Community Mental Health Services – Presentation from NHS Trust

Overview and Scrutiny Committee

11th November 2026

Overview and Scrutiny Committee have requested that a presentation be provided on community mental health services, which would cover the following topics:

- Address concerns regarding the Adult Mental Health Rehabilitation Services Redesign in Worcestershire and the impact on adult mental health rehabilitation services across Herefordshire and Worcestershire, and locally within Redditch Borough.
- Impact of the Adult Mental Health Rehabilitation Redesign on delivery of community mental health services in Redditch.
- What provisions have been made to enable Redditch residents to access appropriate crisis mental health support and rehabilitation services.
- Information about mental health support pathways available within Redditch.

Officers from Herefordshire and Worcestershire Health and Care NHS Trust will attend the Overview and Scrutiny Committee meeting on 11th November 2026 to discuss the topics outlined above with Members.

Officers would like to bring to Members' attention background information on the topic of Adult Mental Health Rehabilitation Redesign in Worcestershire. An update on this topic was provided to **Worcestershire County Council's Health Overview and Scrutiny Committee (HOSC) on Tuesday 21 July 2026 (Minute No. 1303 - Adult Mental Health Rehabilitation Redesign – Update).**
