Car Parking / Arrival

Please approach the County Hall site from the Spetchley Road entrance. You will see rising road blockers on entry to the campus - please drive up close and wait for the green light before driving through (they lower automatically on entry). When exiting the site however you will need to insert a token to get the blocker to lower. Follow signs to the visitor car park - there is a rising arm on entry to the visitors car park which again lifts automatically on entry but needs a token on exit.

Please check in at reception and ask for 2 tokens so that you can exit the car parks later, and leave your vehicle details. You will then be directed to the room.
