Dear Sir

I wish to object to the proposal to grant an alcohol license to the premises at 209 Mount Pleasant, Southcrest.

This is still primarily a residential area, and although there have always been business premises located here; they have always closed in the evenings and on Sundays.

I am concerned that the sale of alcohol will attract anti social behaviour, particularly at night, and being an elderly resident, I do not want to feel unsafe in my own home, and vicinity. Also there are young families nearby, and there are already a number of off licences, pubs and clubs in the area.

There is also the ever present problem of parking, with cars frequently parked on double yellow lines in front of the shops, making it difficult for buses, refuse collectors etc.

If an alcohol licence has to be granted then it should be restricted to 6.00pm at the latest.

Yours faithfully

Emily Lane
