Committee

Thursday, 21 September 2017

RESOLVED that

the minutes of the meeting of the Audit, Governance and Standards Committee held on 6th July 2017 be confirmed as a correct record and signed by the Chair.

69. MONITORING OFFICER'S REPORT - STANDARDS REGIME

Members received a report from the Monitoring Officer outlining the current position in relation to standards regime matters.

Officers confirmed that no new complaints had been received since the last meeting of the Committee. The two ongoing Member to Member complaints had been resolved locally in agreement with the political group leaders. Officers stated that there had been very positive input from the Members involved, and that social media training would be provided for Members as a result of the complaints.

As previously advised, Officers confirmed that Members should speak with their group leader regarding any requests for training, which would then be considered by the Member Development Steering Group.

RESOLVED that

the report of the Monitoring Officer be noted.

70. AUDITED STATEMENT OF ACCOUNTS 2016/17

The Committee was asked to approve (it having the power to so approve and not necessitating a recommendation to Council as stated in the report) the Council's Statement of Accounts for 2016/17.

The Chair referred to the Statement of Accounts Briefing which Officers had conducted for Members the previous week, which it was noted should have answered most questions that Members might have on the accounts. Members stated that the Briefing had been very helpful and informative and thanked Officers for this.

Officers provided an overview of the key statements. No changes had been made to the General Fund, which Officers were very pleased about, and there was a positive picture in relation to reserves and funds overall. Officers explained the positions with the Movement in Reserves Statement, Housing Revenue Account

and Capital Receipts. There was a significant profit on the Council's expenditure as the housing stock valuation had increased during the year. Officers also explained the Council's long term liability on the pension deficit, which had increased by £8m in a year, for which Members were advised there was a 19 year plan to reduce this to zero.

RESOLVED that

the 2016/17 Statement of Accounts be approved.

71. INTERNAL AUDIT PROGRESS REPORT

The Committee received the Internal Audit progress report which presented Members with progress on Internal Audit work for 2017/18. The Worcestershire Internal Audit Shared Services (WAISS) Manager presented the report and responded to Members' questions.

Members noted that all of the audit reports issued/completed since the previous update report had resulted in assurance levels of moderate or above. A number of other audits were currently ongoing, the assurance levels for which would be reported on at the next meeting. There were a number of medium priority recommendations arising from the 2017/18 audits, for which details of the Management Responses and agreed Action Plans were set out in the report. There were no high recommendations arising.

Following concerns previously raised by the Committee in relation to the lengthy/ongoing planned follows ups for the CCTV, Consultancy and Agency and Allotments audits, the relevant Heads of Service were in attendance and advised Members on the respective positions with these.

Officers explained the CCTV access rights issue and the required Team Leader authorisation which led to delays in the production of some data files. Members were advised that the issue could not be resolved at present, and that to mitigate any risk all staff within the department had received data protection training. Officers stated that they could look at the staffing issue as part of the Council's commercialisation and income generation agenda. In light of the cost implications associated with available software to address the issue, Officers agreed to speak with the internal auditors to see whether any paper copy alternatives could be introduced, bearing in mind any associated risk factors. Officers agreed to report back on the position with this at the next meeting.

Regarding Consultancy and Agency, Members were provided with an update on the ongoing review of the current Matrix system (used for procuring consultancy and agency staff), and the contract for this. The internal review included involvement from Human Resources, Finance and Procurement Officers. The existing contract with Matrix was due to expire in December 2017. The option of extending the contract for a further six months in order to conclude the internal review and allow time to undertake any procurement exercise that might be required was being looked into. Whilst the review was ongoing it was recognised that the Matrix contract was in place and working, and that as such that any risk to the authority was low.

In relation to Allotments, Officers advised that the majority of the required actions had now been completed. The only outstanding area related to a change in water charges, with the Council aiming to fully cover its water costs and which it was hoped would be concluded within the next couple of months.

Officers advised that any significant delays in agreed follow up actions would, in future, be taken to the Senior Management Team to ensure that actions were being carried out as soon as possible, or that where other factors impacted on this the position be reviewed as early as possible to agree any alternative course of action that might be needed. The WIASS Manager confirmed that Internal Audit appreciated that the position in relation to recommendations and agreed actions could change following audits, and in between planned follow ups. This meant that some recommendations could become surplus to requirements, or that adjustments to agreed actions might be needed. In such circumstances if Officers and Internal Audit could come up with solutions then they would do so. Mr Jones stated that such control processes should be in place, and that any planned follow ups that could be avoided should be.

The Chair thanked Officers for attending and stated that she hoped the Committee's frustrations with ongoing follow ups were understood, and requested that Officers aim to complete outstanding actions as promptly as circumstances would allow.

RESOLVED that

the report and updates provided by Officers be noted.

72. COMPLIANCE TEAM UPDATE

Members received an update report on the work of the Compliance Team following the transfer of benefits fraud to the Department for Work and Pensions ('DWP') Single Fraud Investigation Service in February 2016. This was the second such report to Committee, the first having been considered by Members in February 2017.

Officers presented the report and responded to Members' questions in this regard.

The additional 10% income which was being awarded to the Council by the County Council (the other major preceptor), as a result of the proactive work being undertaken by Officers in relation to Housing Benefit and Council Tax Support, was noted. Members also noted the higher than anticipated Business Rates figure of £500k and the 3-month backlog at the Valuation Office, further details of which Officers would report on in the next report.

Officers referred to a request from Members in February regarding whether it was possible for details of actual monies recovered and agreed repayment timescales to be included in future reports. Officers advised that they had looked into this and that it was difficult to provide such information. It was noted that the Council Tax collection rate for 2016/17 stood at 96%. As recoveries were dealt with by the Revenues and Benefits Team as a whole it was not possible to say what proportion of the recoveries were directly attributable to the Compliance Team.

The DWP's remit over investigations, together with the Council's role in providing relevant information to the DWP and HM Revenue and Customs, was noted. The rollout of Universal Credit in the town at the end of October was also noted and the work being undertaken by Officers in preparation for this.

RESOLVED that

the report be noted.

73. RE-APPOINTMENT OF LEAD RISK AND FRAUD MEMBERS ON THE COMMITTEE

The Committee were asked to consider the re-appointment of the Lead Risk and Fraud Members on the Committee for the year ahead.

Committee

Thursday, 21 September 2017

Members were first asked to consider whether they wished to re-appoint to the roles, which they agreed they did.

In light of the item listed later in the agenda under the Committee's Work Programme to review the Independent Member appointment in 2018, and as Mr Jones – the current Independent Member – was also the Committee's Lead Risk Member, Mr Jones was asked whether he anticipated wishing to remain on the Committee for a second term of office. Mr Jones responded that provided the Committee and the matters which it considered continued to move forward in a progressive manner, then he would be happy to continue. It was therefore agreed that Mr Jones be re-appointed as the Lead Risk Member on the Committee.

Regarding the Lead Fraud Member appointment, and in Councillor Thain's (the current post holder's) absence, it was agreed that Officers would ask Councillor Thain outside of the meeting whether he would be willing to continue in this role.

RESOLVED that

- 1) Mr Dave Jones continue as the Committee's Lead Risk Member for a further 12 months; and**
- 2) Councillor David Thain be asked if he was willing to continue as the Committee's Lead Fraud Member.**

74. SECTION 11 UPDATE

It was noted that this report should not have been included on the agenda on this occasion.

75. RISK MANAGEMENT STRATEGY

Members were asked to consider the draft Risk Management Strategy ('the Strategy').

Officers explained the background to the Strategy and accompanying Risk Management Handbook for Managers. If approved by the Committee the Strategy and supporting Handbook would ensure that there was a robust framework in place for the identification and management of risks, which would be fed through the Corporate Management Team to fourth tier managers.

Mr Jones, Lead Risk Member on the Committee, fully endorsed the Strategy, which he stated appeared to be very compliant focussed. He asked how management would ensure the aims of the Strategy

were being achieved. Officers responded that the Risk Management Group would monitor this and would look at risk registers within the Council. Officers added that Mr Jones was welcome to attend the Risk Management Group's quarterly meetings, which Mr Jones stated he wished to do.

Members requested a copy of the Handbook, which Officers agreed to provide.

RESOLVED that

the Risk Management Strategy be approved.

76. COMMITTEE ACTION LIST AND WORK PROGRAMME

Action List

Ref 1 – Statement of Accounts 2014/15: Inventories

Mr Jones provided an update on a meeting which he had had with the Stores Team regarding inventories.

He spoke on a number of key points and processes arising from the meeting which included: inventory levels (which had increased to £40k in the current year); purchases; controls; change management process; the high number of vehicles which were static and which not moved during his visit; and slow moving/obsolete stock.

Mr Jones queried whether, in light of the above, some sort of feasibility study should be undertaken into this area, to ensure that this was being operated in the best manner. It was queried whether this might be something for Overview and Scrutiny (O&S) to look at. Officers responded that they were conscious this was quite a specialist area and that this might not be appropriate for O&S. It was further noted that some elements also linked with Housing and Environmental Services. Members agreed that there were a large number of issues to be looked into and requested that the Head of Environmental Services be asked to prepare a briefing note for the Committee members on this, with a full report on the Stores position to follow at the next meeting of the Committee on 1st February 2017.

Action: Guy Revans to draft Briefing Note for Members and to take full Stores report to 1st February 2018 meeting.
