R.E. Alcohol Lic for 17 Flyford Close.

Dear Sir or Madam,

I am objecting to the above application upon the grounds of ^①Crime and Disorder. When the shop was opened last, residents were having the windows put through by drunken youths. ^②Public Nuisance in the fact that residents wished youths to be quiet and being abused or terrified to say anything. ^③Public Safety - gang or teenager drinking in the local area and people not feeling safe in their homes. ^④Protection of Children from harm in the fact that young children mixing with drunken youths in the evening.

Yours faithfully

Mr Andrew Fry
