### Policy Detail

1. Redditch Borough Council is committed to complying with the Gambling Act 2005, The Gambling Commissions Licence Conditions and Code of Practice (LCCP), the Lotteries Council Code of Conduct and the Committees of Advertising Practice (CAP) and the Code of Broadcast Advertising (BCAP).
2. Redditch Borough Council utilises the services of an External Lottery Management company (an "ELM"), ensuring that ensuring that the lottery is delivered on a financially sound basis as:
  - The financial structure of the lottery ensures that revenues are received prior to the running of any draw.
  - Each draw is self-funded in terms of the liabilities that then arise (prizes, good cause donations etc.).
  - No players' tickets will be included in the draw unless cleared funds have been secured.
  - The prize fund and good cause donations are calculated on a % basis of the revenue pot therefore ensuring sufficient funds will always be in place.
  - Jackpot prizes are funded through an underwritten insurance policy provided by a reputable underwriter established in the UK, again paid for as a % of each entry
3. All terms and conditions are available for participants on the various websites of the Redditch lottery, including the main [www.redditchlottery.co.uk](http://www.redditchlottery.co.uk) website.
  - As part of the sign up process for new participants new participants are asked to agree acceptance of the terms and conditions at the time of signing up. New accounts cannot be created unless the terms and conditions are accepted.
  - Participants will be advised of changes to the terms and conditions via pop ups on the website. In exceptional circumstances, all participants can be emailed a link to advise them of the new terms and conditions.
4. Our terms and conditions detail the complaints procedure should participants need to raise any issues or concern, both internally at Redditch Borough Council and externally though the use of an independent arbiter should resolution not be found.

5. No loyalty or reward schemes are being offered.
6. Section 257 of the Gambling act 2005 highlights that “A person acts as an external lottery manager for the purposes of this Act if he makes arrangements for a lottery on behalf of a society or authority of which he is not:
  - (a) A member,
  - (b) An officer, or
  - (c) An employee under a contract of employment.

As such our ELM ask its board and staff to declare any conflict of interest in any potential target clients, in addition to the specific requirement to comply with the law as stated above for existing clients.

7. Our ELM holds responsibility for ensuring that all technical solutions remain within scope of the law. These include:
  - Testing procedures for existing, upgraded and new software propositions.
  - Ensuring that all servers are located in the UK.
  - Software protocols and administrator access is limited to core personnel
  - All Contractors and Third Party suppliers are advised of our standards before they are allowed to deliver technical support. Access is limited to the scope of their work and monitored and logged accordingly.
