

**Redditch Borough Council**

**19<sup>th</sup> March 2018**

**Agenda item no. 6 – Questions on Notice**

**5. From Councillor Paul Swansborough to the Leader:**

Considering there are still serious concerns by the residents of Winyates ward over the impact of increased traffic and pollution being created by the proposed Redditch Eastern Gateway, would the council leader commit to carrying out air quality monitoring in the locality of the Winyates Green Triangle and commissioning an independent traffic assessment in partnership with Worcestershire County Council, Warwickshire County Council and Highways England?
