1. RECOMMENDATIONS

The Committee is asked to **RESOLVE** that, subject to Members' comments, the report be noted.

2. BACKGROUND

- 2.1 The purpose of this report is to inform the committee of the Local Government Ombudsman's Annual Review Letter, which sets out the statistics for complaints made against the Council for the period ending 31st March 2023.
- 2.2 The aim of the Annual Review Letter is to provide councils with information which will help them assess their performance in handling complaints and to learn from them.
- 2.3 For the period ending on 31 March 2023, the LGO:
- Received: 15** complaints against the Council relating to:
- | | |
|----------------------------|---|
| Corporate & Other services | 2 |
| Planning & Development: | 5 |
| Housing | 6 |
| Benefit & Tax | 2 |
- Decided: 15**
- | | |

| Corporate & Other services | 2 |
| Planning & Development: | 5 |
| Housing | 6 |
| Benefit & Tax | 2 |

Of these 15 decided cases, there was a finding of fault in 1 case where the decision was upheld. A finding of service failure [termed 'fault'] which adversely affected the complainant [termed 'injustice'] was found here. The Ombudsman's Recommendation to remedy this was to provide a written apology for the delay in responding to the complainant and to review the complaints process to ensure that all complaints are properly recorded and responded to in a timely manner. No financial penalty was imposed.

The Ombudsman found that 8 did not warrant an investigation, 5 complaints were referred back to the council as "premature" that is, the council had not had the opportunity to conduct its own investigation, which is required before the Ombudsman will consider a complaint; 1 complainant was given advice and signposted towards complaints handling.

- 2.4 Ombudsman guidance provides that where findings of maladministration/ fault in regard to routine mistakes and service failures occurs and the authority has agreed to remedy the complaints by implementing the recommendations made following the investigation, the duty to report to members is satisfactorily discharged if the Monitoring Officer makes a periodic report to members summarising the findings on upheld complaints over a specific period. In a small authority this may be adequately addressed through an annual report.

The Ombudsman's Annual Review Letter is issued in mid-July, too late for inclusion in the July meeting of the Committee, where it was added to the work programme for a later meeting of the Committee.

- 2.5 Only where an investigation has wider implications for council policy or exposes a more significant finding of maladministration, perhaps because of the scale of fault or injustice, or the number of people affected, the LGO would expect the Monitoring Officer to consider whether the implications of that investigation should be individually reported to members.
- 2.6 The Council continues to have a strong focus on providing good customer service and includes having processes in place to respond to complaints from customers. A review of our complaints processes is currently underway but inevitably there will always be some cases where customers are not satisfied and refer matters to the Ombudsman. The Council cooperates fully with Ombudsman enquiries and investigations. There is a nominated link officer for the Ombudsman to manage their contact with the Council and prior to the pandemic, routinely attended conferences organised by the LGO.
