The following themes have been suggested by Members of the Overview and Scrutiny Committee. Questions relating to these themes will be posed to Councillor MacMillan, Portfolio Holder for Planning, Economic Development and Transport at the Overview and Scrutiny Committee meeting on Wednesday 2nd September 2009.

- 1. Do you think that as the Planning Authority the Council should influence and encourage private developers to build new developments to certain design standards, especially with regards to room sizes and environmental features?**
- 2. The Town Centre Strategy appears to be very good, however, considering the current fiscal constraints, is it realistic, deliverable and achievable?**
- 3. Not in Employment, Education or Training (NEETs) – how do you see the Council working in partnership with other agencies to tackle this issue?**
- 4. What do you think is the future of the Business Centres?**
- 5. Can you provide any further information regarding timescales for the implementation of the Smartcard scheme and the installation of real time information boards at bus stops?**
