Redditch Environmental Crime Enforcement Policy

Relevant Portfolio Holder		Councillor Sharon Harvey
Portfolio Holder Consulted		Yes
Relevant Assistant Director		Simon Wilkes, Director Worcestershire Regulatory Services
Report Author Toni Ainscough	Job Title: Principal Officer Contact email:toni.ainscough@worcestershire.gov.uk Contact Tel: 01562 738035	
Wards Affected		All
Ward Councillor(s) consulted		N/A
Relevant Council Priority		Green, Clean and Safe
Non-Key Decision		
If you have any questions about this report, please contact the report author in advance of the meeting.		

1. RECOMMENDATIONS

The Executive Committee is asked to RESOLVE that:-

- 1.1 The Redditch and Bromsgrove Enforcement Policy be adopted and replace the current Joint Environmental Enforcement .**

2. BACKGROUND

- 2.1** Currently WRS's enforcement activities are being undertaken using the Joint Environmental Enforcement Strategy as in appendix 2.
- 2.2** The revised document in appendix 1 will only seek to cover activities that are enforced by Worcestershire Regulatory Services (WRS).

For the avoidance of doubt this **includes**:

- Fly tipping
- Littering
- Failure to dispose of waste appropriately
- Dog fouling

This revised enforcement policy **will not include**:

- Abandoned and nuisance vehicles and
- the enforcement of graffiti and fly posting

Executive Committee
2026

17th March

- 2.2 Officers are seeking to implement an enforcement document that reflects the current working strategies of enforcement practices and tools available to WRS.

3. OPERATIONAL ISSUES

- 3.1 Officers at WRS are required when undertaking enforcement activities to have due regard to the current enforcement strategy. This document (appendix 2) does not include the enforcement options available to them.
- 3.2 An updated and current enforcement policy is required to enable Officers to make use of intelligence and use all suitable tools.

4. FINANCIAL IMPLICATIONS

- 4.1 There are no financial implications. The proposed enforcement policy will align with WRS's approach to enforcement which covers the issuing of Fixed Penalty Notices as an enforcement tool. This is used in lower-level offending to discharge the liability of the offence. Fines generate an income which is put back into the service

5. LEGAL IMPLICATIONS

- 5.1 As set out at paragraph 1.2 of the new policy (Appendix 2), legislation provides for local authorities to be able to take enforcement action in relation to enviro crime incidents such as littering and fly tipping which are harmful to the environment. Action can be in the form of issuing civil penalty notices, use of community protection notices or bringing formal prosecutions through the courts. The main pieces of legislation under which these powers can be exercised are the Environmental Protection Act 1990, the Anti-Social Behaviour, Crime and Policing Act 2014 (sections 43-58), the Clean Neighbourhoods and Environment Act 2005 and the Control of Pollution (Amendment) Act 1989.
- 5.2 Alongside the legislative powers listed above, in order for successful enforcement action to be taken, it is necessary for the Council to have an up to date enforcement policy to set out the framework of rules it will adhere to when it investigates breaches of the legislation.

6. OTHER - IMPLICATIONS

Local Government Reorganisation

- 6.1 The implementation of this enforcement policy will strengthen the enforcement process now and in the future.

Relevant Council Priority

- 6.2 The proposal detailed within this report directly compliments the Redditch's Council Plan. The new strategy will assist the Council with addressing litter and dog mess and the impact of fly tipping and antisocial behaviour as part of the key objectives of the priority 'Green, Clean and Safe Redditch'.

Climate Change Implications

- 6.3 This updated enforcement policy creates no material change to climate change implications but may offer minor environmental co-benefits to the borough.

Equalities and Diversity Implications

- 6.4 The proposed enforcement policy will apply to all scenarios. However, due consideration will be given to public interest tests throughout the investigations that are undertaken.
- 6.5 The proposed policy will have a positive equality implication through the protection of public health and safety, which will support vulnerable members of the community who may be at greater risk from health implications due to dog fouling or improper disposal of waste.
- 6.6 The policy also explicitly recognises the importance of fair, independent and objective decisions that do not treat people differently because of any protected characteristic.
- 6.7 Accessible communication and guidance is a key part of this policy, ensuring that everyone can access information and support.
- 6.8 A wider Equality Impact Assessment is being undertaken with assistance from the Policy Team at Bromsgrove District Council to support how this policy can be implemented.

7. RISK MANAGEMENT

- 7.1 There is a risk that the Council, if the policy is not adopted, will be failing to make use of the most efficient tools to enable Environmental Enforcement and this could undermine the efficacy of the service.
