113. MINUTES

RESOLVED that

the minutes of the meeting of the Executive Committee held on Tuesday 11th February 2020 be approved as a true and correct record and signed by the Chair.

114. COUNCIL TAX RESOLUTIONS

The Executive Director of Finance and Resources presented the Council Tax Resolutions. Members were advised that following the Executive Committee meeting that had been held on 11th February 2020 all of the preceptors had provided information to the Council, including Feckenham Parish Council, Hereford and Worcester Fire Authority, Worcestershire County Council and the West Mercia Police and Crime Commissioner. The detail provided had informed the Council Tax Resolutions.

Members discussed the Council Tax Resolutions and noted that Council Tax was an important source of income for local government. However, Redditch Borough Council, though it was the collecting authority, would only retain a small portion of the funding from council Tax, the majority of which would be distributed amongst the other preceptors.

During consideration of this item concerns were raised about the funding available for local authorities and the challenges facing local government. Members noted that Council across the country were struggling financially and it was suggested that the Government needed to consider providing more funding to Councils moving forward.

RESOLVED to NOTE

that at a meeting held on 14th January 2020, the Executive Committee calculated the Council Tax Base 2020/21 as:

- a) **for the whole Council area as 26,276.50 [Item T in the formula in Section 31B of the Local Government Act 1992, as amended (the “Act”)]; and**
- b) **for dwellings in those parts of its area to which a Parish precept relates; this being Feckenham Parish as 367.50.**

and RECOMMENDED that Council APPROVE:

- 1) the calculation for the Council Tax requirement for the Council's own purposes for 2020/21 (excluding Parish precepts) as £6,415,355;
- 2) that the following amounts be calculated for the year 2020/21 in accordance with sections 31 to 36 of the Act:

 - b) £37,789,112 being the aggregate of the amounts which the Council estimates for the items set out in Section 31A (3) of the Act. (*i.e. Gross income*);
 - c) £6,425,355 being the amount by which the aggregate of 3 (a) above exceeds the aggregate at 3 (b) above, calculated by the Council, in accordance with Section 31A (4) of the Act, as its Council Tax requirement for the year. (Item R in the formula in Section 31B of the Act);
 - d) £244.53 being the amount at 3 (c) above (Item R), all divided by Item T (1(a) above), calculated by the Council, in accordance with Section 31B of the Act, as the basic amount of its Council Tax for the year (including Parish precepts);
 - e) £10,000 being the aggregate amount of all special items (Feckenham Parish precept) referred to in Section 34 (1) of the Act;
 - f) £244.15 being the amount at 3 (d) above less the result given by dividing the amount at 3 (e) above by Item T (1 (a) above), calculated by the Council, in accordance with Section 34 (2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no Parish precept relates;
 - g) £271.36 being the amount given by adding to the amount at 3(f), the amount of the special item relating to the Parish of Feckenham 3(e), divided by the amount in 1(b) above;

- h) the amounts below given by multiplying the amounts at 3(f) and 3(g) above by the number which, in the proportion set out in Section 5(1) of the Act, is applicable to dwellings listed in a particular valuation band, divided by the number which in that proportion is applicable to dwellings listed in Band D, calculated by the Council, in accordance with Section 36(1) of the Act, as the amounts to be taken into account for the year in respect of categories of dwelling listed in different valuation bands;

115. CONSTITUTION REVIEW

The Head of Service for Transformation, Organisational Development and Digital Strategy presented a report outlining proposed amendments to the Officer Scheme of Delegations. Members were asked to consider delegating authority to Officers in respect of the following:

- To determine the Council's IT policies.
- To determine equalities, engagement and performance policies.
- To determine service restructures.

In all cases the delegated authority would enable the Council to update policies and procedures at the Council more quickly than at present. The proposed delegations would also enable the Council to adapt in a fast changing environment, including with respect to modern technology. The changes had been reviewed at a recent meeting of the Constitutional Review Working Party (CRWP) and the proposals detailed in the report reflected the conclusions reached by the group.

Members discussed the proposed delegations and in doing so noted that this followed previous reviews of the Officer Scheme of Delegations in recent years. As had been the case at the CRWP meeting there was general consensus that the proposed delegation for Officers to determine IT policies should be supported, as this was an internal operational matter. However, concerns were raised about proposals to delegate authority to Officers to determine equalities and engagement policies. Members noted that the Council in the past had frequently adopted progressive policies in respect of these areas prior to legislation being passed that required such action and Members would potentially want to

continue to do so. In respect of service restructures concerns were raised that this could result in staff redundancies as well as impact on services provided to the local community.

RECOMMENDED that

- 1) **the proposed change to the Officer Scheme of Delegations for the Business Transformation and Organisational Development Department, in respect of delegating authority to Officers to determine all the Council's policies and strategies relating to Equalities, Engagement and Performance be approved;**

and RESOLVED that

- 2) **the proposed changes to the Officer Scheme of Delegations for the Business Transformation and Organisational Development Department, in respect of delegating authority to Officers to determine all the Council's IT policies be approved; and**
- 3) **the proposed changes to the Officer Scheme of Delegations for the Business Transformation and Organisational Development Department, in respect of delegating authority to Officers to determine restructures within agreed budgets be approved.**
