

Scheme for the establishment of a Combined Authority for the West Midlands

Introduction - Engagement with the three Local Enterprise Partnerships (“LEPs”) and the wider business community

The establishment of a Combined Authority represents a major opportunity to have a strong, shared voice for the region and to make a step change in our collective efforts to drive the economic prosperity of the area. Effective engagement with the LEPs and the wider business community is critical to the delivery of this ambition.

The relationship between the LEPs and the Combined Authority will be seamless and will engage the wider business community, ensuring that all partners play to their strengths in contributing to a wider ambition for more and better jobs.

The Leaders of the seven constituent authorities are members of the LEPs and the Chair of the LEPs will have non-constituent status in respect of the Combined Authority.

A shared economic strategy will be developed and agreed. This will build on the findings of the economic evidence commissioned to support the establishment of the Combined Authority.

Investment decisions taken by the Combined Authority will reflect business views. These views, both in terms of shaping prioritisation and scheme design will ensure that public investment is targeted to maximise business benefit, which is key to economic growth.

The Combined Authority and the LEPs will ensure that executive and staff resources are used in the most effective way to deliver the shared economic strategy. Underpinned by the principle that all communities benefit, but not at the same time and not in the same way. The Combined Authority would seek to achieve this by using objective means by which to assess interventions, or the design of interventions, so that these are aligned to our balanced economic outcomes for the West Midlands Combined Authority area.

Alternative options are:

- a simple majority
- A simple majority with identified matters 2/3 (as listed)
- A simple majority with identified matters unanimous
- A simple majority with identified matters 2/3 and a select few

Comment [RR4]:

This number will depend on how many non constituent members are named in the scheme: constituents must be the majority of members.*

*This may not be required in the scheme dependant on how many non-constituents join in October
*There are on-going discussions with DCLG to understand the scope for changing this

Executive Arrangements

18. Executive arrangements (within the meaning of the Local Government Act 2000) shall not apply to the Combined Authority. However, the discharge of the functions of the Combined Authority will be subject to scrutiny arrangements set out in paragraph 21 and 22 below.

27. The related interventions will have differential spatial impacts across the Combined Authority area - Underpinned by the principle that all communities benefit, but not at the same time and not in the same way. The Combined Authority would seek to achieve this by using objective means by which to assess interventions, or the design of interventions, so that these are aligned to our balanced economic outcomes for the West Midlands Combined Authority area.

By virtue of sections 99 and 102A of the Local Transport Act 2008 (LTA) the Combined Authority will have broad well-being powers to promote economic growth which can be exercised in conjunction with the general powers granted to it by section 113A of the LDEDCA (as amended by the Localism Act 2011).
