utilisation of the Grants for 2026/27, 2027/28 and 2028/29 in support of existing or new schemes.

2. BACKGROUND

- 2.1 From 2026/27, the government is consolidating several existing grants into a single Homelessness and Rough Sleeping Grant. This new grant will encompass funding for prevention and relief activities currently supported through the Homelessness Prevention Grant, as well as the Rough Sleeping Prevention and Recovery Grant. The Grant will be awarded for a three year period.
- 2.2 Officers propose that the grants awarded under this funding are also for a three-year period with any uplift of grant allocation agreed by members in advance of the award period. Grant funding will be subject to satisfactory performance of the services with targets set for continual improvement.
- 2.3 The Government has made changes to the provision of Homelessness Prevention Grant in relation to its' use towards Temporary accommodation. It is proposed that a proportion of Homelessness Prevention Grant will be transferred to the Revenue Support Grant from 2026–27.
- 2.4 This funding will be allocated using the new Settlement Funding Assessment (SFA), which will include a dedicated Temporary Accommodation formula. The purpose of ringfencing the Homelessness Prevention Grant fund is to give the Council control and flexibility in managing homelessness pressures and supporting those who are at risk of homelessness. The Government expects local authorities to use it to deliver the following priorities:
- To fully enforce the Homelessness Reduction Act and contribute to ending rough sleeping by increasing activity to prevent single homelessness.
 - Reduce family temporary accommodation numbers through maximising family homelessness prevention.
 - Eliminate the use of unsuitable bed and breakfast accommodation for families for longer than the statutory six-week limit.
 - The Government requires that at least 49% of the grant is spent on prevention and relief activities and staffing.
- 2.5 The Council received a number of applications for this funding and the above criteria has been used to support the award of this grant for the next three years.

EXECUTIVE

13th January 2026

- 2.6 Domestic Abuse New Burdens Grant funding has been allocated to ensure that councils can comply with the requirements to provide safe and supported accommodation for those fleeing domestic abuse and provide monitoring of services to central government via Worcestershire County Council who are responsible for the overall duties set out in the Domestic Abuse Act 2021. The grant will continue to contribute to the specialist County co-ordinator post and a specialist County Research and Intelligence Officer post and will also be used to support existing services that meet the needs of this cohort.

3. OPERATIONAL ISSUES

- 3.1 The management and administration of grants forms a significant part of the Homelessness and Housing Solutions and Strategic Housing day to day operations.

4. FINANCIAL IMPLICATIONS

- 4.1 The Council is expecting

	Homelessness Prevention Grant	Domestic Abuse Grant	Total
2026/27	700,638	35,697	736,335
2027/28	744,361	35,697	780,058
2028/29	772,087	35,697	807,784

- 4.2 Costs currently met through Homelessness Prevention Grant for Temporary Accommodation will need to be met through Revenue Support Grant from April 2026 currently:

• Temporary Accommodation Management	£ 66,380
• Emergency Crash Pad for 16/17 yr olds	£ 37,554
Total	£ 103,934

The Crash pads rents are paid for in advance and when occupied the Council receives housing benefit income towards these costs.

- 4.3 The Homelessness Prevention Grant and Rough Sleeping Grant will be ring fenced by MHCLG for activities that prevent and deal with homelessness based on this year's award. However, this is unlikely to be confirmed until late in December 2025 or early January 2026 and may be higher or lower than the anticipated amounts set out below.
- 4.4 Proposed Allocation of Homelessness Prevention Grant.

- 4.5 There are a number of initiatives that could be supported utilising the underspend of Homelessness Prevention Grant including increasing support available for those who are vulnerable or have complex needs and for 2026/27 this will be agreed under delegated authority during the year. For the 2027/28 and 2028/29 years a report will be brought to members to confirm the spend for the following year.
- 4.6 These are voluntary organisations and without this funding the support provided would cease which will lead to an increase in homelessness pressures and have a negative impact on council finances and reputation.
- 4.7 The Citizens Advice Bureau (CAB) have submitted a bid for a new service for £27,611 for targeted Debt Intervention for home owners who are facing repossession with an aim to intervene and provide advice to prevent homelessness.

5. LEGAL IMPLICATIONS

EXECUTIVE

13th January 2026

- 5.1 The Council has statutory duty under the Housing Act 1996 (as amended) to assist those who are threatened with homelessness or experiencing actual homelessness and has placed additional duties on the Council regarding preventing and relieving homelessness.
- 5.2 The Homelessness Prevention Grant has been ring fenced to homelessness prevention and tackling homelessness by the MHCLG.
- 5.3 The Domestic Abuse New Burdens Grant has been provided to ensure that councils comply with the requirements of the Domestic Abuse Act 2021.

6. OTHER- IMPLICATIONS

Local Government Reorganisation

- 6.1 The new unitary authority/authorities will be required as (a) local housing authority(ies) to provide duties under Homelessness legislation. The three-year funding allocation to organisations would be subject to any implications arising from Local Government Reorganisation.

Relevant Council Priority

- 6.2 Community and Housing - Homelessness Prevention Grant and Domestic Abuse Grant allows the Council to support a range of holistic services to help prevent or tackle homelessness and rough sleeping in the Borough. The combination of practical support such as furniture compliments those services that provide outreach support to help clients access accommodation, sustain tenancies, manage budgets, engage in positive activities and access employment.

Climate Change Implications

- 6.3 The recycling of furniture supports the Council's green thread as it minimises waste and provides reuse and recycling of household items wherever possible.

Equalities and Diversity Implications

- 6.4 The Homelessness Grant and Homelessness Prevention Grant and Domestic Abuse Grant will benefit customers by offering households more options to prevent their homelessness, support them to remain in their own homes or help the Council to manage and support households in Temporary Accommodation.

EXECUTIVE

13th January 2026

- 6.5 The grant will also benefit the larger community as opportunities to prevent homelessness will be maximised.
- 6.6 Domestic Abuse New Burdens Grant will ensure that there are resources to support the provision of a range of services available to meet the needs of those victims/survivors of domestic abuse who become homeless and need support to set up a new home and recover from their experience. The majority of those experiencing homelessness as a result of domestic abuse are women.

7. RISK MANAGEMENT

- 7.1 If the recommended schemes are not approved there is a risk that more households who are threatened with homelessness, or who are in housing need, will have limited alternative options. There is also therefore the risk that they may have to make a homeless approach and this could consequently lead to the following negative outcomes:
- Increased B&B costs with 80% having to be picked up by the local authority.
 - Increased rough sleeping in the Borough
 - Impacts on physical and mental health, educational achievement, ability to work and similar through increased homelessness
- 7.2 All recipients of grant funding will enter into a grant agreement and have regular monitoring with officers on the delivery of the service and a monitoring report will be taken to the Executive Committee annually.
