This Plan gives details of items on which key decisions are likely to be taken by the Borough Council's Executive Committee, or full Council, in the coming four months.

“Key Decisions” are defined as:

- i) to result in any variation to the approved Budget (capital and revenue) and Policy Framework for any service or function which requires the approval of the Council; or**
- ii) to result in expenditure or savings amounting in total to £50,000 or more.**

(The above shall not apply in those cases where the Council or the Executive Committee have delegated authority to Officers to make decisions resulting in expenditure amounting to £50,000 or more under the terms of the delegation); OR

(b) ones which are likely to be significant in terms of their effects on a community or communities living or working in an area comprising one or more wards in the area of the Council even where there may not be any financial implications.

(In considering whether a decision is likely to be significant, the decision-maker will need to consider the strategic nature of the decision and whether the outcome will have an impact, for better or worse, on the amenity of the community or quality of the service provided by the Council to significant number of people living or working in the locality affected).
