

## Appendix 3

### Welcome to Redditch Borough Council's Voluntary & Community Sector Grant Funding Programme for 2022/23

#### Grants Awarded

##### Main Grant Pot

VCS groups can bid for funding from £500 up to £10,000 to help with their core costs or to support them to deliver great community projects and activities. This year the Council ringfenced £10,000 of this funding to create a separate 'Mental Health and Wellbeing' pot. VCS groups could bid for between £500 to £5k to help them deliver specific projects to support those Redditch residents who have suffered from mental health and wellbeing issues or increased mental health and wellbeing issues as a direct result of the Coronavirus pandemic. However, it has been agreed to only make one payment under the Mental Health and Wellbeing pot on this occasion and the remaining funds have been used to fund additional projects under the Main Grants pot.
