To,

The Chair of the Licensing Committee, Redditch,

Regarding the placing of pay and display parking spaces on Unicorn Hill for the general public, We believe strongly that this has not been thought through. The main reasons for this are as follows:

1. There are already empty car parking spaces in the multi-story car parks.
2. There is a **new** short stay pay and display car park on Bates Hill, that is empty most of the time.
3. There is short stay parking on Bates Hill for more than twenty cars which is free.
4. If more parking spaces are need we believe that the single yellow line outside the Royal Enfield could be removed?
5. Unicorn Hill Rank is already one of the busiest ranks in the town so reducing spaces would affect the travelling public.
6. We also believe that the Rank attracts foot fall to Unicorn Hill, as the public request to be dropped off there and get picked up from there.
7. Unicorn Hill Rank is already stretched for taxi parking spaces and we believe that this would put an extra burden on the taxi drivers who use the rank.

We hope that this letter and the attached partition by the taxi drivers who use Unicorn Hill Rank on a daily bias. Will help the respected members of the Licensing committee make the right decision.
