

Overview and Scrutiny Recommendations Tracker
Recommendations made directly by the Overview and Scrutiny Committee 2012/13

<p>Access for Disabled People Task Group (<i>considered by the Executive Committee on 21/08/12</i>)</p> <p>Two of the ten recommendations that were approved remain to be implemented.</p>	
<p><u>Recommendation 1a</u>: the contents of this map (<i>of disabled parking spaces in the town centre</i>) should be reviewed every twelve months to ensure that the information remains accurate.</p>	<p>The Access for Disabled People Task Group's recommendations were approved by the Executive Committee in August 2012.</p> <p><u>Expected to be completed – September 2013</u></p>
<p><u>Recommendation 6</u>: a disability awareness session should be delivered as part of the Member Development Programme at Redditch Borough Council.</p>	<p>The Executive Committee agreed on 11th June 2013 that disability awareness training should be delivered to elected Members as part of the induction process for new Councillors. The training is therefore not due to be delivered until May 2014, following the next local Council elections.</p>
<p>Dial a Ride Extended Service – Feasibility Study (<i>considered by the Executive Committee on 16/10/12</i>)</p> <p>All four recommendations were approved</p>	
<p><u>Recommendation 4</u>: subject to the extended Dial a Ride</p>	<p>The extension of the service was implemented in early 2013.</p>

<p>scheme being approved, the Overview and Scrutiny Committee receive a monitoring update report on the subject 12 months after the scheme's introduction.</p>	<p>A monitoring update report is scheduled to be presented for the consideration of the Overview and Scrutiny Committee on 4th March 2014.</p>
<p style="text-align: center;">Concessionary Rents <i>(considered by the Executive Committee on 18/12/12)</i></p> <p>There were ten recommendations. The first three were APPROVED, subject to rewording of recommendation 1.</p>	
<p><u>Recommendations 1</u>: the Draft Policy attached at Appendix 1 to the report be approved, and implemented with immediate effect for new tenancies, subject to the further recommendations from the Overview and Scrutiny Committee being approved.</p> <p><u>Recommendation 2</u>: transitional arrangements be introduced with effect from 1st April 2013 to allow the policy to be fully implemented over a three year period taking into account the terms of existing leases.</p> <p><u>Recommendation 3</u>: authority be delegated to the Head of Finance and Resources in conjunction with the Council's Voluntary Sector Grants Co-ordinator to approve concessionary rents/rent relief in line with the draft policy attached at Appendix 1 to the report.</p>	<p>For the following seven recommendations the Executive Committee identified a disconnect between the Overview and Scrutiny proposals and the final report from Officers on the subject of Concessionary Rents (for reasons beyond the control of the Task Group). It was on this basis that the Executive Committee didn't feel it appropriate to adopt the recommendations. The Portfolio Holder was tasked with seeing whether there was anything within the recommendations that might be usefully taken on board. However, no points have been identified in this manner to date. Therefore these final seven recommendations should be regarded as having been REJECTED.</p> <p>The Concessionary Rents Policy is now being reviewed. It is unlikely that a decision will be taken to implement these recommendations until that review has been completed.</p>

Housing Density Targets Task Review
(considered by the Executive on 9th July 2013)

There was one recommendation within the final report:

Recommendation: Policy 5 of the emerging Draft Borough of Redditch Local Plan No. 4 be revised as per Appendix 1 (to the report) to incorporate the following headline points:

a) all new housing developments within the Borough on sites less than 0.16 hectares should be exempt from the Council's housing density requirements;

b) all new self-build housing developments on sites larger than 0.16 hectares within the Borough should meet a minimum housing density requirement of 15 dwellings per hectare; and that

c) all new bungalow developments within the Borough on sites larger than 0.16 hectares should meet a minimum density requirement of 15 dwellings per hectare.

At its meeting on 9th July 2013, the Executive Committee resolved that:

Planning Officers be tasked with developing an amended form of words for Policy 5 of the emerging Draft Borough of Redditch Local Plan No. 4 which would ensure an appropriate level of flexibility in housing density requirements, to be submitted for consideration at a future meeting of the Planning Advisory Panel.

The wording to Policy 5 was subsequently amended following the meeting of the Planning Advisory Panel on 20th August 2013 to reflect this.
