There were no update reports.

## 78. 26/00188/FUL - OLD STICKY WICKET , 6 MATCHBOROUGH WAY, REDDITCH, WORCESTERSHIRE, B98 0EP

The application was being reported to the Planning Committee because Redditch Borough Council had an interest in the land as freeholder. As such, the application fell outside the scheme of delegation to Officers.

Officers presented the report and in doing so, drew Members' attention to the presentation slides on pages 5 to 10 of the Site Plans and Presentations pack.

The application was for the retrospective approval for the siting of an InPost Parcel Locker at the Old Sticky Wicket, 6 Matchborough Way, Redditch, B98 0EP.

Officers detailed that InPost parcel lockers were a self-service parcel drop off and collection point which Members of the public could use. The locker would be accessible 24 hours a day and considering the nature of the site, it was deemed the location and use were acceptable.

Officers drew Members' attention to page 10 of the Public Reports pack and clarified that as a retrospective application; the images were of the current location. It was further clarified that the InPost parcel locker was separated into two units due to the alcoves. However, it would perform the identically to other similar units.

The locker would be equipped with external metal clad downlights to facilitate self-lighting and a metal canopy which incorporated an integrated camera for security purposes. No objections were received from any consultee.

Officers clarified that they were not aware for the reason why planning permission was not originally sought, however they could confirm that it had been in position for 3 or 4 years.

Although Members were displeased with the retrospective nature of the application, they found no material planning reason to object, therefore, on being put to the vote it was:

### **RESOLVED that**

**having had regard to the development plan and all other material considerations, DELEGATED POWERS be granted to**

the Assistant Director of Planning, Leisure, and Cultural Services, to GRANT Planning Permission on the 21st of April, subject to no objections being received which raise material considerations not already considered as part of the Officer's report, and subject to the conditions as detailed on page 15 of the Public Reports pack.
