Dear Sir/ Madam

**Redditch Borough Council response to Greater Birmingham and Solihull Local Enterprise Partnership Spatial Plan for Recovery and Growth Consultation Draft (September 2013)**

Redditch Borough Council would like to support the emerging Spatial Plan for Recovery and Growth. The Borough Council notes that further work is currently being completed regarding the scale of growth required for Birmingham and understands this work will need to inform the emerging plan. This work will also inform the options available for dealing with this growth. Therefore at this stage no response can be provided on the best approach for dealing with the growth until more information regarding the scale of growth is known. Notwithstanding this at this point the Borough Council endorses the contents of the emerging plan and wishes to see it continue to formal approval.

Kind regards

Bill Hartnett  
Leader of the Council
