Introduction

Employees of Redditch Borough Council are our most valuable asset. Human Resources (HR) Management and Organisation Development (OD) makes a key contribution towards the strategic direction of the Council, Council Plan and Council Approach.

This HR and OD strategy sets out the approach that Redditch Borough Council is going to take to ensure that we have employees with the right skills, in the right place, at the right time to enable the organisation to deliver our Strategic Purposes. To enable the authority to move forward and to continue to deliver services in the most effective way, it is essential that we continue to review and develop the way the organisation operates. This includes:

- ensuring that we have an appropriate organisation culture (“the way we do things around here”);
- better use of resources aligned to business needs;
- shared services structures which facilitate more flexible working;
- all underpinned by a focus on the wellbeing of our employees.

This corporate strategy should be read in conjunction with the Council Plan.
