1. SUMMARY OF PROPOSALS

To report to the Committee the monitoring of the savings for 2016/17. This report includes the delivery of savings and additional income for the period April 2016 – June 2016.

2. RECOMMENDATIONS

That the Committee note the final financial position for savings as presented in the report for the period April 2016 – June 2016.

3. KEY ISSUES

- 3.1 This report provides a statement to show the savings for April 2016 – June 2016 for each strategic purpose and the delivery of the saving for the financial year. This report is separate to the main financial monitoring report that is presented to Executive as it focuses on the delivery of savings rather than the overall financial position of the Council. For 2016/17 this report also presents other savings and additional income that have been generated across the Council.
- 3.2 The External Auditors, Grant Thornton, have recommended that the delivery of savings be monitored more closely to ensure that the Council is meeting savings in the way that was expected when the budget was set. This monitoring is recommended to be undertaken by this Committee and the statement attached at Appendix 1 details the savings to be achieved and the current financial position of each area.
- 3.3 As members may be aware during the budget process, heads of service propose savings that are to be delivered during future financial years. The budget allocation is then reduced to reflect the proposed saving and officers meet on a monthly basis to ensure that all estimated reductions to budget are being delivered.
- 3.4 Appendix 1 shows that for April 2016 – June 2016 savings to budgets have been delivered. In addition further savings / additional income are shown that were not included in the original budget projections.
