

## SCHEMES WHERE LIFT INSTALLATION IS NOT FEASIBLE

Within the remainder of the portfolio of designated older persons' housing at above ground floor level, no lift, even where installation was feasible, would serve more than four dwellings, which is considered to be below a viable level.

Scheme	Description	Number of lifts	Lift to dwelling ratio
Chiltern House, Matchborough E.	35 no. flats in 6 conjoined 'blocks'. No real space for lift	6	1:4
Bentley Close, Southcrest	42 no. flats in 7 blocks of 6	7	1:3
Bredon House Woodrow	25 no. flats in 3 blocks of 8, 2 blocks inaccessible	1	1:4
Evesham Road Headless Cross	34 no. flats. 6 flats in 2 blocks of 6 flats each would be accessible for lift. Others are single access or isolated.	2	1:3
Gorsey Close Astwood Bank	7 no. flats in 1 blocks of 7	1	1:4
Keats House Headless Cross	20 no. flats in 5 blocks of 4. Access very difficult	5	1:2
