M Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)

The Licence holder and DPS will control any potential, negative impact to local residents by operating the premises in a considered and well managed way.
All reasonable steps will be taken to minimise the impact of licensable activities and any potential anti-social behavior on the immediate surroundings of the premises.
Consideration will be given to staff training so that they are aware of the premises licence and the license requirements to meet the four licensing objectives.

b) The prevention of crime and disorder

Serving staff will be given guidance on how to refuse alcohol sales to any persons who appears drunk.
Serving staff will be given guidance on how to identify and deal with proxy sales of alcohol to persons who appear to be under the age of 18
CCTV to be installed as follows:
CCTV cameras are located within the premises to cover public areas including entrances and exits.
The system records clear images permitting the identification of individuals.
The CCTV system is able to capture a minimum of 8 frames per second and all recorded footage must be securely retained for a minimum of 31 days.
The CCTV system to operate at all times while the premises are open for licensable activities. All equipment will have a constant and accurate time and date generation.
The CCTV system is fitted with security functions to prevent recordings being tampered with i.e. password protected.
Members of trained staff will be available at the premises during operating hours and able to provide viewable copies on request to police or authorised local authority officers as soon as is reasonably practicable.

c) Public safety

The maximum number of people permitted on the premises is calculated and detailed within the fire risk assessment - and that number will not be exceeded during the hours of any licensed activity.
All parts of the premises and all fittings and apparatus therein, lighting, heating, air-conditioning and other installations such as the fire alarm system will be maintained in good

order and in a safe condition.

d) The prevention of public nuisance

Public notices will be placed at the entrance/exit and in all outside areas to remind customers of the need to respect neighbors and leave the premises quietly

Outside areas to be cleared of customers by 9.00pm, except for smoking

We have had several TENs Licenses in place over the last few months with late licenses passed and no official complaints have been received. We as a team have worked hard to control the noise levels when leaving the premises and regularly speak with customers to respect our neighbors

e) The protection of children from harm

The specified age, for the age verification policy (as required by mandatory conditions), will be 25 years.

A refusals record will be kept at the premises, which details all refusals to sell alcohol. This record will include the date and time of the incident, a description of the customer, the name of the staff member who refused the sale, and the reason the sale was refused. All entries will be made within 24 hours of the refusal. The record will be made available for inspection and copying within a reasonable time of a request by an officer of a Responsible Authority.

To add our bar upstairs from 6pm onwards is strictly over 18s only, this is managed by staff and regular staff training for challenge 25 takes place.
