It was clarified that this should be referred to as 'Redditch Council Plan' and the lead officer should be the Chief Executive. The Committee Officer undertook to correct this.

## **77. OVERVIEW AND SCRUTINY WORK PROGRAMME**

The Overview and Scrutiny Work Programme was submitted for Members' consideration. Members discussed the items that were marked as 'to be confirmed' on the work programme. It was explained that in respect of the item on 'Decarbonisation of the Council's Capital Programme' there would be a written update circulated to Members, and in respect of 'Report on WMCA Constituent Membership Process', the report would no longer be applicable to Redditch due to significant changes in national policy as a result of the Government's devolution 'white paper'.

In respect of the item on 'Parking Enforcement – Management of Contract', Members expressed significant concerns with respect to parking enforcement in Redditch. It was commented by Members that the current enforcement provided was felt to be ineffective. It was noted that Worcestershire County Council (WCC) currently had no plans to allocate additional income into parking enforcement. During discussion, it was suggested that Overview and Scrutiny set up a task group investigation to look at this topic.

Stakeholders that could be invited to meetings of such task group into parking enforcement were suggested. The Committee Officer stated that a task group into this matter could be launched once one

Councillor Kane provided a written report summarising the matters discussed at the meeting of 20 January 2025. Councillor Kane reported that during the meeting it was felt that devolution proposed in the white paper would provide the WMCA Overview and Scrutiny, and oversight committees more generally, with more power in the future, however, the WMCA Overview and Scrutiny wanted more detail on how this would be taken forward. It was added that English Devolution White Paper would be a standing item at meetings of this external body.

It was reported that no matters of direct relevance to Redditch were discussed at the last meeting.

- b) West Midlands Combined Authority (WMCA) Transport Delivery Overview and Scrutiny – Council representative, Councillor Munro

Councillor Munro reported that no matters of relevance to Redditch were discussed at the last meeting of Transport Delivery Overview and Scrutiny.

- c) Worcestershire Health Overview and Scrutiny Committee (HOSC) – Council representative, Councillor Munro

Councillor Munro reported that the last meeting took place on 8<sup>th</sup> January where access to dental services in the county was the main topic on the agenda. In respect of delivering dental services, there were two main challenges in Worcestershire: the national NHS contract for dentistry and shortage of dentists.

Councillor Munro reported that the national dental contracting framework set by the NHS had not been reviewed since 2006 and most dentists now regarded basic fees in that framework as inadequate to cover their costs. Across Worcestershire, it was reported that over 40,000 dental units were voluntarily handed back to Herefordshire and Worcestershire Integrated Care Board (ICB) as dentists were unable to cope with the financial costs of providing NHS dentistry, with by far the most contracts handed back in Evesham. It was reported that at the time of the report there were no reported contract handbags in Redditch but that situation could have changed by now.

Councillor Munro reported in terms of data that Redditch had a fairly high incidence of dental decay in under five-year-olds. Under the NHS dental recovery plan, Redditch was one of the priority areas,

and premium rate was paid to dentists for each unit of dental activity in Redditch. It was further reported that £5m was being reinvested in dental services across Worcestershire and Herefordshire as part of the recovery plan.

**the External Scrutiny Bodies be noted.**
