the proposed fees and charges for 2010/11, where for each Service area/Directorate they achieve an overall increase of at least 2% in income budgets and the fees and charges proposals have been agreed with the relevant Portfolio Holders, the proposed fees and charges for 2010/11, as listed in the appendices to the report, be approved; and

RECOMMENDED that

the charge for the service be increased by £1.96 per year for three years to reflect the actual cost of the service giving a charge for the next three years of:

Year 1 (2010/11) - £12.26

Year 2 (2011/12) - £14.22

Year 3 (2012/13) - £16.18

3. Financial, Legal, Policy and Risk Implications

Financial Implications

- 3.1 There is a proposed increase on all fees and charges of 2%. The charges are proposed to take effect from 1st January 2010 in line with the change in VAT rate, which is due to increase from 15% to 17.5%.
- 3.2 There is no increase proposed for Leisure Service fees and charges this year. Where fees are vatable they will be increased by the VAT increase only. All other Leisure Services fees and charges will remain unchanged. An increase of 2% would achieve additional income to the Authority of £20,000.

Policy Implications

- 3.3 Where the fees and charges are increased by the proposed 2% as approved in the budget guidelines, the Committee is asked to resolve the new fees and charges to be implemented from the 1st January 2010.
- 3.4 Where the fees and charges have not been increased by 2%, the Committee is asked to recommend.

Legal Implications

- 3.5 A number of statutes governing the provision of services covered by this report contain express powers or duties to charge for services. Where an express power to charge does not exist the Council has

the power under Section 111 of the Local Government Act 1972 to charge where the activity is incidental or conducive to or calculated to facilitate the Council's statutory function. The details of the powers to levy particular charges may be obtained from the author of this report.

Risk Implications

- 3.6 If the Council's fees and charges are not increased at least in line with inflation each year then the level of subsidy will increase which has a direct impact on the level of Council Tax or the Housing Revenue Account.
