

Redditch Borough Council

14th November 2022

Motions on Notice

1. Bulk Waste Collection.

Proposed by Councillor Sid Khan, seconded by Councillor Sharon Harvey.

“Council is concerned about the cost-of-living crisis having a new impact on fly tipping, with the cost of bulky waste collection becoming a disincentive for many residents. Council calls upon the Head of Environmental Services to bring a report to the Executive, to consider the costs, consequences and benefits of a pre-booked, free household bulky waste collection service for those Redditch residents who are low paid, elderly, disabled or in receipt of benefits, which will enable Members to consider options and determine what action, if any, to take.”

2. Motor Neurone Disease Charter

Proposed by Councillor Joanna Kane and seconded by Councillor Juliet Barker Smith

"That this Council adopts the Motor Neurone Disease Charter in support of local people living with this terminal disease and their carers.

The aim of adopting the Charter is to promote awareness and understanding of Motor Neurone Disease among elected members and staff. This will help to provide people with MND, their carers and families with appropriate support or signpost them to relevant services."
