consultancy services.

4.2 *Relevant contracts* do not include:

- contracts of employment which make an individual a direct employee of the authority, or;

- agreements regarding the acquisition, disposal or transfer of land (for which Financial Regulations shall apply).

COMMON REQUIREMENTS

5. STEPS PRIOR TO PURCHASE

5.1 Pre-commitment appraisal

5.1.1 *Authorised Officers* must carry out an appraisal of the proposed purchase, in a manner appropriate to its complexity and value, taking into account any advice and guidance available within the Council. The appraisal should where relevant:

- take into account the requirements from any relevant review;
- appraise the need for the expenditure and its priority;
- define the objectives of the purchase;
- assess the risks associated with the purchase and how to manage them;
- consider the procurement method most likely to achieve the purchasing objectives, including internal or external sourcing, partnering, packaging strategy and collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium;
- consult users as appropriate about the proposed procurement method, contract standards and performance and user satisfaction monitoring;
- draft the terms and conditions that are to apply to the proposed contract;
- set out these matters in writing if the *total value* of the purchase is High Value i.e. exceeds £50,000.

5.1.2 The appraisal must confirm that there is member or delegated approval for the expenditure and the purchase accords with the approved policy framework and scheme of delegation as set out in the *Constitution*. The proposed contract must be provided for in an appropriate budget and a proper financial and technical appraisal must be carried out.

5.2 Preparation of tender documents

5.2.1 Where written quotations or tenders are required, the tender documentation will normally consist of some or all of the following documents:

- (i) instructions to tenderers;
- (ii) specification;

- (iii) drawings;
- (iv) pricing schedule;
- (v) conditions of contract;
- (vi) form of tender.

5.2.2 Other information may need to be made available to ensure that tenderers' bids reflect service requirements and are competitively priced. This may include the following:

- (i) an outline of the tender evaluation criteria;
- (ii) the terms and conditions under which any assets will be made available;
- (iii) workforce information required for assessing any prospective liability in relation to *TUPE legislation*. To ensure consistency of provision of information, this may be provided by the Council's *Authorised Officer* and not by an existing contractor;
- (iv) the amount of work likely to be available under the contract.

5.2.3 The *Authorised Officer* will ensure that:

- (i) ambiguities and contradictions do not occur between documents and information provided;
- (ii) any locally prepared variations to standard documentation are clear and use generally accepted terms;
- (iii) contract conditions and specifications are in the best interests of the Council in respect of quality, cost and performance;
- (iv) independent scrutiny of tender documentation occurs at this stage, as errors may eventually prove costly;
- (v) contracts are sufficiently clear and robust to enable the Council to enforce their fulfilment;
- (vi) potential tenderers understand the implications of the Freedom of Information legislation, in particular that commercial confidentiality cannot be guaranteed.

5.2.4 To ensure consistency and to aid understanding by the tenderer, tender documentation will be collated by an experienced officer who will obtain the advice and approval of the *Director of Finance and Resources*.

5.2.5 For all contracts, sufficient time must be made available at each of the key stages, for example to allow potential contractors to provide a considered response and answer any supplementary questions.

6. RECORDS

6.1 Where the total value is less than £50,000, the following records must be kept:

- invitations to quote and quotations received;
- a record:
 - of any exemptions and the reasons for them;
 - of the reason if the lowest price is not accepted;
 - written records of communications with the successful contractor or an electronic record if a written record of the transaction would normally not be produced.

6.2 Where the total value exceeds £50,000 the *Authorised Officer* must record:

- the method for obtaining bids (see Rule 11.1.1);
- any contracting decision and the reasons for it;
- any exemption under Rule 3 together with the reasons for it;
- the award criteria in descending order of importance;
- tender documents sent to and received from tenderers;
- pre-tender market research;
- clarification and post-tender negotiation (to include minutes of meetings)
- the contract documents;
- post-contract evaluation and monitoring;
- formal communications with tenderers and with the successful contractor throughout the period of the contract.

6.3 Records required by this rule must be kept for six years after the end of the contract. However, written documents which relate to unsuccessful tenderers may be scanned or stored by some other suitable method after 12 months from award of contract, provided there is no challenge to the award.

6.4 *Service Unit Managers* will maintain adequate records in order to produce a register or list of all current contracts, to include the name of the contractor, the work to be done/goods supplied, the contract value, expiry dates and timescales for renewal.

7. ADVERTISING, APPROVED LISTS AND FRAMEWORK AGREEMENTS

7.1 Identifying and assessing potential tenderers

7.1.1 *Authorised Officers* shall ensure that, where proposed contracts, irrespective of their total value, might be of interest to potential tenderers located in other member states of the EU, a sufficiently accessible advertisement is published. Generally, the greater the interest of the contract to potential bidders from other member states, the wider the coverage of the advertisement should be. Examples of where such advertisements may be placed include:

- the Council's website;
- finditinworcestershire website
- Contracts finder website
- portal websites specifically created for contract advertisements;
- national official journals, or;
- the Official Journal of the European Union (OJEU)/Tenders Electronic Daily (TED) (even if there is no requirement within the *EU procedure*).

7.1.2 *Authorised Officers* are responsible for ensuring that all potential tenderers for a *relevant contract* are suitably assessed. The assessment process shall establish that *potential tenderers* have sound:

- economic and financial standing;
- technical ability and capacity to fulfil the Council's requirements.

7.2 Framework Agreements

7.2.1 *Authorised Officers* will check whether a suitable framework agreement exists before seeking to let another contract.

Framework Agreements

7.2.2 The term of a Framework Agreement must not exceed four years. An agreement may be entered into with one provider but where an agreement is concluded with several organisations, there must be at least three in number.

7.2.3 Contracts based on Framework Agreements may be awarded by either:-

- Applying the terms laid down in the Framework Agreement (where such terms are sufficiently precise to cover the particular call-off) without reopening

competition; or

- Where terms laid down in the Framework Agreement are not precise enough or complete for the particular call-off, by holding a mini competition in accordance with the following procedure:
 - Inviting the organisations with the Framework Agreement that are capable of executing the subject of the contract to submit written tenders;
 - Fixing a time limit which is sufficiently long to allow tenders for each specific contract to be submitted, taking into account factors such as the complexity of the subject of the contract;
 - Awarding each contract to the tenderer who has submitted the best tender on the basis of the evaluation criteria set out in the specifications of the Framework Agreement.

8. COMMUNITY RIGHT TO CHALLENGE

8.1 The Community Right to Challenge under Part 5 of the Localism Act allows certain *Relevant Bodies* to submit expressions of interest to deliver council services. The Act states that the Council must consider expressions of interest in respect of relevant services from relevant bodies which include:

- (i) voluntary/community bodies;
- (ii) charities;
- (iii) parish councils;
- (iv) two or more employees of the relevant authority.

8.2 Details of the Statutory Guidance on Community Right to Challenge along with other background information can be found at:

<http://www.communities.gov.uk/documents/localgovernment/pdf/2168126.pdf>

8.3 In order to meet our obligations under the Localism Act the Council will:

- accept informal approaches from all Relevant Bodies;
- prepare and maintain an online 'Contracts Register'* detailing when the window of opportunity to bid for each contract will open and close and setting out the time frame within which:
 - (i) Expressions Of Interest (EOI) will be acknowledged;
 - (ii) a decision will be made;
 - (iii) how soon any procurement process *to include the EOI* will start.

* it will be the relevant *Service Unit Managers* responsibility to update and maintain the register in respect of contracts entered by their section – further information can be obtained from Legal and Support Services.

9. CONSTRUCTION, DESIGN AND MANAGEMENT REGULATIONS

Please see separate policy. It is a requirement that all contracts let by the Council comply with Construction, Design and Management (CDM) Regulations.

10. PUBLIC SERVICES (SOCIAL VALUE) ACT 2012

10.1 The Public Services (Social Value) Act 2012 requires contracting authorities to consider at the pre-procurement stage of **any** services contract and services framework agreement (including goods and works contracts procured in combination with services) to which the Public Contracts Regulations 2015) apply:

- how the proposed procurement may improve the economic, social and environmental well-being of their areas;
- how the contracting authority may act with a view to securing that improvement in conducting the process of procurement;
- in addition, the contracting authority is required to consider whether to undertake any community consultation on the above matters.

10.2 If you are undertaking a procurement exercise to which you think this Act applies please consult with the Procurement Officer before proceeding.

CONDUCTING PURCHASE AND DISPOSAL

11. COMPETITION REQUIREMENTS FOR PURCHASE, DISPOSAL AND PARTNERSHIP ARRANGEMENTS

The Authorised Officer must calculate the total value of any proposed purchase or disposal. The following procedures apply where there are no other procedures which take precedence. Other procedures may include agency agreements with government. If in doubt, *Authorised Officers* must seek the advice of the *Procurement Officer* and/or the *Director of Finance and Resources*.

***EU Threshold** as at 1.1.16 (updated every 2 years)

£4,104,394 (works contracts)

£164,176 (supplies and services contracts)

- 11.1.2 Where it can be demonstrated that there are insufficient suitably qualified *potential tenderers* to meet the competition requirement, all suitably qualified *potential tenderers* must be invited.
- 11.1.3 An *Authorised Officer* must not split orders, enter into separate contracts or select a method of calculating the total value in order to minimise the application of these contract procedure rules.
- 11.1.4 Where the *EU procedure* is required, the *Authorised Officer* shall consult the *Director of Finance and Resources* to determine the method of conducting the purchase.
- 11.2 Assets for disposal**
- 11.2.1 For stocks and stores, *Service Unit Managers* will be responsible for the disposal of surplus assets subject to the agreement of the *Head of Service*. This will be by public auction, competitive tender or by other manner most beneficial to the Council. Any disposal of a single asset valued in excess of £5,000 will be reported to the Executive.
- 11.2.2 For land and property assets, the *Head of Service* in conjunction with the appropriate *Portfolio Holder in accordance with Financial Regulations* will exercise a delegation to deal with disposals up to £50,000. Disposals over £50,000 will require the prior approval of the Executive who will consider a report by the *Head of Service*, which will include the financial, legal and other consequences of the proposed disposal. Disposals over £500,000 also require the approval of full Council.
- 11.2.3 The Localism Act requires the Council to maintain a register of Community assets. The register is maintained and kept by *The Director of Finance & Resources*. If there is interest in the disposal of any asset listed on the Register a set procedure needs to be followed and a full consultation needs to be undertaken. Any approach made to the Council with regards disposal of an asset listed on the register must go to the *Director of Finance & Resources* in the first instance.
- 11.3 Providing services to external purchasers**
- 11.3.1 The *Head of Service* and the *Director of Finance and Resources* must be consulted where it is proposed to do work for organisations other than Redditch Borough Council.

- 11.4.1 Collaborative and partnership arrangements are subject to all UK and EU procurement legislation and must follow these Contract Procedure Rules. If in doubt, *Authorised Officers* must seek the advice of the *Procurement Officer*.
- 11.5 Appointment of consultants**
- 11.5.1 *Consultants* will only be used if in the opinion of the appropriate *Service Unit Manager* in consultation with the *Head of Service* the work cannot be handled by Council employees.

11.5.2 If the consultant is to be appointed, a note should be placed on the file stating:

- (i) why it was necessary to use an external consultant;
- (ii) the brief for the project;
- (iii) the brief for selecting the consultant and how this was met;
- (iv) the names of the members and Officers involved in the selection process.
- (vi) Officers should consider any other options for savings before any appointment.

11.5.3 Consultants shall be selected in accordance with table C.

11.5.4 The engagement of a *consultant* shall follow the agreement of a brief that adequately describes the scope of the services to be provided and shall be subject to completion of a formal letter or contract of appointment. The appropriate *Service Unit Manager* will ensure that the requirements of 11.5.5 below are written into the contract and are verified.

11.5.5 Any *consultant* working on behalf of the Council will:

- (i) comply in all respects with the Council's Contract Procedure Rules and Financial Regulations;
- (ii) hold, where appropriate, an adequate level of professional indemnity insurance to cover any loss that may arise;
- (iii) produce all records relating to the contract on request during the currency of the contract;
- (iv) pass all relevant records to the *Service Unit Manager* on completion of the contract, to be maintained in accordance with Rule 6.

11.5.6 There may be instances when the use of these Contract Procedure Rules to appoint a consultant would be inappropriate, for example when engaging a barrister or other consultant where quality of performance is more important than the lowest tender.

11.5.7 For all types of *consultants*, the appropriate *Service Unit Manager* will:

- (i) ensure that consultancies can be properly funded, within an approved budget and expenditure code;
- (ii) consider the type of contract and how payments will be made;

11.6 Information Technology

11.6.1 The procurement of information technology should follow all other rules but in addition the following requirements apply.

11.6.2 For all information technology purchases, approval must be sought from the IT Services.

11.6.3 Any extension or additional modules to software may be procured without a Tendering process if:

- (i) the original system was procured through a full Tendering exercise;
- (ii) the contracts for the system and any support and maintenance contracts are still in term;
- (iii) the cost of additional modules does not exceed 25% of the original purchase price;
- (iv) the total cumulative price does not exceed the OJEU Threshold; and
- (v) the proposed purchase has had a technical sign off by the IT Services and the Procurement Officer .

12. PRE-TENDER MARKET RESEARCH AND CONSULTATION

12.1 The *Authorised Officer* responsible for the purchase:

- may consult potential suppliers prior to the issue of the *invitation to tender* in general terms about the nature, level and standard of the supply,
- contract packaging and other relevant matters, provided this does not prejudice any potential supplier or tenderer, but
- must not seek or accept technical advice on the preparation of an *invitation to tender or quotation* from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential suppliers/tenderers or distort competition, and
- should seek advice as appropriate, for example from the Procurement Officer and the Director of Finance and Resources.

13. STANDARDS AND AWARD CRITERIA

13.1 The *Authorised Officer* must ascertain whether there are any relevant British, European or international standards which apply to the subject matter of the contract. The officer must include those standards which are necessary to properly describe the required quality. *The Director of Finance and Resources* must be consulted if it is proposed to use standards other than European standards.

13.2 The *Authorised Officer* must define award criteria that are appropriate to the purchase and designed to secure an outcome giving value for money for the Council. The basic criteria are:

- 'lowest price' where payment is to be made by the Council;
- 'highest price' if payment is to be received; or
- 'most economically advantageous', where considerations other than price also apply.

If the last criterion is adopted, it must be further defined by reference to sub criteria subcriteria which may refer only to relevant considerations. These may include price, cost (including internal and life-cycle costs), service, quality of goods, running costs, cost effectiveness, quality, technical merit, previous experience, delivery date, cost effectiveness, relevant environmental considerations, aesthetic and functional characteristics (including security and control features), accessibility, safety, after-sales services, technical assistance, experience of staff, social and environmental considerations (provided relevant to the contract), trading terms and any other relevant matters.

13.3 *Award criteria* must not include:

- *Non-commercial* considerations: (fully explained in definitions appendix);
- matters which discriminate against suppliers from the *European Economic Area* or signatories to the *Government Procurement Agreement*.

14. INVITATIONS TO TENDER/QUOTATIONS

*** please use standard documentation when possible**

14.1 All *invitations to tender* must state that no tender will be considered unless it is received by the date, place and time stipulated. Tenders delivered in contravention of this clause will not be considered other than (at the discretion of the Council) in exceptional circumstances, such as a fault in a tendering portal operated by the Council.

14.2 All *invitations to tender* shall include the following:

- (i) specification that describes the Council's requirements in sufficient detail to enable the submission of competitive offers;

- (ii) requirement for tenderers to declare that the *tender* content, price or any other figure or particulars concerning the *tender* have not been disclosed by the tenderer to any other party (except where such a disclosure is made in confidence to subcontractors, insurers and advisers for the purposes of compiling a tender for purpose);
 - (iii) requirement for tenderers to complete fully and sign all *tender* documents including a form of *tender* and certificates relating to canvassing and non-collusion;
 - (iv) notification that tenders are submitted to the Council on the basis that they are compiled at the tenderer's expense;
 - (v) a description of the *award procedure* and, unless defined in a prior advertisement, a definition of the award criteria in objective terms with their respective weightings;
 - (vi) notification that no tender will be considered unless it is either (as applicable) submitted via an electronic tendering portal used by the Council or enclosed in a sealed envelope or container which bears the word '*Tender*' followed by the subject to which it relates, but no other name or mark indicating the sender;
 - (vii) a stipulation that any *tenders* submitted by fax or other electronic means (excluding any formal electronic tendering arrangements) shall not be considered;
 - (viii) the method by which any arithmetical errors discovered in the submitted *tenders* will be dealt with, in particular, whether the overall price prevails over the rates in the tender or vice versa.
- 14.3 All invitations to tender or quotations must specify the goods, services and/ or works that are required, together with the full set of contract documents that will apply (see Rule 16).
- 14.4 The invitation to *tender* or *quotation* must state that the Council is not bound to accept any *tender* or *quotation*.
- 14.5 All potential suppliers invited to tender or quote must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.
- 15. SHORTLISTING**
- 15.1 Any *shortlisting* must have regard to the financial and technical standards relevant to the contract and the *award criteria*. Special rules apply in respect of the *EU Procedure*.
- 16. SUBMISSION, RECEIPT AND OPENING OF TENDERS/QUOTATIONS**

16.1 Potential suppliers must be given an adequate period in which to prepare and submit a proper *quotation* or *tender*, consistent with the complexity of the contract requirement. Normally at least four weeks should be allowed for submission of tenders. *The EU procedure* lays down specific time periods.

16.2 Receipt and safe custody of tenders

The Council's electronic tendering system will receive, receipt and store (via a secure online portal) all the Council's tenders.

Receipt of tenders will be logged electronically on the system and a full audit trail evidenced, including dates and times of receipt and opening.

16.3 Opening tenders and Register of tenders

(i) The e-tendering system shall be maintained by the Procurement Department to show for each set of competitive tender invitations despatched:

- The name of all firms' individuals invited;
- The names of firms individuals from which tenders have been received;
- The date the tenders were received and opened;
- The person(s) opening the 'Tender Box';
- The price shown on each tender.

17. CLARIFICATION PROCEDURES AND POST-TENDER NEGOTIATION

17.1 Providing clarification of an *invitation to tender* to potential or actual tenderers, or seeking clarification of a *tender*, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a *tender* and before the award of a contract with a view to obtaining adjustments in price, delivery or content (i.e. post-*tender* negotiations) must be the exception rather than the rule. In particular, they must not be conducted in an *EU procedure* where this might distort competition, especially with regard to price.

17.2 If post-tender negotiations are necessary, then such negotiations shall only be undertaken with tenderer(s) identified as having submitted the best *tender(s)*. During negotiations tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope or quantity included in the tender documents. *Authorised Officers* appointed to carry out post-tender negotiations should ensure that there are recorded minutes of all negotiation meetings and that both parties agree actions in writing.

17.3 Whenever it is proposed to enter into post-tender negotiation, the *Director of Finance and Resources* must be consulted for advice. Negotiations must be conducted by a team of at least two Officers.

17.4 Where post-tender negotiation results in a fundamental change to the specification (or contract terms) the contract must not be awarded but retendered.

18. TENDER EVALUATION, AWARD OF CONTRACT, AND DE-BRIEFING TENDERERS

18.1 Apart from the debriefing required or permitted by these contract procedure rules, the confidentiality of quotations, *tenders* and the identity of tenderers must be preserved at all times and information about one tenderer's response must not be given to another tenderer.

18.2 Tenderers must complete all tender documentation. Any omissions may render a tender null and void, with no further consideration given.

18.3 *Tenders* must be evaluated impartially in accordance with the award criteria. Particular attention will be given to rates and prices, percentage adjustments, balancing items, ambiguities, qualifications and alternative offers. The following must also be included in the evaluation (to the extent that the Council is entitled to consider them, which will not be the case for all of the following on an EU tender process):-

- comparison of submitted *tender* prices with pre-tender estimates, and analysis of any discrepancies;
- overall *value for money* assessment;
- quality of performance on any previous Council contracts (applicable only at the selection stage in an EU tender process);
- previous experience;
- views of referees (applicable only at the selection stage in an EU tender process and can be based only on factual references without any subjective opinion);
- financial standing (applicable only at the selection stage in an EU tender process);
- capability of EU compliance, where appropriate;
- proposals for health and safety, equality and diversity, and dealing with complaints;
- any significant environmental features of goods and services such as life expectancy, energy efficiency, recyclability.
- Contribution to delivering the priorities and goals in our corporate strategy(whether relevant to the subject matter of the tender in an EU tender process).

- 18.4 Compliant *tenders* must be checked for arithmetic accuracy, including the correct extension and summation of rates tendered in the bill of quantities. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their *tender*. Alternatively, if the rates in the tender, rather than the overall price, were stated within the *tender* invitation as being dominant, an amended tender price may be requested to accord with the rates given by the tenderer.
- 18.5 No amendments to *tender* rates after submission of tenders will be permitted. If a tenderer withdraws or the revised tender is no longer the most competitive, the next most competitive will be examined and dealt with in the same way.
- 18.6 *Authorised Officers* may accept quotations and tenders received in respect of proposed contracts, provided they are within the approved estimate and have been sought and evaluated fully in accordance with these contract procedure rules. In respect of proposed High Value and EU contracts, the approval of the relevant *Head of Service* will be obtained, and the awarding of the contract will be reported to the next Executive and minuted.
- 18.7 For EU contracts, the *Authorised Officer* must notify all tenderers simultaneously and as soon as possible of the intention to award the contract to the successful tenderer. The *Authorised Officer* must provide unsuccessful tenderers with a period of at least ten calendar days (Standstill Period) in which to challenge the decision before awarding the contract. If the decision is challenged by an unsuccessful tenderer then the *Authorised Officer* shall not award the contract and shall immediately seek the advice of the *Director of Finance and Resources*.
- 18.8 Once the contract has been let, all unsuccessful tenderers will be notified of the results, and may be informed of the successful price on request. The letter of acceptance will not seek to qualify the terms and amounts previously tendered by the contractor.
- 18.9 If a tenderer requests in writing the reasons for a contracting decision, the *Authorised Officer* must give the reasons in writing within reasonable time frame of the request.

20. BONDS, PARENT COMPANY GUARANTEES AND LIQUIDATED DAMAGES

20.1 *Authorised Officers* must consult the *Head of Service* about whether a parent company guarantee is necessary when it is proposed to appoint a contractor who is a subsidiary of a parent company and:

- the *total value* of the proposed contract exceeds £1 million; or
- award is based on evaluation of the parent company; or
- there is concern about the stability of the contractor.

Redditch Borough Council Contract Procedure Rules

- 20.2 *Authorised Officers* must consult the *Head of Service* about whether a bond is needed:

- 20.3 If a *bond* is deemed necessary, the amount will be at least 10% of the contract sum (or its annual value where the contract relates to continuing service). Any decision not to require a bond will be recorded on the appropriate file.
- 20.4 Provision should be made for liquidated damages to be paid by the contractor if the contract is not completed within the time specified. This will normally be the case for contracts over £500,000 but may also be appropriate for lesser value contracts. The amount of liquidated damages will be determined by the appropriate *Service Unit Manager* in consultation with the *Head of Service*.
- 20.5 In certain circumstances, both a *parent company guarantee* and a *bond* may be required.

21. PREVENTION OF CORRUPTION

- 21.1 Officers and Members must not invite or accept any gift or reward in respect of the award or performance of any contract. High standards of conduct are obligatory. - 21.2 The following clause must be put in every written Council contract:

“The Council may terminate this contract and recover all its loss if the Contractor, its employees or anyone acting on the Contractor’s behalf do any of the following things:

Any clause limiting the Contractor’s liability shall not apply to this clause.”

22. BRIBERY ACT 2010

Redditch Borough Council Contract Procedure Rules

- 22.1 The Bribery Act 2010 sets out a number of prohibited acts which, if committed, carry criminal sanctions. Specifically the Council is covered by the offences in the following sections of the Act:
- Section 1: the offence of bribing another person;
 - Section 2: the offences relating to being bribed;
 - Section 6: the offence of bribing a foreign public official.
- 22.2 Government guidance highlights as the main example of how an employee of a public authority may commit an offence under the Act is if they accept a payment in return for manipulating the process or outcome of a public procurement in favour of a particular bidder.
- 22.3 The Council has an overriding duty to prevent and eliminate bribery not only in the way that it affects employees but also by ensuring that no contractors have been involved in any bribery offences. A conviction for an offence under the Bribery Act 2010 will trigger mandatory exclusion from competing for public contracts under regulation 57(1)(d) of the Public Contracts Regulations 2015.
- 22.4 If you have any concerns in respect of bribery by another *officer* and/or a contractor/tenderer then please inform *Head of Service* or the *Director of Finance and Resources* immediately. Failure to do so could result in criminal proceedings against you personally.

- 25.2 For all High Value contracts, contract managers must:
- maintain a risk register during the contract period;
 - undertake appropriate risk assessments;
 - for identified risks, ensure contingency measures are in place;
 - undertake and record such checks as are necessary to ensure that the contractor's insurance policies remain in force for the duration of the contract.

26. CONTRACT MONITORING, EVALUATION AND REVIEW

- 26.1 During the life of a contract, the *contract manager* must monitor the contractor in respect of:
- performance;
 - risk management;

Broadly, TUPE regulations ensure that the rights of employees are transferred along with the business.

The Members Allowances Scheme is agreed by the Council each year. It sets out the allowances which are paid to Councillors and the expenses they can claim.

A Basic Allowance of £4,874 is paid to all Members of the Council. By law, the Council must pay an equal amount of Basic Allowance to each Councillor, unless they choose not to receive all or part of it. The Basic Allowance is paid automatically each month as part of the payroll process and Councillors do not need to claim.

In addition to the Basic Allowance referred to above, Special Responsibility Allowances are paid to the holders of the following Offices:

Representatives on Major Outside Bodies

Local Government Association & General Assembly £269 pa

West Midlands Councils £269 pa

Travelling and Subsistence Allowances – require a claim to be made

Travelling and subsistence allowances can be paid to reimburse Councillors when they carry out an Approved Duty. Details of what constitutes an Approved Duty are set out elsewhere in this Scheme.

The Council will reimburse any business mileage at the published HM Revenue and Customs authorised non taxable rates (given below).

All claims for vehicle mileage must be submitted promptly at the end of each month. Claims which are more than 2 months old will be rejected.

Childcare and Dependant Care Allowances

The Dependent Carer's Allowance is intended to provide support to a Councillor with responsibilities for childcare (under age 16) or a dependent relative when attending meetings of the Council. The allowance is to cover reasonable and legitimate costs, but payment cannot be made if a carer is a member of the Councillor's immediate family or under 16 years of age.

When making a claim, the Councillor should include Receipts. Payments are for the actual time that a carer is employed and therefore includes the travelling time of a Councillor to and from a meeting.

Approved Duties

Any dispute arising on such adjudication will be settled in consultation with the Portfolio Holder for Corporate Management.

Claims for Allowances

Members should submit claims for allowances on a monthly basis. The Democratic Services Team will tell you the deadlines before the beginning of the financial year.

Foregoing an Allowance

A Councillor may, by giving written notice to the Council's Payroll Manager, choose to forego all or part of an allowance under this Scheme. If a Councillor has made this decision, s/he can change their mind, but not retrospectively.

Should a Councillor choose to donate all or part of his/her entitlement to allowances under this Scheme to registered charities of his/her choice the Councillor will need to make their own arrangements for donating such allowances to the charity following receipt of the allowances.

PART 18**Code of Conduct 2022****Definitions**

For the purposes of this Code of Conduct, a “Councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a Councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow Councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all Councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of Councillor and local government.

General principles of Councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, Councillors and local authority officers; should uphold the [Ten Principles of Public Life](#), also known as the Nolan Principles. See Appendix A

Building on these principles, the following general principles have been developed specifically for the role of Councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of Councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a Councillor.

This Code of Conduct applies to you when you are acting in your capacity as a Councillor which may include when:

- you misuse your position as a Councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a Councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a Councillor.

Where you act as a representative of the Council:

- (a) on another relevant authority, you must, when acting for that other authority, comply with that other authority's code of conduct; or
- (b) on any other body, you must, when acting for that other body, comply with the authority's code of conduct, except and insofar as it conflicts with any other lawful obligations to which that other body may be subject.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish Councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of Councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a Councillor. Should your conduct fall short of these standards, a complaint may be

made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a Councillor:

1.1 I treat other Councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech and in the written word. Debate and having different views are all part of a healthy democracy. As a Councillor you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not however, subject individuals, groups of people or organisations to personal attack.

As strategic leaders and employers, it is expected that Councillors will set a positive example to staff by treating them with politeness and courtesy at all times. Councillors have the right to criticise reports, or the actions taken by officers, but they should always be constructive, relate to the subject matter of the report and should not be personal.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow Councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's Councillor-officer protocol.

2. Bullying, harassment and discrimination

As a Councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least

two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services. Councillors must not do anything that is likely to cause the Council to breach its public commitment to equality and fostering good relations with all communities.

Appendix D sets out additional guidance that Councillors must read alongside this Code of Conduct.

3. Impartiality of officers of the council

As a Councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

You must:

- (a) when reaching decisions on any matter have regard to any relevant advice provided to you by the Council's officers and in particular by the Monitoring Officer and Section 151 Officer; and
- (b) give reasons for all decisions in accordance with any statutory requirement and any reasonable additional requirements imposed by the Council.

4. Confidentiality and access to information

As a Councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or

iv. the disclosure is:

- 1. reasonable and in the public interest; and**
- 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
- 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a Councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include information relating to ongoing negotiations or personal data relating to individuals.

With regards to personal data relating to individuals, you must not do anything that is likely to cause your authority to breach Data Protection law. You must seek to ensure you are familiar with how the Data Protection Act applies to your role in handling personal data through training, and if you are not sure you should seek advice from the Monitoring Officer.

5. Disrepute

As a Councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other Councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow Councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a Councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities**As a Councillor:****7.1 I do not misuse council resources.****7.2 I will, when using the resources of the local authority or authorising their use by others:**

- (a) act in accordance with the local authority's requirements.**
- (b) ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed; and**
- (c) have regard to any applicable Local Authority Code of Publicity during elections.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a Councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a Councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct**As a Councillor:****8.1 I undertake Code of Conduct training provided by my local authority.****8.2 I cooperate with any Code of Conduct investigation and/or determination.****8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with any investigation or proceedings.****8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.**

It is extremely important for you as a Councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority**9. Interests**

As a Councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow Councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other Councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a Councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, license or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £15 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a Councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a Councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a Councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices**Appendix A – The Ten Principles of Public Life**

The principles are:

Selflessness – Members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.

Honesty and Integrity – Members should not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly, and should, on all occasions, avoid the appearance of such behaviour.

Objectivity – Members should make decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.

Accountability – Members should be accountable to the public for their actions and the manner in which they carry out their responsibilities, and should co-operate fully and honestly with any scrutiny appropriate to their particular office.

Openness – Members should be as open as possible about their actions and those of their Authority and should be prepared to give reasons for those actions.

Personal judgement – Members may take account of the views of others, including their political groups, but should reach their own conclusions on the issues before them and act in accordance with those conclusions.

Respect for others – Members should promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They should respect the impartiality and integrity of the authority's statutory officers and its other employees.

Duty to uphold the Law – Members should uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place in them.

Stewardship – Members should do whatever they are able to do to ensure that their authorities use their resources prudently and in accordance with the law.

Leadership – Members should promote and support these principles by leadership, and by example, and should act in a way that secures or preserves public confidence.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the Councillor, or a person connected with the Councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register. The Monitoring Officer may state on the register that the Councillor has an interest the details of which are withheld.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If the interest has not already been recorded, notify the Monitoring Officer of the interest within 28 days beginning with the date of the meeting. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest.
Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. [Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative or close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied
9. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
10. [Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Appendix C – the Committee on Standards in Public Life and Best Practice Recommendations

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

Best Practice Recommendations

As included in The Local Government Ethical Standards report. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring Councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by Councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both Councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to

review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish Councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

MEMBERS' CODE ON GIFTS AND HOSPITALITY

Gifts and Hospitality

A Code of Conduct for Councillors

The acceptance of gifts and hospitality by Councillors is not merely an administrative issue. It reflects directly upon the perception of Councillors and of the authority as acting in the public interest or as acting for the personal advantage of friends and for what personal benefit Councillors can get out of their position.

The law on the acceptance of gifts and hospitality is set out in the authority's Code of Conduct for Members and in the Prevention of Corruption Acts. These requirements are then supplemented by the procedures which have been adopted by this authority, to provide a clear set of rules for the protection of both Councillors and the authority. Acceptance of a gift or hospitality in breach of the Code, or failure to declare receipt of such a gift or hospitality, can lead to disqualification from holding any public office for a period of up to five years. Corrupt acceptance of a gift or hospitality can lead to a heavy fine or up to 7 years' imprisonment.

This Code of Conduct sets out:

- (a) the principles which you should apply whenever you have to decide whether it would be proper to accept any gift or hospitality
- (b) a procedure for obtaining consent to accept a gift or hospitality, when you consider that it would be proper to accept it
- (c) a procedure for declaring any gift or hospitality which you receive and for accounting for any gift to the authority

This Code does not apply to the acceptance of any facilities or hospitality which may be provided to you by this authority.

1 General Principles

In deciding whether it is proper to accept any gift or hospitality, you should apply the following principles. Even if the gift or hospitality comes within one of the general consents set out below, you should not accept it if to do so would be in breach of one or more of these principles:

- (a) Never accept a gift or hospitality as an inducement or reward for anything you do as a Councillor.**

As a Councillor, you must act in the public interest and must not be swayed in the discharge of your duties by the offer, prospect of an offer, or the non-offer of any inducement or reward for discharging those duties in a particular manner.

The Public Bodies (Corrupt Offences) Act 1889 provides that if you accept any gift, loan, fee, reward or advantage whatsoever as an inducement to or reward for doing or forbearing to do anything in respect of any matter or transaction in which the authority is concerned, you commit a criminal offence carrying a maximum term of imprisonment of 7 years

Further, the authority's Code of Conduct for Members provides that you must act in the public interest, serving the authority and the whole community, rather than acting in the interests of any particular individual or section of the community, and that it is a breach of the Code improperly to confer any advantage or disadvantage on any person, including yourself.

(b) You should only accept a gift or hospitality if there is a commensurate benefit to the authority.

The only proper reason for accepting any gift or hospitality is that there is a commensurate benefit for the authority which would not have been available but for the acceptance of that gift or hospitality.

Acceptance of hospitality can confer an advantage on the authority, such as an opportunity to progress the business of the authority expeditiously through a working lunch, or to canvass the interests of the authority and its area at a meeting. Acceptance of a gift is much less likely to confer such an advantage. But unless the benefit to the authority is clear, and is commensurate with the value of the gift or hospitality, the presumption must be that the gift or hospitality is purely for your personal benefit.

As set out above, the authority's code provides that you must not improperly confer any advantage on anyone, including yourself. Acceptance as a Councillor of a gift or hospitality for your own benefit or advantage, rather than for the benefit to the authority, would be a breach of the Code.

(c) Never accept a gift or hospitality if acceptance might be open to misinterpretation.

The appearance of impropriety can be just as damaging to the authority and to you as a Councillor as actual impropriety. The authority's ability to govern rests upon its reputation for acting fairly and in the public interest.

You must therefore consider whether the acceptance of the gift or hospitality is capable of being interpreted as a sign that you or the authority favours any particular person, company or section of the community or as placing you under any improper obligation to any person or organisation. If there is any possibility that it might be so interpreted, you must either refuse the gift or hospitality or take appropriate steps to ensure that such a misunderstanding cannot arise.

Certain occasions are particularly sensitive, and require the avoidance of any opportunity for such misunderstanding. These include:

- (i) occasions when the authority is going through a competitive procurement process, in respect of any indication of favour for a particular tenderer.
- (ii) determinations of planning applications or planning policy, in respect of any person or organisation which stands to gain or lose from the determination,
- (iii) funding decisions, when the authority is determining a grant application by any person or organisation.

(d) Never accept a gift or hospitality which puts you under an improper obligation.

Recognise that some commercial organisations and private individuals see the provision of gifts and hospitality as a means of buying influence. If you accept a gift or hospitality improperly, it is possible that they may seek to use this fact to persuade you to determine an issue in their favour. Equally, if others note that you have been prepared to accept a gift or hospitality improperly, they may feel that they will no longer be able to secure impartial consideration from the authority.

(e) Never solicit a gift or hospitality.

You must never solicit or invite an offer of a gift or hospitality in connection with your position as a Councillor unless the acceptance of that gift or hospitality would be permitted under this Code. You should also take care to avoid giving any indication that you might be open to any such improper offer.

2 Consent Regimes

(a) General consent provisions.

For clarity, the authority has agreed that you may accept gifts and hospitality in the following circumstances:

- (i) civic hospitality provided by another public authority

- (ii) modest refreshment in connection with any meeting in the ordinary course of your work, such as tea, coffee, soft drinks and biscuits
- (iii) tickets for sporting, cultural and entertainment events which are sponsored by the authority
- (iv) small gifts of low intrinsic value below £15, branded with the name of the company or organisation making the gift, such as pens, pencils, mouse pads, calendars and diaries. However, you should take care not to display any such branded items when this might be taken as an indication of favour to a particular supplier or contractor, for example in the course of a procurement exercise
- (v) a modest alcoholic or soft drink on the occasion of an accidental social meeting, such as a pint of beer from an employee of a contractor or party with whom you have done business on behalf of the authority if you meet accidentally in a public house, cafe or bar. In such cases, you should make reasonable efforts to return the offer where this is practicable
- (vi) a modest working lunch not exceeding £10 a head in the course of a meeting in the offices of a party with whom the authority has an existing business connection where this is required in order to facilitate the conduct of that business. Councillors should not make such arrangements themselves, but request officers to settle the detailed arrangements, and officers are under instruction, when arranging any such meeting, to make it clear to the other party that such a lunch must not exceed a value of £10 a head
- (vii) modest souvenir gifts with a value below £15 from another public authority given on the occasion of a visit by or to the authority
- (viii) Hospitality received in the course of an external visit or meeting which has been duly authorised by the authority. Councillors should not make such arrangements themselves, but request officers to settle the detailed arrangements, and officers are under instruction to make it clear that any such hospitality for Councillors and officers is to be no more than commensurate with the nature of the visit
- (ix) other unsolicited gifts, where it is impracticable to return them to the person or organisation making the gift, provided that the Councillor deals with the gift strictly in accordance with the following procedure:

The Councillor must, within 28 days of receipt of the gift, pass it to the Democratic Services team together with a written statement identifying the information set out in Paragraph 2(b) below. The Democratic Services team will then write to the person or organisation making the gift thanking them on your behalf for the gift and informing them that you have donated the gift to the Mayor's Charity Fund, on whose behalf it will be raffled or otherwise disposed of in due course, the proceeds being devoted to a charitable cause chosen by the Mayor.

(b) Special consent provisions

If you wish to accept any gift or hospitality which is in accordance with the General Principles set out in Paragraph 1, but is not within any of the general consents set out in Paragraph 2(a), you may only do so if you have previously obtained specific consent in accordance with the following procedure:

You must make an application in writing to the Monitoring Officer, setting out:

- (i) the nature and your estimate of the market value of the gift or hospitality
- (ii) who the invitation or offer has been made by or on behalf of
- (iii) the connection which you have with the person or organisation making the offer or invitation, such as any work which you have undertaken for the authority in which they have been involved
- (iv) any work, permission, concession or facility which you are aware that the person or organisation making the offer or invitation may seek from the authority
- (v) any special circumstances which lead you to believe that acceptance of the gift or hospitality will not be improper

You must not accept the gift or hospitality until you have received the appropriate consent.

The Monitoring Officer will enter details of any approval in a register which will be available for public inspection on the occasion of the public inspection of the authority's accounts for the relevant year. But note that this does not relieve you of the obligation to register the receipt of gifts and hospitality in accordance with Paragraph 3, below.

3 Reporting

Where you accept any gift or hospitality which you estimate to have a market value or cost of provision of at least £15, you must, within 28 days after receipt of the gift or hospitality, make a declaration in writing to the Monitoring Officer, setting out the information set out in Paragraphs 2(b) above. A form for this purpose is attached to this Code, but you can send the same information by any convenient means. The Monitoring Officer will retain a copy of any such declaration in a register which will be available for public inspection until the approval of the authority's accounts for the year in question.

Even if the value of the gift or hospitality is less than £15, if you are concerned that its acceptance might be misinterpreted, and particularly where it comes from a contractor or tenderer, you may make a voluntary declaration in the same manner to ensure that there is nothing secret or underhand about the gift or hospitality.

4 Gifts to the authority

Gifts to the authority may take the form of the provision of land, goods or services, either to keep or to test with a view to future acquisition, an offer to carry out works or sponsorship of a function which is organised or supported by the authority. You should not solicit any such gift on behalf of the authority except where the authority has formally identified the opportunity for participation by an external party and how that participation is to be secured, for example in relation to sponsorship of public musical and theatrical performances and developers' contributions under Section 106 Agreements. If you receive such an offer on behalf of the authority, you must first consider whether it is appropriate for the authority to accept the offer (in terms of whether the acceptance of the gift might be seen as putting the authority under any improper obligation, whether there is a real benefit to the authority which would outweigh any dis-benefits). If you do not have delegated authority to accept the gift, you should report the offer directly to the Monitoring Officer who has such delegated authority, together with your recommendation. The Monitoring Officer will then write back to the person or organisation making the offer, to record the acceptance or non-acceptance of the gift, record the gift for audit purposes and ensure that the gift is properly applied for the benefit of the authority. If you have any concerns about the motives of the person or organisation making the offer, or whether it would be proper for the authority to accept the gift, you should consult the Monitoring Officer directly.

5 **Definitions**

MEMBER OFFICER RELATIONS PROTOCOL**PROTOCOL**
FOR RELATIONS BETWEEN
COUNCILLORS AND OFFICERS**1. INTRODUCTION**

- 1.1 The purpose of this protocol is to guide Councillors and Officers of the Council in their relations with one another.
- 1.2 Given the variety and complexity of such relations, this Protocol does not seek to be either prescriptive or comprehensive. It seeks simply to offer guidance on some of the issues that most commonly arise. It is hoped, however, that the approach that it adopts to these issues will serve as a guide to dealing with other issues.
- 1.3 This Protocol is to a large extent no more than a written statement of current practice and convention. In some respects, however, it seeks to promote greater clarity and certainty.
- 1.4 This Protocol also seeks to reflect the principles underlying the respective rules of conduct which apply to Councillors and Officers. The purpose of the rules and this protocol is to enhance and maintain the integrity (real and perceived) of local government by demanding very high standards of personal conduct.
- 1.5 The former National Code of Local Government Conduct for Members says:

“Both Councillors and employees are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Employees are responsible to the Council. Their job is to give advice to Councillors and the Council, and to carry out the Council’s work under the direction and control of the Council, its Committees and Sub-Committees.

Mutual respect between Councillors and employees is essential to good local government. Close personal familiarity between individual Councillors and employees can damage this relationship and prove embarrassing to other Councillors and employees.”

(*The National Code of Conduct has now been replaced by a local Code. Nonetheless the points made above remain relevant.)

2. RESPECT AND COURTESY

- 2.1 For the effective conduct of Council business there must be mutual respect, trust and courtesy in all meetings and contacts, both formal and informal, between Councillors and Officers. This too plays a very important part in the Council's reputation and how it is seen in public. It is very important that both Councillors and Officers remember their respective obligations to enhance the Council's reputation and to do what they can to avoid criticism of other Councillors, or other Officers, in public places.

Undue Pressure

- 2.2 It is important that in any dealings between Councillors and Officers, neither should seek to take unfair advantage of their position.
- 2.3 In their dealings with both Directors and staff (especially junior employees), Councillors need to be aware that it is easy for Officers to be overawed and feel at a disadvantage. Such feelings can be intensified where Members hold official and/or political office.
- 2.4 A Councillor should not apply undue pressure on an Officer either to do anything that he or she is not empowered to do, or to undertake work outside normal duties or outside normal hours. Particular care needs to be taken in connection with the use of Council property and services.
- 2.5 Similarly, an Officer must neither seek to use influence on an individual Councillor to make a decision in his or her personal favour, nor raise personal matters to do with his or her job, nor make claims or allegations about other Officers. The Council has formal procedures for consultation, grievance, and discipline. The one exception to this rule is the right of staff to report possible wrong doing under the Council's "Whistle-blowing" procedure.

Familiarity

- 2.6 Close personal familiarity should be avoided, where practicable.

Criticism of Officers by Councillors

- 2.7 Councillors have the right to criticise reports or the actions taken by Officers but they should always be constructive, relate to the subject matter of the report and should not be personal.

Redress / Complaint

- 2.8 If a Councillor considers that he or she has not been treated with proper respect or courtesy, he or she may raise it with the employee's line Manager or Director without delay if it is not possible to resolve it through direct discussion.

If the issue still remains unresolved, appropriate disciplinary action may be taken against an employee by the Director in accordance with the Council's normal procedures.

- 2.9 If an employee feels the same way about a Councillor, and a direct discussion is impractical or fails to resolve the matter, he or she should raise the matter with the line Manager or Director without delay. In such circumstances, the Director will take such action as is appropriate either by approaching the individual Councillor and/or Party Group Leader or, if appropriate, by referring the matter to the Monitoring Officer. The Director will tell the Chief Executive if the Party Group Leader becomes involved, or in any other case where that is appropriate. Feedback should be given to the employee on the outcome.

3. PROVISION OF INFORMATION

- 3.1 All Councillors will normally receive copies of all reports, other than:
- those relating to sensitive regulatory matters such as Employee and Housing-related Appeals; and
 - Licensing Sub-Committee agendas which are sent only to those Members involved in considering specific applications under the Licensing Act 2003 (statutory requirement).
- 3.2 Ward Councillors and/or other relevant Members (Portfolio Holders / Chairs, etc.) should be routinely notified in advance about any significant, sensitive, or controversial issues likely to affect them (see also paragraphs 6.7 and 8.2 below).

4. POLITICAL ACTIVITY

- 4.1 Senior employees, except those who are not politically restricted, cannot be Councillors or Members of Parliament, nor can they “speak or publish written work for the public at large or to a section of the public with the apparent intention of affecting public support for a political party”.
- 4.2 Employees are employed by the Council as a whole. They serve the Council and are responsible to the Chief Executive and their respective Directors and not to individual members of the Council whatever office they might hold.
- 4.3 It is important though for there to be regular contact between the Chief Executive, Directors, senior employees and the Leaders of Political Groups on matters affecting the Council; and between Directors, other senior employees, and Members and Officers who provide support services to Councillors and Party Groups.

- 4.4 The only basis on which the Council can lawfully provide support services (such as stationery, typing, printing, photocopying, transport, etc.) to Councillors is to assist them in discharging their role as Councillors. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

Correspondence

- 4.5 When a letter or e-mail is copied to anyone in addition to the addressee Councillor, it should always have a list of those receiving copies at the head of the letter or e-mail.
- 4.6 Official letters on behalf of the Council will normally be issued in the name of the appropriate Officer rather than that of a Councillor. It may be appropriate in certain circumstances (for instance representations to a Government Minister) for a letter to appear in the name of the Leader or a Chair or other Councillor, but this should be the exception rather than the norm. Where the Leader or a Chair or other Councillor issues a letter in these circumstances, he or she will arrange for copies to be sent to other members of the Council/Committee as the case may be. Letters on behalf of the Council would not normally be sent out in the name of a Councillor, save to confirm a decision of the Council, or occasionally in the case of Civic matters, by the Mayor.

Officer Advice to Political Groups

- 4.7 It is common practice for Party Groups to give preliminary consideration to matters of Council business. Officers may properly be called upon to provide information and advice in connection with such deliberations by Groups.
- 4.8 Information and advice may be available to all Groups on the same basis. Officers may be invited (but not singly) to address Group meetings.
- 4.9 Officer input in these circumstances will be limited to providing information and advice about matters of Council business. Group meetings, whilst they may form part of the preliminaries to Council decision making, are not empowered to make decisions on behalf of the Council. Conclusions reached at these meetings will not therefore rank as Council decisions and will not be interpreted as such by Officers.

5. COUNCILLORS' BRIEFING, AGENDAS AND REPORTS

- 5.1 Briefings on agendas will be given by Directors or their nominees to the Chairs and Vice-Chairs of Council Committees, Sub-Committees, Panels, Working Parties, etc.

- 5.2 Briefings to all members of a Committee, Task & Finish Group, or Working Party may sometimes be preferable, on occasions when the Council is meeting with representatives of outside bodies or other parties external to the Council.
- 5.3 Formal requests to Directors for a report to be prepared on a particular issue may only come from the Council, a Committee or Sub-Committee, the Leader, or the Chair of a Committee, Sub-Committee, Panel, Working Party, etc. in accordance with the provisions of the Council's Constitution.

6. PRESS RELEASES AND PUBLICITY

- 6.1 All publicity activities carried out by the Council will be in accordance with the Code of Recommended Practice on Local Authority Publicity issued by the Department of the Environment, Transport and the Regions and the Council's own Media Protocol / Strategy as agreed from time to time.
- 6.2 News releases and press statements issued by the Council require Member approval, where they contain quotes by Members or sensitive information.
- 6.3 Where a news release is issued after a Council, Committee or Sub-Committee meeting, any comments must relate to matters discussed at that meeting. Advance news releases which contain matters due to be discussed, should be limited to factual information only.
- 6.4 The Communications Manager will be guided by the Leader, Committee Chair or Chief Executive on whether a news release should be issued before or after a meeting. The Communications Manager will give advice as to whether this is appropriate.
- 6.5 All news releases about decisions will contain the name and telephone number of the relevant Councillor spokesperson(s) or an appropriate Officer.
- 6.6 All news releases issued by Group Leaders, Chairs, Group Spokespersons or individual Councillors should state clearly that the release has been issued by that person not on behalf of the Council.
- 6.7 Particular care to observe the relevant Codes and Guidance will be exercised during formal election periods.
- 6.8 Ward Councillors and/or other relevant Members (Portfolio Holders / Chairs, etc.) should be notified in advance about any significant, sensitive, or controversial issues likely to affect them. This would include press releases relating to a particular Ward or significant matters likely to affect a Ward.

7. SPECIAL MEETING

- 7.1 If a special meeting of the Council or a Committee is needed, the Chief Executive shall consult with the Chair, Vice-Chair and the Leader (or their nominee) of any other party group represented on the Council, about the time and location of the special meeting.
- 7.2 Consultation with the same Members shall apply if a meeting needs to be deferred or cancelled.

8. INVOLVEMENT OF WARD COUNCILLORS

- 8.1 Whenever a public meeting is organised by the Council to consider a local issue, all the Councillors representing the Ward or Wards affected should, as a matter of course, be invited to attend the meeting, and the maximum possible notice should be given. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the Ward Councillors should be consulted at the outset of the exercise.
- 8.2 Ward Councillors should be notified in advance about any significant, sensitive, or controversial issues likely to affect them. This would include press releases relating to a particular Ward or significant matters likely to affect a Ward.

9. MEMBER ENQUIRIES

- 9.1 Officers will respond to enquiries received through from Members in accordance with the 'Best Practice for Handling Member Enquiries' attached at Appendix 1 to this part of the constitution.

Members routinely make enquiries to the corporate and operational teams on behalf of constituents and/or centred around issues relating to their wards, with an expectation that we reply in a timely and accurate manner. Whilst the range of enquiries vary in complexity and type, the nature of which we deal with these should be courtesy and consistent.

Please note: member complaints will follow the corporate complaint route i.e. when normal service routes have failed.

Service areas can still be flexible and have fluidity in relation to professional judgement along with system management, although it is an expectation that certain standards of best practice are adhered to. The guidance below is to be followed by all for all member enquiries across both authorities:

- Acknowledgement of member enquiry is undertaken within **2 working days** with clarity being provided on the next steps along with person dealing with enquiry.
- Full response to initial enquiry should be provided at the **earliest opportunity** and should be clear and concise to ensure that repeat demand or escalation is preventable. **Maximum response time for a full reply should be no more than 10 working days (10 working days should apply in exceptional or complex cases only).**
- Whilst having a consistence approach to replying should be paramount, some member enquiries will naturally fall within an 'urgent' and/or 'high importance' level and immediacy of response will need to be applied in these cases.
- Any member enquiry received must adhere to GDPR standards and cautious to be given in relation to confidential or highly sensitive matters. If you have any doubts, then please check before replying.
- Where the enquiry is complex in nature, requires multiple or 3rd party response or will take a longer time period for reply, **members are to be kept informed of progress and timescales on a regular basis, as agreed with the Member, and lines of communication remain open and two-way.**
- Where the member enquiry requires escalation to assist in resolving the matter internally i.e. not satisfied with response,

The purpose of this guidance is to have a clear, consistent and courteous approach across both authorities to member enquiries and to build and maintain good working relationships. The corporate management team expect that member enquiries are dealt with promptly and professionally, with escalations being raised on a rare and exceptional basis.

delays in acknowledgement or routine updates, then these will be forwarded to the PAs or external escalation mechanism (WRS) where this will be logged formally on the corporate complaints system (as a councillor complaint) and assigned to the relevant member of the corporate management team. **These escalations will be routinely reviewed by CMT as part of the quarterly monitoring.**

- Acknowledgement and full responses should be dealt with in a professional manner, ensuring the use of formal writing and correct use of language.
- To aid members in contacting the correct managers/officers when raising enquiries, contact information should be pro-actively and routinely shared with members (especially when changes to personnel or process occurs) via mod.gov and it is expected that ALL out of office replies are activated with signposting to alternative contact in their absence.
- You are encouraged to be proactive with your portfolio holders and members on service changes especially where you have identified potential impacts to local residents and businesses, so that thorough and clear responses and channels of communication directly to service areas are easily accessible.
- Political awareness training to be rolled out to **ALL** staff who deal with member enquiries.

CODE OF PRACTICE - PLANNING SERVICES**1. INTRODUCTION**

- 1.1 The role of a Member serving on the Planning Committee involves balancing the representation of the needs and interests of individual constituents and the community, with the need to maintain an ethic of impartial decision-making on what can be highly controversial proposals.
- 1.2 This document has been prepared to guide Members and Officers in dealing with planning matters in a manner consistent with good practice, including the conduct of Members in its processes and procedures and should be read alongside the Councillors' Code of Conduct.
- 1.3 Failure to follow the recommendations set out in this Code of Practice, without good reason, may be regarded as being incompatible with good administration by the Local Government Ombudsman and affect how the Council, its Officers or Members may be perceived by others.
- 1.4 By setting out clearly what is expected of both Members and Officers, it is anticipated that this Code will engender greater mutual understanding and support between all those involved in the planning process. The Code has been produced in the spirit of looking for continuous improvements in the delivery of services, discharging duties responsibly in an open, professional and consistent way compatible with the Councillors' Code of Conduct and its Protocol for Members/Officer relations.
- 1.5 Both Members and Officers dealing with planning matters and advising Committees will be required to observe all the provisions of this Code.
- 1.6 The Code is set out in the form of a series of headings followed by a brief discussion of the issues involved and best practice advice.

2. THE ROLE OF COUNCILLORS

- 2.1 The role of Members is central to the planning system, which operates within a political arena. It is well recognised that planning is not an exact science and, provided that Members are properly briefed by Officers, they are well placed to make decisions.

Ward Interests

- 2.2 Members have a special duty to their ward constituents but their overriding responsibility is to the whole community. In terms of the planning process, this can produce a conflict of interest between Members legitimately and effectively giving vent to local, sometimes individual, concerns and the need to reflect the interests of the wider

community in decisions reached on planning merits alone. Much is often at stake in this process, and opposing views are often strongly held by those involved. Whilst Members should take account of these views, they should not favour any person, company, group or locality above the wider community interest, nor put themselves in a position where they appear to do so. Members should be mindful of the need to carefully weigh up all of the arguments before deciding what view to take. Where a Member of Planning Committee takes the view that they would wish to speak in relation to an application affecting their ward they may do so as Ward Councillor under the procedure for Public Speaking at Planning Committee. However, they will have to remain in the public gallery after they have spoken and take no part in the debate or vote on the application.

- 2.3 Members should also be very cautious about accepting gifts and hospitality. Members should abide by the Council's Code of Conduct for Gifts and Hospitality, including recording offers and/or acceptance of these in the register as required.

Interests arising from the Code of Conduct

- 2.4 Under the Council's Member Code of Conduct, Members will need to make sure they are clear whether they have a discloseable pecuniary interest or other discloseable interest when involving themselves in planning matters.
- 2.5 Members who are unsure as to whether an interest should be declared should seek the advice of the Council's Monitoring Officer **at an early stage.**

Lobbying

- 2.6 It is a fact of public life that Members will be subject to varying degrees of lobbying. This is part of the democratic process. However, when individuals or groups seek to influence the outcome of a planning decision, which should be treated upon its individual planning merits in the wider public interest, the impartiality of the decision may be questioned. Such problems might arise if Members indicate their voting intention or support for a particular cause in advance of all the relevant information and Officer advice. However, section 25 the Localism Act states that a member is not to be regarded as having a closed mind about a decision simply because they have previously expressed a view on it.
- 2.7 When being lobbied, Members should take care about expressing an opinion that may be taken as indicating that they have already made up their mind on the likely outcome of a planning application before they have heard all the evidence and arguments. If they do express an opinion, they should make it clear that they will only be in a position to make a final decision when all the facts are known and they have heard both sides of the argument at Committee. On occasion, the Member

may respond to lobbying by deciding to go public in support of a particular outcome, or even campaigning actively for it.

- 2.8 However, Members must not have a closed mind when they make a decision. Decisions taken by those with pre-determined views are vulnerable to successful legal challenge. At the point of making a decision, members must carefully consider all the evidence that is put before them and be prepared to modify or change their initial view in the light of the arguments and evidence presented. Then they must make their final decision at the meeting with an open mind based on all the evidence.
- 2.9 Where a Member has campaigned for or come to a final view prior to a meeting, the member should not take part in the decision making process. Depending on the circumstance and to preserve the appearance of propriety, the member should also consider whether or not to withdraw from the public gallery, after making his or her representations to the planning committee.
- 2.8 Members should not represent an applicant or individual objector and should not organise support or opposition for a planning application or other planning decision. In particular, they should avoid representing applicants or objectors in discussions with Planning Officers which may take place before an application is considered by the Planning Committee. Instead they should suggest to those who are lobbying, that they should speak or write to the relevant Planning Officer, in order that their opinions can be included in the officer's report to committee. Any letters referred to and relied upon by Councillors in speaking on an application should be given to the Head of Planning and Regeneration to be placed on the respective planning file immediately after the meeting.
- 2.9 Members should not lobby other Members or put pressure on Officers to make a particular recommendation. Therefore no political group meeting must take place prior to the committee meeting to discuss the planning applications.
- 2.10 Members of the Planning Committee need to take account of the general public's expectation that a planning application will be processed and determined in an open and fair manner. There is the possibility that an aggrieved party may seek judicial review on the way in which a decision has been arrived at, or complain to the Local Government Ombudsman on the grounds of maladministration.

3. MEMBERSHIP OF PARISH COUNCILS

- 3.1 Parish Councils are consulted and asked to comment on planning applications prior to their being considered by the Borough Council's Planning Committee. Sometimes, a member of the Planning Committee will also be a member of a Parish Council and such a situation could give rise to a perception that there is a conflict between these two roles.
- 3.2 Members of the Planning Committee may participate in the formulation of their Parish Council's comments on a planning application and may vote on motions put forward in connection with the making of such comments. However, in doing so, they must recognise that they have not yet received full information about the application e.g. the planning history, comments by other consultees and officer recommendation. They should therefore declare, at the Parish Council's meeting, that in assisting in the formulation of the Parish Council's comments, that they are only forming a preliminary view on the application, that they recognise that there is further information about the application which they have not yet received, and that they reserve the right to change their preliminary view, in the light of such further information, when the application is considered by the Borough Council's Planning Committee.
- 3.3 In this way, members of the Planning Committee, who are also members of Parish Councils, will avoid any perception that they have fettered their judgment on an application before knowing the full facts about it.
- 3.4 Members are advised to let the planning committee know any ward interest, participation in parish council responses to applications or any significant lobbying at the meeting, whether or not they decide that it is appropriate to participate in the debate and determination regarding an application.

4. PLANNING SITE VISITS PROCEDURE

- 4.1 Members of Planning Committee will have the opportunity to attend site visits for some of the planning applications which are decided by the Planning Committee.
- 4.2 The purpose of site visits is to allow Members to consider the general setting of the application site so that they will be in the best position to decide whether or not planning permission should be granted. In particular Members will be able to:-
 - Observe the geography of the site including the boundaries and its relationship to adjoining properties;
 - Consider the scale and impact of the proposed development in relation to the site;
 - Use the visit to assess whether any planning conditions might need to be considered.

- 4.3 Site visits will not be arranged for sites that have been the subject of a site visit within the preceding 6 months.
- 4.4 The site visit does not constitute a meeting of the Planning Committee. Accordingly, Members should not form a collective view on the issue.
- 4.5 Since Members are attending a site merely to “see what is to be seen”; it is inappropriate to hear from either the applicant or his representative during the site visit. Similarly, it is inappropriate to hear from anybody else who wishes to make representations. This includes the Ward councillor for the area in which the site is located. The occasion is not a local hearing. Members should leave each site with no collective view – the occasion is simply to assist them individually to form a view.
- 4.6 When the application is next considered by the Planning Committee, the Chair of the Committee should remind Members that the application was the subject of a site visit, and then let the debate proceed normally.

5. THE ROLE OF OFFICERS

- 5.1 Officers, as the paid employees of the Council, have the principal responsibility for carrying out the Council’s work. They should provide professional and impartial advice to Members to assist them in reaching their decisions and to the public at large on all planning matters. It is very important that such advice is consistent with the provisions of the prevailing planning policies and guidance so that the planning system is seen to be fair whatever the outcome.
- 5.2 The Planning Committee has given delegated authority to the Head of Planning and Regeneration to approve certain categories of planning application as set out in the Council’s Scheme of Delegation.
- 5.3 Any decisions delegated to Officers should be clearly recorded.

6. OFFICER REPORTS TO COMMITTEE

- 6.1 All reports shall provide a clear technical appraisal of the application including site location and description, planning history, consultations received and the policy contents for the recommendation, which should be justified in the Officers’ written comments.
- 6.2 Reports should have a written recommendation of action; oral reporting (except to update a report) should be avoided and carefully minuted.
- 6.3 Reports should contain technical appraisals, which clearly justify a recommendation.
- 6.4 If the report’s recommendation is contrary to the provisions of the development plan or Local Development Framework, the material considerations, which justify the departure, must be clearly stated.

6.5 Terms for Planning Obligations (Section 106 Agreements) must be clearly set out, discussed openly and recorded in the minutes.

6.6 The Monitoring Officer or his or her representative shall attend all Planning Committee meetings and provide advice, together with legal advice as required.

7. PRE-APPLICATION DISCUSSIONS

7.1 Officers are often asked informally during meetings whether planning permission is required for changes of use and/or for new development.

7.2 Officers will always endeavour to be as helpful as they can in this matter but can only offer an informal opinion as to whether or not planning permission is required for the development someone wishes to undertake, whether it is a new building, an extension to a home, or a change of use of land or building. Any advice that they offer in this respect is an individual opinion based on the information the enquirer has provided at the time. It is not binding on the Council.

7.3 For an official decision, enquirers should be invited to apply for a Certificate of Lawfulness of Proposed Use or Development, under Section 192 of the Town and Country Planning Act 1990. A fee is payable for the processing of such an application but the enquirer will be presented with a legally binding determination, in other words, an official decision of the Council telling him/her whether or not planning permission is required.

7.4 The fee varies according to the type of development proposed and staff will be able to advise on the amount payable. It is in the interests of the enquirer to have an official written determination relating to development should he/she want to sell his/her land/property or should any legal challenge arise relating to the work which has been undertaken.

7.5 The following guidelines have been adopted to ensure that all parties involved are treated fairly and that the Planning Officers' role is clearly understood:

- Planning Officers will give informal advice in the spirit of helpfulness. It is however only informal advice which is not binding on the Local Planning Authority;
- Planning Officers will negotiate and offer advice to overcome problems at application stage where a solution is apparent and the proposal can be determined within the statutory time limit as a consequence;
- The onus to negotiate falls upon the applicant/agent to offer alternatives to the original submission;

- Planning Officers cannot advise what a potential recommendation will be should an application be made.

8. DECISIONS CONTRARY TO THE DEVELOPMENT PLAN/ LOCAL DEVELOPMENT FRAMEWORK

- 8.1 The law requires that where the development plan/Local Development Framework is relevant, decisions should be taken in accordance with it, unless material planning considerations indicate otherwise. Members will receive training and guidance from officers as to what constitutes material planning considerations. In certain situations, legislation requires the Council to notify the relevant Secretary of State before granting permission contrary to the development plan. Officers will advise members if this process is necessary and will carry out the process.

9. DECISIONS CONTRARY TO OFFICER RECOMMENDATION

- 9.1 Members are perfectly entitled to reach different decisions to those recommended to them by Officers by attaching different weight to the various relevant planning criteria. That this happens from time to time is inevitable but it is essential that the public be left in no doubt as to how the decision was reached. Officer reports must be well structured and the public should not be given the impression that decisions reached contrary to advice are made hastily or new conditions imposed on the spur of the moment. A full detailed minute of the Committee's reasons should be made. The Officer should also be given an opportunity to explain the implications of the contrary decision.
- 9.2 Where a Member is minded to raise new issues, information or questions, they are advised to contact the respective Planning Officer or Head of Planning and Regeneration before the meeting wherever possible.
- 9.3 Where a Member is minded to make a recommendation, which is contrary to the Officer recommendation, then the reasons should be clearly set out, particularly in the case of a refusal and in the case of an approval, the type of conditions proposed should be indicated.
- 9.4 If an imminent decision is thought to be perverse, the Head of Planning and Regeneration or the Monitoring Officer should so advise the Committee, but it remains the role of the Chair to decide whether or not it would be preferable to defer consideration to allow for a period of reflection on the advice given before proceeding.
- 9.5 Where an application is refused or conditions imposed contrary to an officer recommendation, it may not be in the Council's best interests for the Case Officer to give evidence at any subsequent public inquiry or

hearing resulting from an appeal. In such circumstances it will be a matter for the Head of Planning and Regeneration in consultation with the Head of Legal, Equalities and Democratic Services to establish whether a suitably experienced and qualified Officer exists within his establishment who is able to concur professionally with the decision taken. If so, then they will act as the Council's professional witness. If not, then the use of planning consultants will be explored. It is rarely in the Council's best interests for individual Members to represent the Council but this may be appropriate where factual evidence is in dispute particularly in enforcement appeals.

- 9.6 All planning approvals and refusals shall be fully minuted. Unless otherwise stated, these should accord with those set out in the Agenda subject to the incorporation of any further conditions or reasons (or variations) thought to be necessary by the Head of Planning & Regeneration to give full effect to the Council's wishes about any particular application.

10. DEALING WITH APPLICATIONS SUBMITTED BY MEMBERS AND OFFICERS AND COUNCIL SERVICE AREAS

- 10.1 The submission of planning applications and/or development plan proposals by serving Members, Officers, or their close friends and relatives can easily give rise to suspicions of impropriety, including proposals for the Council's own development. The following points should be taken into account:

Members

- 10.2 Serving Members of the Council who act as agents for people pursuing planning matters shall not be Members of the Planning Committee.
- 10.3 Members should take no part in the processing of their own applications or those of their immediate family or close friends or anyone with whom the Member has a close personal association.
- 10.4 As soon as a planning application is received from a Member, the Head of Planning and Regeneration must inform the Council's Monitoring Officer, who will take such steps as are necessary to ensure that applications for dispensations from other Members of the Planning Committee are considered as soon as possible.
- 10.5 Members who are members of the Planning Committee should declare an interest in respect of applications prepared by them or on their behalf and leave the meeting while such applications are under consideration.
- 10.6 Applications of currently serving Members should not be dealt with under delegated powers and should be decided by the Planning Committee.

Officers

- 10.7 Serving Officers in the planning department should never act as agents for people pursuing a planning matter. If an officer in another department acts as such agent for people pursuing a planning matter, the matter cannot be dealt with under delegated powers and should be decided by the Planning Committee.
- 10.8 Officers should take no part in the processing of their own planning applications or those of their immediate family or close friends.
- 10.9 Applications for Planning Consents made to Redditch Borough Council by Officers currently working for either Bromsgrove District Council or Redditch Borough Council or their family members, whether or not directly employed by them and should be decided by the Planning Committee.

Developments by the Council

- 10.10 Planning applications made by Council Service Areas must be processed in accordance with existing policy and treated in the same way as a private application except that all such applications shall be considered by the Planning Committee and not determined under delegated powers.

Applications submitted by former Members and former employees

- 10.11 There has been some considerable concern about former employees setting up their own consultancies and providing planning advice in the Redditch Borough area and about the consideration of applications by or on behalf of former Members. Both circumstances occur from time to time and the guiding principles should be that:-
- (i) applications by former Members will be treated in the same way as any other application;
 - (ii) applications by former employees whether they are acting for themselves or an agent for others will be treated in exactly the same way as any other application.

Applications by Members of Political Associations

- 10.12 Where a planning application is made by someone who is not a Member, but is known to be a member of the same Political Association as some of the members of the Planning Committee, those Members will need to give consideration as to whether they should declare an interest when the application is considered.
- 10.13 In some cases, no declaration will be necessary, but in other cases the relationship between the parties may be close enough to warrant a declaration of interest. Councillors should have regard to the Councillors' Code of Conduct and should err on the side of safety.

CODE OF PRACTICE IN RELATION TO LICENSING MATTERS UNDER THE LICENSING ACT 2003 AND THE GAMBLING ACT 2005

1. Introduction

- 1.1 The Licensing Act 2003 and the Gambling Act 2005 gave local authorities responsibility for deciding on licences for regulated entertainment, and the use of premises for gambling activities.
- 1.2 Elected Members fulfil different roles: being a Ward councillor, representing their communities is one of them.
- 1.3 Members of the Licensing Committee constitute the Local Licensing Authority and are charged with discharging the licensing functions of the Council. This is a broad and strategic role, discharged within the statutory licensing framework.
- 1.4 When sitting on a Licensing Sub-Committee the role of the elected member is to balance the multiple needs and interests of the community, while prioritising the licensing objectives if the relevant Act as a member of the Local Licensing Authority.
- 1.5 Good decision making relies on ensuring that councillors act in a way that is lawful and is clearly seen to be fair, open and impartial.
- 1.6 This guidance should be read in conjunction with other parts of the Constitution, including the Member Code of Conduct and the procedure rules for meetings. It is intended to assist councillors to participate in any of these roles at Licensing Committee, without:
 - (a) opening up the local authority to accusations of pre-determination, bias or maladministration; or
 - (b) leaving themselves open to allegations under the Members' Code of Conduct.

2. Declaration of Interests

- 2.1 Members must always declare their interests in accordance with the Council's Code of Conduct. Whether they can participate and to what extent will depend on the nature of any interest, which will ideally need to be considered prior to a meeting or raised at the time with the Legal Advisor.
- 2.2 Each councillor is personally responsible for deciding whether s/he has an interest that should be declared and the extent to which they can or

can not participate in a meeting and should seek advice from the Monitoring Officer as soon as they can.

3. Improper Influence

- 3.1 Members are also reminded of their obligation under the Code of Conduct not to use their positions as members to confer on or secure for themselves any advantage or disadvantage. This means that Members should not use anything which is available to them as Members (but which is not available to members of the public), e.g. access to officers or other Council members, or access to papers, to influence the outcome of a licensing application. Should a Councillor have an interest in respect of an item before the Committee, they must observe the provisions of the Code of Conduct regarding their declaration of any such interest/s.
- 3.2 Each Councillor is personally responsible for deciding whether s/he has an interest that should be declared, although advice should be sought in advance from the Monitoring Officer, rather than having to have a discussion in the open forum at the meeting

4. Bias

- 4.1 Bias has been defined as an attitude of mind which prevents the [decision-maker] from making an objective determination of the issues that he has to resolve". The test for bias is 'whether a fair-minded and informed observer, having considered the facts would conclude that there was a real possibility of bias'. The appearance of bias is sufficient to result in 'procedural impropriety'

- 4.2 Predisposition and Predetermination: Localism Act 2011

The law on bias and predetermination (which is a particular form of bias) is part of the general legal obligation to act fairly. The Localism Act 2011 codified the case law on predisposition and predetermination that had developed in the preceding years. Decision makers are entitled to be **predisposed** to particular views as it is acknowledged that it is almost inevitable that councillors may form some kind of prior view about the merits of a particular proposal. However, **predetermination** occurs where someone closes their mind to any other possibility beyond that predisposition, with the effect that they are unable to apply their judgment fully and properly to the issue requiring a decision.

- 4.3 Even where a councillor may have expressed a view about a matter, provided they demonstrate that they have come to the Committee "with an open mind" and will listen to all the material presented at the Committee before deciding on how to exercise their vote, this is

acceptable. 'Predetermination' however, is not acceptable and would leave the decision open to challenge by Judicial Review.

- 4.4 It is each individual councillor's responsibility to consider whether their involvement with a particular matter / people / group, or their past comments or conduct before the decision-making stage, is such that it could give rise to a public perception that the councillor might not have an open mind. A councillor in this position will be judged on the objective test set out above – whether the reasonable onlooker with knowledge of the facts, would consider that s/he was biased. If in any doubt, early advice should be sought as to whether or not the councillor should be part of the decision-making process.
- 4.5 There will also be occasions when a Licensing Sub-Committee considers an application made by the Council itself, in respect of one of its buildings or a piece of its land. In such a situation, Members would not normally be excluded from the Sub-Committee in these circumstances as it would make the decision-making process unworkable, but any Member who has been a leading advocate for or against the application, or who is the Portfolio Holder responsible for the building or land concerned, should not sit on the Sub-Committee when such an application is considered. Applications made by the Council itself will always be referred to the Sub-Committee even where there are no representations, to minimise any potential appearance of bias on the part of the Council.

5. Lobbying of or by Councillors

- 5.1 The Licensing Act 2003 and the Gambling Act 2005 set out the grounds for making representations on licence applications and limits the parties which may make such representations. It should be borne in mind that one of the key aims of both pieces of legislation is to localise decision-making or 'democratise' the process and Members are therefore legitimately concerned with their locality and the needs/wishes of its constituents, including both the needs for entertainment facilities and employment, as well as the undesirability of crime and public nuisance.
- 5.2 Once a proposal is in the public domain, interested parties may seek to persuade Committee members, to either approve or refuse an application. Lobbying is a normal part of the political process, but unless care and common sense is exercised by all parties, lobbying can lead to the impartiality and integrity of a Committee member being called into question.

5.3 GUIDANCE

To avoid an appearance of bias the following rules should be adhered to:

- No Member sitting on the Licensing Sub-Committee can represent an applicant or another party. If s/he wishes to do so s/he must excuse him/herself from membership of the Sub-Committee which is considering the application and address the Sub-Committee as an Interested Party.
- If a Member who sits on the Licensing Sub-Committee is approached by persons wishing to lobby him/her as regards the licence application then that Member must politely explain that they cannot discuss the matter and refer the lobbyist to his/her Ward Member or the Licensing Officer who can explain the process of decision making. If the Member who sits on the Licensing Sub-Committee wishes to represent them then s/he will need to excuse him/herself from the Licensing Sub-Committee.
- Members who are part of the Licensing Sub-Committee must avoid expressing personal opinions prior to Licensing Sub-Committee decision. To do so will indicate that the Member has made up his/her mind before hearing all the evidence and that their decision may not be based upon the licensing objectives relating to each piece of legislation nor the Licensing Authority's policy statements.
- Political group meetings should never be used to decide how any Members on the Licensing Sub-Committee should vote. The view of the Ombudsman is that using political whips in this manner may well amount to findings of maladministration.
- Councillors must not be members of the Licensing Sub-Committee if they are involved in campaigning on the particular application.
- Other Members (i.e. those which do not sit on the Licensing Sub-Committee) need to be careful when discussing issues relating to matters which may come before the Licensing Sub-Committee Members as this can easily be viewed as bias or pressure and may well open that Sub-Committee Member to accusations of such. There is no prohibition on discussing such issues with Committee Members but members should avoid taking measures which might be viewed as excessive e.g. attempting to obtain a commitment as to how the Member might vote.

6. Pre-application / pre-decision discussions

- 6.1 Although all applicants will be advised that all pre-decision discussions should be addressed to the officers in the Council's Licensing Section, Members of the Licensing Committee or Sub-Committee may also be approached by applicants before the meeting at which the application is to be decided. In such circumstances, a member should inform the person making the approach that they are unable to discuss the matter with him/her prior to the meeting at which the application will be decided and that he/she should address any enquiries to the relevant officer.

7. Role of the Licensing Officer

- 7.1 Licensing Officers have no ability under the Licensing Act 2003 to make representations or to be a party to the hearing of an application by the Sub-Committee. In presenting applications to the Licensing Committee or Sub-Committee, the Licensing Officer will provide a summary report of the application, the representations, and his/her comments as to how these relate to the Licensing Act 2003, the Guidance and the local Licensing Policy Statement.
- 7.2 Decisions taken by officers, e.g. as to whether an application is vexatious or frivolous, will be fully recorded, together with the reasons for them.

8. Decision making

- 8.1 Reasons for decisions made by a Licensing Sub-Committee must be clearly documented in the Decision Notice, setting out clearly the rationale for the decision and also to ensure that any subsequent accusations of bias or predetermination. can be defended.

9. Site visits

- 9.1 A site visit will not normally be undertaken by members of a Licensing Sub-Committee in respect of premises licence applications unless for some particular reason members consider that it would be helpful to their consideration of the application
- 9.2 The site visit does not constitute a meeting of the Licensing Sub-Committee and members of a Sub-Committee must not discuss the merits of the application during the site visit, before or after the site visit or at any time until the Sub-Committee meets to consider the application. Members should leave each site with no collective view.

- 9.3 Since Members are attending a site merely to “see what is to be seen”; it is inappropriate to hear either the applicant or his representative. Similarly, it is inappropriate to hear anybody else who wishes to make representations such as the Ward Member or a Parish Councillor.
- 9.4 The Democratic Services Officer will report the site visit to the meeting of the Licensing Sub-Committee which considers the application.

10. Public speaking – Licensing Committee Meetings

- 10.1 Members of the public, and other interested parties, shall be entitled to participate in parent Licensing Committee meetings.
- 10.2 A person wishing to address the Licensing Committee must give notice to the Democratic Services Team of his or her intention to do so by 12 noon two working days before the day of the Licensing Committee meeting in question.

PROCEDURES FOR AUDITING THE COUNCIL

Local Authorities are subject to both internal and external audit.

1. Internal Audit

- 1.1. The requirement for an Internal Audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which requires that authorities “make arrangements for the proper administration of their financial affairs and shall secure that one of their Officers has responsibility for the administration of those affairs”
- 1.2. Regulation 6 of the Accounts and Audit Regulations 2006 more specifically requires that “a relevant body shall maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control”.
- 1.3. Internal audit can be defined as an “independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes”.
- 1.4. The Internal Audit function is provided under a service level agreement with Worcester City Council. The Service Manager of the Internal Audit function reports direct to the Council's Section 151 Officer and has a link to the Head of Finance and Resources. However, the Audit Services Manager can also report direct to the Chief Executive and the Audit Committee Chair, if required.

2. External Audit

- 2.1 The Council has a statutory responsibility to prepare the Financial Accounts for each financial year in accordance with relevant legislation and accounting practice. In addition there is a legal requirement to have the accounts audited by an External Auditor within a prescribed framework. As part of the abolition of the Audit Commission, the contract for the provision of this External Audit Service for Council has been awarded to Grant Thornton.

The new External Audit contract will be effective for the 2012/13 Audit.

External Audit are under a duty to satisfy themselves that:

- The Council's Annual Statement of Accounts is prepared in accordance with current legislation.
- Proper practice has been observed in the completion of the accounts.
- The Council has made proper arrangements for value for money.

- 2.3 The Head of Finance and Resources and the Executive Director of Finance and Resources (S.151 Officer) shall ensure that there is effective liaison between external and internal audit.

Redditch Borough Council**Protocol on Member Representation on Outside Bodies****1. ~~Introduction – Two Categories of Organisation~~**

1.1. The Council appoints or nominates Members to sit on a wide range of outside bodies and organisations. These appointments broadly fall into two categories:

(a) those where the Councillor is appointed to represent the views of this Authority and to speak on our behalf

e.g. The Local Government Association
Joint Local Authority Committees

(b) those where he/she is appointed because they are a Councillor but once appointed, their duty is as a member of that outside organisation rather than as a representative of the Council

e.g. Redditch Co-Operative Homes

1.2 As a general rule, an appointment is likely fall into the second of the above categories if the organisation concerned is a distinct legal entity (i.e. if it can sue and be sued in its own name). Such an entity can take many forms e.g.

- Company
- Industrial & Provident Society
- Public Authority

This second category would also include charitable trusts

2. Category (a) – the Representative Role

2.1 Very little needs to be said about appointments to bodies within category (a). The Councillor is there to represent the views of the Borough Council, to speak up for the Council's interests, and those of the Borough as a whole.

2.2 As a general rule, it is unlikely that Councillors will be at risk of personal liability as a result of being appointed to any of the category (a) organisations. The nature of those organisations is not such as to be likely to give rise to additional liabilities.

2.3 However, Councillors should bear in mind to take care how they approach conflicts of interest and declarations of those interests, and if in doubt to seek guidance.

3. Category (b) – The Director/Trustee/Board Member role

3.1 It is the appointment of Councillors to positions within Category (b) organisations which potentially cause most difficulty. The most important point to bear in mind is that although the Council makes the initial nomination/appointment, after appointment the Councillor holds office according to the constitution of that other organisation. Appendix A sets out some further guidance notes for Members acting as Directors. In practice, various issues arise of which the following are the most common:

3.1.1 Period of appointment and removal

- a) Once appointed, the Council can only remove a person from office if the constitution of the particular organisation gives the Council that power. The situation differs from organisation to organisation and it is therefore necessary for the Councillor to check the particular constitution, (or articles of association of a company, etc) of the organisation concerned.

3.1.2 To whom is the Councillor Responsible?

- a) In the case of category (b) organisations, once a Councillor accepts an appointment as a director, board member, trustee etc of that organisation then they take on all the responsibilities of that position and their duty *when acting as a director or trustee etc* is to that organisation, not to the Council. They must act in accordance with what they consider to be the best interests of that organisation and are not there as a representative on behalf of the Council.
- b) It would, for example, be a breach of their duty to an outside organisation to disclose confidential information about that organisation to the Council, even if it were relevant to something that the Council was discussing. This point about confidentiality applies both ways and it would be equally wrong to disclose confidential information belonging to the Council to an outside body.
- c) The duty towards the outside organisation only applies when the Councillor is acting in their capacity as a director/trustee/board member of that organisation. When at Council meetings or acting in a Councillor role, he/she must act in the best interests of the Council (subject to the above point about confidentiality). It is therefore very important that Members have a clear understanding of “which hat they are wearing” at any time.
- d) It may often be the case that a Councillor has been appointed to an outside body because he/she has a particular interest in the subject matter e.g. housing. In those circumstances it would not be unusual if the Councillor’s own views and those of the particular organisation

were closely aligned. Alternatively, a Councillor may have gained particular knowledge about a subject because of their involvement on another body. It is perfectly proper that the Councillor should express those views/use that special knowledge during Council debates *because they are his/her own views*. However, a Councillor should never be seen to use their position on the Council to act as an advocate on behalf of an outside organisation during Council debates, because that would be putting the other organisations interests ahead of the Council's. This applies regardless of whether or not they were appointed by the Council.

.1.3 Conflicts of Interest

- a) Where a director, trustee or member of an outside body has a conflict of interest because they are also a Councillor, then that interest must always be disclosed at any meeting of that outside organisation (this also applies where the person has an interest because of their personal circumstances). Whether or not he/she should continue to participate in that meeting will depend on the rules of that organisation: as a general guide, if there are no rules or procedures specified then he/she should abide by the same rules as apply at Council meetings.
- b) Where a matter under discussion at a Council meeting concerns another local authority or an outside organisation to which a Councillor has been appointed as the Council's representative, the Council's Code of Conduct says that this does not have to be declared as a *Disclosable* interest unless a Member of the Public, knowing the circumstances, would reasonably regard membership of the body concerned as being likely to prejudice the Councillor's judgment of what is in the public interest.

However, there may be circumstances where the conflict of interest would be so great as to make it impossible for the person to act both as a Councillor and a member of the other organisation – for example, in the case of negotiations involving confidential information on both sides. In that situation the person should declare an interest and take no part in the matter in one or other forum i.e. decide whether to act as a Councillor or as a director/trustee in relation to the particular matter but not both. Equally, it could never be right for a Councillor to participate in the determination of a planning application made by an outside organisation of which s/he was a director or board member, even though nominated by the Council.

- c) This advice in relation to potential conflicts of interest applies to both category (a) and (b) organisations.

3.2 Personal Liability

- 3.2.1 A Councillor who accepts appointment to a Category (b) outside body takes on a responsibility to act in accordance with the particular obligations and requirements applicable to that type of organisation, and so should ensure that they are fully understood. The Council's Legal Section will provide general guidance on these matters, but the outside organisation itself (or their advisors) is likely to be better placed to advise on the specific issues concerning that organisation. Appendix A contains some notes exploring the rights, duties and responsibilities of company directors.
- 3.2.2 Assuming that Councillor nominees to outside organisations understand and comply with the relevant legal obligations applicable to that type of organisation, Councillors are unlikely to incur personal liability as a result of their appointment.
- 3.2.3 In order to guard against personal liability, Councillors should:
- Make sure they understand the obligations and responsibilities they have taken on (see above);
 - Ensure that the organisation concerned is properly advised and managed;
 - Ensure that the organisation has appropriate insurance cover, including Directors' Liability insurance;
 - Make sure that the legal framework of the organisation is appropriate to the activities that it conducts e.g. it would be inadvisable for bare trustees to be undertaking significant trading activities;
 - Be diligent – attend Board meetings and make sure they know what is happening, and do not assume that legal formalities are being attended to by other people.

3.3 Indemnity

- 3.3.1 The question is sometimes raised as to whether the Council should indemnify Councillors against any personal liability as a result of being appointed as a member of an outside organisation. Whilst it is theoretically possible to give an indemnity to Councillors who are acting on the Council's behalf, the law is not ideally clear and a blanket approach is not appropriate
- a) In the majority of instances, the Council's involvement ends once the nomination has been made. Although appointed by the Council, the Councillor is not acting as the Council's representative because the Councillor's responsibility is to act in the best interests of the Company rather than the Council.
 - b) The Council cannot regulate how Councillors behave on outside bodies or what decisions are made by those bodies. Therefore the Council cannot accept responsibility for matters over which it has no control.
 - c) There is still some uncertainty as to the extent of any indemnities which could be given. The Council could not, for example, indemnify Councillors

against their own fraud or wilful misconduct. It could potentially cause greater problems and create a false sense of security to give indemnities which later proved to be invalid.

- d) In many instances the nature of the organisation's activities are low risk and an indemnity ought not to be necessary.
- e) Many of these issues are better addressed by the organisations themselves taking out appropriate insurance cover and ensuring they have proper management procedures in place.

4. Non-Council Appointments

- 4.1 A Councillor may seek membership of, or appointment to, a voluntary organisation in a private capacity as long as there is no conflict of interest with his position as a Member of the Council. The role and responsibilities of the Member will be governed by the organisation's constitution or governing document.
- 4.2 If a Councillor is appointed to a body in a personal capacity they will not be indemnified by the Council and need to be mindful that the Code of Conduct may still apply to them in certain circumstances.

5. Further Advice

- 5.1 For further advice about any matters covered in this protocol, please contact the Monitoring Officer, Principal Solicitor or Democratic Services Manager.

APPENDIX A

Guidance Notes for Members acting as Directors of Outside Bodies**Duties**

1. Members who are appointed as directors of outside bodies should note that when acting as a director, their prime duty is to that outside body. Members should therefore take careful note of which capacity they are acting in, at any given time.
2. A Director owes a fiduciary duty to the body to act honestly, in good faith, and in the best interests of the body as a whole. Directors are in the position of quasi-trustees who must take proper care of the assets of the body. The fiduciary duty of a director towards a body is very similar in nature to the fiduciary duty of a Councillor to Council Tax payers.
3. A Director owes a general duty of care and skill to the body, but no more than might reasonably be expected of someone of that person's particular knowledge and experience. A Director is not deemed to be an expert but is expected to use due diligence and to obtain expert advice if necessary.
4. In the same way as a Councillor in respect of Council decisions, a Director is under a duty to exercise independent judgment, although they may take account of third party interests which they represent. In such cases, a Director must disclose that position to the body and must strike a fine balance between the interests of the body and the interests of the third party (e.g. the Council). The Director cannot simply vote in accordance with a Council mandate since to do so would be a breach of duty.
5. The Director may encounter actual or potential situations where there is a conflict between the interests of the Council on the one hand, and those of the body on the other. In such circumstances the only proper manner to resolve the conflict is for the Member to resign from either the body or the Council.
6. Directors must not make a private profit from their position. They must disclose any interests they or their family have in relation to contracts entered into by the body. Whether they may vote on such matters will depend on the Articles or Constitution of that body.
7. Directors must ensure that they comply with the Companies Act in relation to keeping accounts, and making relevant returns to the Registrar of Companies. Failure to do so may incur fines and persistent default may lead to disqualification as a director.

Introduction

The Bribery Act 2010 came into force on 1st July 2011. The act makes it an offence for a United Kingdom citizen or resident to pay or receive a bribe, either directly or indirectly. The act applies to transactions that take place in the UK and abroad, and both in the public and private sectors.

Redditch District Council through myself and the Senior Management Team is determined to maintain its reputation as an authority which will not tolerate fraud, bribery, corruption or abuse of position for personal gain, wherever it may be found in any area of Council activity.

To achieve this goal the Council will work to identify and eliminate any form of bribery through the introduction of this anti-bribery policy and through a risk assessment process and ongoing monitoring and review.

Elected Members and employees should play a key role in anti-fraud initiatives. This includes providing a corporate framework within which anti-fraud arrangements can flourish, and the promotion of an anti-fraud culture across the whole Council. This should provide a sound defence against internal and external abuse of public funds.

Under the terms of this policy all employees and elected Members are prohibited from soliciting, arranging or accepting bribes intended for the benefit of the Council, or for their personal benefit, or for the benefit of the employee's family, associates or acquaintances. This Policy extends to all the Council's business dealings, transactions and decisions.

Through the 'Whistle Blowing Policy' employees are encouraged to report any suspicion of bribery, safe in the knowledge that they are able to report concerns in confidence and without risk of reprisal

Kevin Dicks
Chief Executive
Redditch Borough Council
November 2011

Policy Statement

Bribery is a criminal offence. The Council through its employees and elected Members does not, and will not, pay bribes or offer improper inducements to anyone for any purpose or, accept bribes or improper inducements. It is the Council's policy to conduct all business in an honest and ethical manner. The Council takes a zero-tolerance approach to bribery and corruption and is committed to acting professionally, fairly and with integrity in all business dealings and relationships. The Council will operate and enforce effective systems to counter bribery.

To use a third party as a conduit to channel bribes to others is a criminal offence. The Council does not, and will not, engage indirectly in or otherwise encourage bribery.

In this policy, **third party** means any individual or organisation we come into contact with during the course of our work. This includes actual and potential customers, suppliers, advisers, contractors, government and public bodies (including their advisers, representatives and officials), politicians and political parties. This list is not exhaustive.

This policy applies to all individuals, working at all levels and grades, including senior managers, officers, employees (whether permanent, fixed term or temporary), elected members (including independent Members), consultants, contractors, agents, trainees, seconded staff, casual and agency staff, volunteers, or any other person associated with the Council, wherever located.

This policy also applies to all of the Council's activities. For partners, joint ventures and suppliers, we will seek to promote the adoption of policies consistent with the principles set out in this document.

What is Bribery?

Bribery is an inducement or reward offered, promised or provided to gain personal, commercial, regulatory or contractual advantage.

It is unacceptable to:

- give, promise to give, or offer a payment, gift or hospitality with the expectation or hope that a business advantage will be received, or to reward a business advantage already given;
- give, promise to give, or offer a payment, gift or hospitality to a government official, agent or representative to "facilitate" or expedite a routine procedure;

- accept payment from a third party that you know or suspect that it is offered or provided with an expectation that a business advantage will be provided by the Council in return;
- retaliate against or threaten a person who has refused to commit a bribery offence or who has raised concerns under this policy;
- engage in activity in breach of this policy.

Objective of the Policy

This policy provides a coherent and consistent framework to enable Redditch Borough Council employees and elected Members to understand and implement arrangements enabling compliance. In conjunction with related policies and key documents it will also enable employees to identify and effectively report a potential breach.

Role of Employees

Employees are governed in their work by the various policies, protocols, codes, rules and procedures, particularly regarding conduct issues and are responsible for ensuring that they follow any instructions given to them by management, particularly in relation to the safekeeping of assets.

The Council requires that all staff, including those permanently employed, temporary agency staff and contractors:

- act honestly with integrity, at all times, and to safeguard the organisations resources for which they are responsible
- comply with the spirit, as well as the letter, of the laws and regulations of all jurisdictions in which the Council operates, in respect of the lawful and responsible conduct of activities
- read, understand and comply with this policy
- avoid any activity that may lead to, or suggest, a breach of this policy.

Any employee who breaches this policy will face disciplinary action, which could result in summary dismissal for gross misconduct. Disciplinary action will be taken in addition to, or instead of, criminal proceedings, depending on the circumstances of each individual case. The Council reserves the right to terminate its contractual relationship with other workers if they breach this policy.

Role of Elected Members

As elected representatives, all Members of the Council have a duty to the citizens of the Borough to protect the Council from any acts of fraud and bribery and ensure that resources are used prudently and within the law to safeguard public money, including ensuring they do not procure an advantage improperly. Elected Members are required to operate and adhere to the Council's Constitution, which incorporates a Code of Conduct for Members (Part 19 of the Constitution).

The Code includes rules regarding:

- The disclosure of relationships
- The declaration of gifts and hospitality
- Registering personal interests

Elected Members are also referred to the Code of Conduct for Councilors in relation to Gifts and Hospitality set out at Part 20 of the Constitution. This sets out the process that should be followed by elected Members when declaring gifts. See further below under "Record Keeping".

The Council's commitment to action

The Council commits to:

- setting out a clear anti-bribery policy and keeping it up to date;
- making all employees aware of their responsibilities under the terms of this policy;
- training all employees so that they can recognise and avoid the use of the bribery by themselves or others;
- encouraging employees to be vigilant and to report any suspicions of bribery, providing suitable lines of communication;
- ensuring that sensitive information is treated appropriately;
- rigorously investigating allegations of bribery, taking such cases to prosecution where relevant;
- assisting the Police or other authorities in more complex cases;
- taking action against any individual found to be involved in bribery;
- provide information to all employees to report breaches and suspected breaches of this policy;
- include appropriate clauses in contracts to prevent bribery.

Facilitation Payments

These are illegal, and will not be tolerated. Facilitation payments are unofficial payments made to public officials in order to secure or expedite actions.

Gifts and Hospitality

The Council's policy on gifts and hospitality for staff is found within the Officers' Code of Conduct. A copy is included in the Council's Constitution and is available on the Council's website and Intranet – 'Orb' *[insert link]*

The Officer's Code of Conduct makes it clear that one should not accept significant personal gifts from contractors and service providers such as food, drink, cars, clothes and jewellery.

Inexpensive calendars, diaries, blotting pads, pens etc (perhaps marked with the donor's name) are acceptable. If in any doubt about whether you should accept a gift, it is best to refuse it.

However, staff are prohibited from accepting a gift, or giving a gift to a third party if the following requirements are met:

- it is made with the intention of influencing a third party to obtain or retain business or a business advantage, or to reward the provision or retention of business or a business advantage, or in explicit or implicit exchange for favours or benefits;
- it is given in the Council's name, not the individuals;
- it includes cash or a cash equivalent (such as gift certificates or vouchers);
- if it is inappropriate for the circumstances;
- if the gift received is an inappropriate type and value, and given at an inappropriate time;
- it is given secretly and not openly;
- gifts should not be offered to, or accepted from, government officials or representatives, or politicians or political parties, without the prior approval of the relevant Head of Service.

Public Contracts and failure to prevent bribery

Under the Public Contract Regulations 2006 (which gives effect to EU law in the UK) a company is automatically and perpetually debarred from competing for public contracts where it is convicted of a corruption offence. There are no plans to amend the 2006 Regulations for this to include the crime of failure to prevent bribery. Organisations that are convicted of failing to prevent bribery are not automatically barred from participating in tenders for public contracts. However, the Council has the discretion to exclude organisations convicted of this offence.

Record Keeping

We must keep records and have appropriate internal controls in place which will evidence the business reasons for:-

- Receiving or declining gifts and hospitality which are offered to staff or elected Members;
- Providing gifts or hospitality on behalf of the Council to third parties.

Staff must ensure that any gift or hospitality for employees that is accepted, offered or refused, should be recorded in the Corporate Gift and Hospitality Register. The Register is held centrally by the Information Management Team.

Any gifts or hospitality received by elected Members must be reported to the Council's Monitoring Officer in accordance with Part 20 of the Constitution (Members' Code of Conduct on Gifts and Hospitality)

How to raise a concern

All elected Members and employees have a responsibility to help detect, prevent and report instances of bribery. If you have a concern, **please speak up** – your information and assistance will help. The sooner you act, the sooner it can be resolved.

Staff

In line with the reporting provisions of the Whistle blowing Policy, if staff believe or suspect that a conflict with this policy has occurred, or may occur in the future **but feel unable to report the matter to their Line Manager or Director, or have raised the matter in this way without success**, they should contact either the Chief Executive, the Monitoring Officer, Human Resources Manager, the Benefits Fraud Manager or the Audit Service.

Staff who do not have access to the intranet can contact any of these parties either in person or by telephone in the first instance.

Members

Members should contact either the Chief Executive, the Monitoring Officer, Human Resources Manager, the Benefits Fraud Manager or the Audit Service.

Preferably any disclosure will be made and resolved internally. However, where this proves inappropriate and you are not happy to speak to someone internally, concerns can be raised externally. Raising concerns in these ways may be more likely to be considered reasonable than making disclosures publicly (for instance, to the media),

Concerns can be anonymous. The Council will act as soon as possible to evaluate the situation. It is however, easier and quicker to evaluate allegations if they are not made anonymously, particularly where it is necessary to get clarification on the allegation made.

Bribery Act Offences

There are four key offences under the Act:

- bribing of another person (Section 1)
- accepting a bribe (Section 2)
- bribing a foreign official (Section 6)
- failing to prevent bribery (Section 7).

Section 7 is a corporate offence but an organisation will have a defence to this offence if it can show that it had in place 'adequate procedures' designed to prevent bribery by or of persons associated with the organisation.

Bribery Act Penalties

An individual guilty of an offence under sections 1, 2 or 6 is liable:

- on conviction in a magistrates court, to imprisonment for a maximum term of 12 months, or to a fine not exceeding £5000, or to both;
- on conviction in a crown court, to imprisonment for a maximum term of ten years, or to an unlimited fine, or both.

Organisations, if found guilty of an offence under section 7 are liable to an unlimited fine.

End.
