Proposed topic title	Fly Tipping and Bulky Waste Task Group		
Link to local priorities including the strategic purposes	<p>Communities which are safe, well maintained and green.</p> <p>Reduce crime of Fly tipping and target the causes of anti-social behaviour across the Borough.</p>		
Background to the issue	Fly tipping is common across Redditch. It is believed that some residents cannot afford to have items collected due to costs.		
<p>Key Objectives</p> <p>Please keep to SMART objectives (Specific, Measurable, Achievable, Relevant and Timely)</p>	<p>To provide a free service to areas where fly tipping is prevalent reducing environmental health hazards that arise from illegal disposal. This can be linked directly to the green thread with an aim to recycle, reduce fly tipping and improve the environment. This can be measured by the amount of waste collected and the reduction of fly-tipping.</p> <p>This will encourage residents to recycle responsibly, not have a need to fly tip and improve the image of the town. Free collections should reduce pollution and help improve the built environment. A campaign to raise awareness and education through social media, targeted leaflet drops, ward councillors surgeries, PACT meetings.</p> <p>Reduce, Reuse and Recycle to keep much material out of landfill as possible.</p>		
How long do you think is needed to complete this exercise? (Where possible please estimate the number of weeks, months and meetings required)	This review will run for a period of 6 months with meetings taking place roughly every three weeks.
