1. SUMMARY OF PROPOSALS

This report provides an update on recommendations made through the scrutiny process which have not yet been implemented. This quarterly monitoring approach was introduced in 2013/14.

2. RECOMMENDATIONS

**The Committee is asked to RESOLVE that
the report be noted.**

3. KEY ISSUES

Background

- 3.1 At its meeting of 4th June 2013, the Committee considered a monitoring report on action that had been taken to implement scrutiny recommendations that were approved during 2012/13. Following a suggestion from the Chair, it was subsequently agreed that the Committee alter its approach to monitoring approved recommendations.
- 3.2 Rather than receive monitoring update reports every six months on all approved recommendations, Members agreed instead to focus on recommendations that had yet to be implemented. Monitoring update reports on the Committee's outstanding recommendations would be considered on a quarterly basis.
- 3.3 Members requested that the details of all recommendations already acted upon should be published on the Overview and Scrutiny section of the Borough Council's website to highlight the positive difference that the Committee was making.
- 3.4 In accordance with this new approach, Appendix 1 lists the Committee's approved recommendations that have yet to be implemented.
- 3.5 The Committee will be aware that there are some recommendations where it would be reasonable for Officers to require further time to implement the

recommendations. For example, Officers would require some time to implement recommendations made at a recent meeting of the Committee. Appendix 2 details the recommendations that are pending and require further time before being implemented.
