# Declaration of Interests: Guidance for Councillors

---

DO I HAVE A "PERSONAL INTEREST" ?

- Where the item relates or is likely to affect your **registered interests** (what you have declared on the formal Register of Interests)

**OR**

- Where a decision in relation to the item might reasonably be regarded as affecting **your own** well-being or financial position, or that of your **family**, or your **close associates** more than most other people affected by the issue,

you have a personal interest.

WHAT MUST I DO? **Declare the existence, and nature, of your interest and stay**

- The declaration must relate to specific business being decided - a general scattergun approach is not needed
- **Exception** - where interest arises only because of your membership of another **public body**, there is no need to declare unless you **speak** on the matter.
- You **can vote** on the matter.

IS IT A "PREJUDICIAL INTEREST" ?

In general only if:-

- It is a personal interest **and**
- The item affects your **financial position** (or conveys other benefits), or the position of your **family, close associates** or bodies through which you have a **registered interest** (or relates to the exercise of **regulatory functions** in relation to these groups)

**and**

- A member of public, with knowledge of the relevant facts, would reasonably believe the interest was likely to **prejudice** your judgement of the public interest.

WHAT MUST I DO? **Declare and Withdraw**

BUT you may make representations to the meeting before withdrawing, **if** the public have similar rights (such as the right to speak at Planning Committee).
