Vertical Climbing Net
 A challenging net to climb up to the top balcony. With multiple access points around the tower, use your imagination and work friends to the top and back down the tower again via different route!

Roof & Balconies
 Holds MORE than 30 Children!

 Tactile Panels & Lookout
Steel Slide

Upright Net Vertical Rope Climb

Tactile Play Panels
 Whatever your ability, this tower has it all. Including layered play for less able-bodied children or for wheelchair users who may struggle for high up activities. Play panels below help children take part too.

Curly Climber
 A challenging way up or down the tower. Use the solid ropes to climb up the outside of the net, reach lower and on the play of around you.

Rock Climb
 Access together has fun of the tower via the angled rock climber!
 One of the many access points situated around the tower.

Internal Rope Play

Layered Play

4.7m Tall!!!

Bubble Windows
 Climb up through the multi-decks inside and find the hidden bubble windows!
 A window out to the farmyard below!

Transparent Play

Rope Play
 Use your skills to balance, hang or swing. Ropes are located internally to create a chilled area for children to socialise with friends and watch the animals out in the farmyard. The ropes wobble back and forth as you make your way across!

Race Down
 Race down the huge slide with friends or solo... It's a race to the bottom, beware of the fish lurking below deck though!
