1. RECOMMENDATIONS

The Executive Committee **RESOLVE** that:-

- 1) The Built Facility Strategy at Appendix A and the Playing Pitch Strategy at Appendix B are endorsed.
- 2) Delegated authority be granted to the Head of Planning, Regeneration and Leisure following consultation with the Portfolio Holder for Leisure to implement the following recommendations:

Built Facility Strategy: 1, 3, 5, 8, 9,11,12,13,14,
Playing Pitch Strategy: 1.1, 2.1, 3.1, 3.2, 5.1, 6.1, 6.3, 7.1, 7.2, 8.1, 8.3, 8.5

2. BACKGROUND

- 2.1 Redditch Borough Council resolved that delegated authority be granted to the then Head of Leisure and Culture Services to produce a Leisure and Culture Strategy.

Executive Committee: 6th February 2024

- 2.2 Given the current context for the public sector, as well as the wider economy, budget constraints and increasing costs, it is becoming necessary for expenditure on leisure and culture services, to be objectively justified, developed, and delivered against a strategic framework. Consultants, Strategic Leisure and Community First Partnership, were appointed in February 2021 to produce a Leisure and Culture Strategy for Redditch Borough Council.
- 2.3 This Leisure and Culture Strategy ('the Strategy') for Redditch Borough that was adopted in the autumn of 2022 set out our future direction of travel for Leisure and Culture services (LCS) and identified the priorities for provision of these important, and highly valued community services. This Strategy is aligned to the Corporate Plan which recognises the contribution that leisure and culture can make to the achievement of our corporate and community priorities, and in particular community health and wellbeing.
- 2.4 The Strategy that was endorsed in the autumn of 2022 comprised the following supporting evidence:
- :
- Arts and Culture Strategy. – Analysis of existing provision, key issues, priority needs, followed by recommendations.
 - Parks and Open Spaces Strategy – Analysis of existing provision, key issues and priority needs, production of management plans for key sites followed by recommendations.
- 2.5 At the time of endorsement the Executive were informed that additional components of the Leisure and Culture Strategy known as the Built Facilities Strategy and Playing Pitch Strategy required more time to be completed and they would follow later in 2023.
- 2.6 The Built Facility Strategy and Playing Pitch Strategy for Redditch Borough Council will contribute to the overall vision as set out in the Leisure and Culture Strategy that was endorsed in late 2022. That Vision is as follows:

VISION: Healthier and happier communities actively engaged in leisure and culture.

AIM: To improve community health and wellbeing through inclusive access to parks, open spaces, sport, physical activity, arts, heritage, culture and everyday creativity. This way we will inspire our communities to lead longer, happier, healthier and more successful lives.

Executive Committee: 6th February 2024

- 2.7 The Playing Pitch Strategy is an assessment of the quality and quantity of existing playing pitch provision in the Redditch Borough. It goes on to provide an analysis of how accessible it is and the evidence required to confirm both current and future demand for playing pitches between now and 2040.
- 2.8 The Built Facility Strategy is an assessment of the quality and quantity of existing built facility provision in the context of Leisure in the Redditch Borough. It goes on to provide an analysis of how accessible it is and the evidence required to confirm both current and future demand for built facilities between now and 2040.
- 2.9 The Playing Pitch Strategy was produced with the support of external consultants and a team of National Governing Bodies (NGBs) for relevant outdoor sports (eg Football, Rugby, Cricket, Hockey) to oversee the work. Sport England act as supervisor and sign off the work upon completion.
- 2.10 The Built Facility Strategy was produced with the support of external consultants and through consultation with a range of local, regional and national stakeholders (inc local clubs, schools and societies). Sport England are required to sign off the work upon completion.
- 2.11 Both the Playing Pitch Strategy and Built Facility Strategy for Redditch Borough Council will give confidence to the decision making of our Planning Authority as a result of the process sitting within the context of the Government's National Planning Policy Framework. Both strategies are designed to help protect the spaces where people get active because local planning authorities are required by law to consult Sport England on planning applications that affect leisure built facilities and outdoor playing pitches. These documents help them to assess and respond to these applications accurately.
- 2.12 It is recommended that members pay particular attention to the content and recommendations found in the Executive Summaries for the Playing Pitch and Built Facility Strategies that can be found at Appendices C and D.
- 2.13 Further considerable detail in relation to process, evidence collected and other relevant data can be found in the full strategy documents at Appendices A and B
- 2.14 Both this Built Facility Strategy and Playing Pitch Strategy contain a number of recommendations that fall into one of two categories: 1) those recommendations which can be implemented through the use of

Executive Committee: 6th February 2024

existing Council budgets, 2) those recommendations that could only be implemented if extra resources are to be identified from either an external source or Council funds.

- 2.15 In the case of those Recommendations that fall under category 1 officers will proceed to implement that work further to Executive endorsing the strategies. These recommendations are listed in Recommendation Two in this report.
- 2.16 In the case of those Recommendations that fall under category 2 the Head of Planning Regeneration and Leisure will return to Council with a budget bid as and when deemed necessary and appropriate.

3. FINANCIAL IMPLICATIONS

- 3.1 There are no immediate financial implications as a consequence of the prospective endorsement of Built Facility Strategy Recommendations 1, 3, 5, 8, 9,11,12,13,14 and Playing Pitch Strategy Recommendations 1.1, 2.1, 3.1, 3.2, 5.1, 6.1, 6.3, 7.1, 7.2, 8.1, 8.3 and 8.5
- 3.2 In the event that external funds are made available to take forward the remaining recommendations made in either of the strategies then Leisure Service officers will bring this to the attention of the relevant Portfolio Holder and further capital or revenue bids will be made at the appropriate time if required.

4. LEGAL IMPLICATIONS

- 4.1 The provision of leisure and culture services by local authorities is a non-statutory service which Councils, including Redditch Borough Council, provide and incur expenditure on, under discretionary powers.
- 4.2 However, both the Playing Pitch Strategy and Built Facility Strategy for Redditch Borough Council will give confidence to the decision making of our Planning Authority as a result of the process sitting within the context of the Government's National Planning Policy Framework. Both strategies are designed to help protect the spaces where people get active because local planning authorities are required by law to consult Sport England on planning applications that affect leisure built facilities and outdoor playing pitches. These documents help them to assess and respond to these applications accurately.

Executive Committee: 6th February 2024

- 4.3 Due regard to the implications of the Public Sector Equality Duty and the Equalities Act (2010) is described within Equalities and Diversity Implications below at 7.

5. STRATEGIC PURPOSES - IMPLICATIONS

Relevant Strategic Purpose

- 5.1 The most relevant strategic purposes are:
- Living independent, active & healthy lives.
 - Communities which are safe well-maintained & green.
- 5.2 The strategy describes how accessible and high quality indoor and outdoor LCS facilities and opportunities can have a positive impact upon peoples' lives. Access to Leisure and Culture helps people to live independent, active, and healthy lives, and contribute to providing communities which are safe, well maintained, and green. When communities engage well with LCS aspiration increases and people are more likely to volunteer, be successful at work and be financially independent.

Climate Change Implications

- 6.1 The implementation of these strategies can make a positive change in terms of climate change objectives. These include promoting healthier lifestyles, and lower carbon footprints, encouraging outdoor activity and fostering a connection with nature.

7. OTHER IMPLICATIONS

Equalities and Diversity Implications

- 7.1 Inherent in this Leisure and Culture Strategy is the significant opportunity for Redditch Borough Council to bring forwards a positive difference to the quality of life for residents from the broadest range of backgrounds.
- 7.2 The identification of community needs (including the broad range of demographic representation to be found in a Borough like Redditch) is of paramount importance to the effective delivery of any quality Leisure and Culture Strategy. Subsequently recommendations made as part of this strategy work have made clear the requirement for

Executive Committee: 6th February 2024

service users to be engaged on an ongoing basis.

- 7.3 The Equalities Act of 2010 sets out clearly the requirement for public authorities to comply with the public sector equality duty. In summary this provides a need to “remove or reduce disadvantages suffered by people because of protected characteristics”.
- 7.4 Due process in relation to equality impact assessment will be delivered throughout the term of the strategy

8. Operational Implications

- 8.1 None at this stage.

9. RISK MANAGEMENT

- 9.1 Failure to deliver the opportunities for better quality of life described in the Leisure and Culture Strategy
