9) No development shall be carried out until a construction management plan has been submitted and approved by the local authority. Development to proceed in accordance with the agreed plan.

88. PLANNING APPLICATION 2014/369/FUL – IPSLEY COURT, BERRINGTON CLOSE, IPSLEY, REDDITCH, B98 OTJ

Proposed two-storey building to contain four no. apartments (Plots 41, 42, 43 and 44).

Applicant: Mr Barney McElholm

The following people addressed the Committee under the Council's public speaking rules:

Mr Stephen Williams – objector Mrs Sue Nicholls – objector Mrs Evelyn Coke – objector Councillor Juliet Brunner – Ward Member Mr Barney McElholm – Applicant

RESOLVED that

having regard to the Development Plan and to all other material considerations, Planning Permission be REFUSED, for the following reasons:

- 1) The design and visual impact of the proposed building that would result from its size and location would appear incongruous and out of character in the streetscene. The lack of private amenity space to serve the proposed residents would result in an unacceptable lack of residential facilities which would compromise their residential amenity. As such the proposal is considered to be contrary to Policies CS2 and B(BE)13 of the Borough of Redditch Local Plan No.3 and Policies 5, 39 and 40 of the emerging Borough of Redditch Local Plan No.4 and SPG Encouraging Good Design.
- 2) The impact of additional parking requirements and the loss of existing parking provision resulting from the proposal raises concerns about the displacement of parking in the area on to the highway, contrary to the objectives of Policies CT12 of the Borough of Redditch Local Plan No.3 and Policy 20 of the emerging Borough of Redditch Local Plan No.4.

(The Committee noted a further representation of objection as detailed in the published Update Report, copies of which were provided to Members and the public gallery prior to commencement of the meeting.

Members expressed concerns that the proposed design and siting of the development would be out of character for the area and would have a visual impact on the street scene and wider area. Concerns were also expressed that the proposed development provided insufficient parking. Officers clarified that, in terms of the cumulative parking requirements for the wider site, sufficient parking would be provided for the existing development and the proposed new development in line with parking standards requirements.

Having considered all of the information provided, members were still of the view that the design of the proposed development was out of character and would have a visual impact on the street scene. Members also considered that the additional parking required for the development would have a cumulative impact on parking provision in the wider area with the potential for the displacement of vehicles onto the highway. Members were therefore minded to refuse the Application for the reasons stated in the resolution above.)

89. PLANNING APPLICATION 2015/035/RM – LAND OPPOSITE THE FOXLYDIATE, BIRCHFIELD ROAD, WEBHEATH, REDDITCH

(Members noted various amendments that had been received from the Applicant following further discussions with Officers, all as detailed in the published Update Report, copies of which had been provided to Committee Members and the public gallery prior to commencement of the meeting. Members attention was also drawn to the corrected site plan that had been tabled at the meeting.

In light of receipt of acceptable amendments to the Layout Plan, the Committee was asked to note Officer's amended Recommendation to grant Planning Permission, as detailed in the Resolution above.)
