## **Introduction**

You have been selected to participate in the Government Procurement Card scheme (GPC). This scheme is designed to make it easier and more cost effective for employees to make low value purchases of goods and services for Council use. A low value purchase is not likely to exceed £250 and is likely to be substantially less. Using GPC you can purchase goods and services from suppliers who accept Mastercard.

We are implementing this new purchasing concept for lower value purchases because we feel it will help you to more quickly and easily obtain the goods and services you need to get your job done. It will reduce paperwork associated with the traditional purchase order process resulting in cost savings for the Council and a saving in time for you.

Your feedback will help us to fine-tune the scheme as we integrate it into our purchasing processes. If you have any comments or questions about the GPC scheme, please contact your Administrator who is:

### **What is a Purchasing card?**

GPC cards is an alternative method to the current buying process of paying for low value, high volume goods or services. By simplifying transaction processing it assists purchasing efficiency and will save RBC time and money. The current indicated savings from the Audit Office equate to £28 per transaction however this does not include the paper and other associated print/environmental savings when the need not to produce orders, delivery note and invoices is taken into account.

The Purchasing card looks like any normal debit/credit card, but is a procurement card, which means your total balance on your monthly statement must be settled in full.

It also means that the supplier is paid much more quickly (typically 3 to 5 days) rather than waiting for us to settle their invoice.

The card can be used at any establishment displaying the Mastercard symbol, in the UK. But we are looking for you to use suppliers who are capable of providing VAT reporting to level 3, this to facilitate further efficiency savings as the banks monthly returns of purchases made can be used to reclaim VAT from HMC&R. We are currently working with the Bank and the Suppliers we most commonly use to increase their VAT reporting capabilities to level 3. Embossed on the card is the following:

Redditch Borough Council  
Your Name  
Expiry Date  
Card Number

Your Purchasing card offers the opportunity to improve both the focus and flexibility of purchasing procedures whilst reducing the volume of purchase orders, invoices and associated paperwork for small value purchases, improving the cost effectiveness of processing these types of transactions.

Your card is to be used for business expenditure only.

## Controls

Each card has a maximum monthly expenditure limit and individual transaction limit.

### Monthly Expenditure limit

The total amount you can spend on your card each month.

### Transaction Limit

The total amount you can spend on any single purchase.

Both of these limits are inclusive of VAT and any carriage.

The limits were set on your card application form based upon your estimated spend pattern.

### Merchant Category Group code blocking

A further control has been applied to your Purchasing card.

Each supplier capable of accepting your GPC card will be classified by a certain Merchant Category Group code. By the way of an additional control, any number of these codes can be blocked or left unblocked to ensure compliance with business policies and to mirror each cardholder's buying profile.

Please make a note of these limits/controls.

**If you try to purchase goods and services that are outside of these limits, your transaction will be declined and could lead to embarrassment. If you can prove that your limits are unrealistic to your work or the purchases you have to regularly make using the card please discuss with your line manager prior to requesting any increase in same**

**As detailed above, if you try to use your card with a supplier whose Merchant Category Group code has been blocked on your Purchasing card, this will also lead to your card being declined.**

**If this occurs, please contact the Administrator immediately to discuss how your card can be updated to reflect your requirements.**

## **Queries on Goods**

### **Faulty or damaged goods supplied**

If the cardholder rejects the goods purchased as unsatisfactory he/she should inform the supplier immediately, and try to reach an agreement to return the goods and obtain a refund. The Royal Bank of Scotland is unable to become involved in any disputes between purchaser and supplier over the quality or suitability of goods purchased.

The supplier should arrange for a credit (refund) to be made to The Royal Bank of Scotland Purchasing Card Account which will then appear on a subsequent statement. To aid reconciliation, we suggest the cardholder retains a record of the credit at the time the goods are returned, rather than waiting for the statement to arrive.

Please note that refunds from abroad may vary from the original transaction amount due to exchange rates.

### **Goods not supplied/wrong goods supplied**

If an item is charged to the cardholder's account but the goods or services ordered have not been received or are incorrect, the cardholder should contact the supplier to confirm that the goods have been supplied or the correct goods are being despatched.

**A refund can be claimed from the supplier only after allowing 60 days from the transaction date for delivery of the correct goods.**
