## Assessment of Proposal

The NPPF requires that applications for advertisement consent are considered on the basis of the impact of the proposed signage on highway safety and public amenity.

### Highway safety

No objections have been raised by highways in relation to this proposal. It is not considered that the signs proposed would have any harmful effects on users of the adjacent highway network.

### Public amenity

The proposed signage is considered to be of a size and height that would be appropriate for its location, such that it would not appear out of character or visually intrusive in the street scene.

### Conclusion

It is concluded that the proposed signage would comply with the national and local planning policy framework and is therefore acceptable.

## Recommendation

**That having regard to the development plan and to all other material considerations, advertisement consent be GRANTED subject to conditions and informatives as summarised below:**

- 1-5 Standard advert conditions
- 6 As per plans submitted

### Informatives

None required in this case

## **Procedural matters**

Applications submitted by the Borough Council are automatically reported to the Planning Committee for determination for transparency.
