**19. WORK EXPERIENCE OPPORTUNITIES TASK AND FINISH REVIEW - FINAL REPORT**

Councillors Peter Anderson and Mark Shurmer presented the report on Work Experience Opportunities on behalf of the Task and Finish Group.

The Committee's attention was drawn to the provision of work experience in Redditch as it existed at the present time. The majority of students only received one week of work experience whilst at High School and the constraints on schools and their staff worked against this provision increasing. The benefits to both students and potential employers of effective work experience provision was outlined and a number of measures suggested such as ensuring more and higher quality placements, greater flexibility over the timing of the placement and greater involvement of parents where appropriate.

The proposal to increase the school leaving age incrementally to age 18 by 2015 was seen as a retrograde step as many of the students who would be impacted had little interest in academic pursuits but would benefit tremendously from practical experience in the workplace.

The benefits of work experience were extolled, exposing, as it did, students to the workplace environment and allowing them to make better choices as to their future career paths. The work of the Worcestershire Education Business Partnership was praised and the hope expressed that they could continue to deliver their unique service following the removal of County Council funding.

Members of the Committee agreed in principle with most of the recommendations of the Group, subject to some amendment. It was acknowledged, however, that the County Council was making adequate arrangements for the rise in the school leaving age in the years up to 2015. It was also acknowledged that the Council could continue to promote work experience by setting a good example and by encouraging the Council's partners to do likewise. It was proposed that the Council could encourage the provision of work experience opportunities through the North Worcestershire Economic Development Unit and the Local Strategic Partnership.

**RESOLVED that**

- 1) **the current work experience scheme, which provides work experience opportunities for 14 and 15 year olds at Key Stage 4 at school, should be continued locally;**
- 2) **the work of the Worcestershire Education Business Partnership be supported;**
- 3) **those local employers that already participate in providing work experience opportunities be thanked for their efforts and others be encouraged to deliver presentations to local students for their own benefit as well as the students, and to strengthen the existing links between schools and local industries, with Officers pursuing these aims through the North Worcestershire Economic Development Unit and the Local Strategic Partnership; and**
- 4) **there should be a clearly identifiable point of contact at Redditch Borough Council for schools to arrange work experience placements at the Council.**

**20. QUARTERLY PERFORMANCE MONITORING - QUARTER 4 - JANUARY TO MARCH 2011**

Members considered the latest quarterly report for the authority detailing performance up to the end of March 2011.

It was reported that there were only a few areas of significant concern which were discussed at paragraph 3.8 of the report. In response to the increase in the number of working days lost due to sickness absence a Corporate Sickness Working Group had been established. The drop in recovery rates for housing benefits overpayments appeared to Officers to reflect the imposition of an unrealistic target at the start of the year whereas the increase in the numbers of violent offences was to be seen in the context of low absolute figures.

The Committee sought clarification on a number of specific indicators. In respect of swimming usage, the numbers of visits to leisure centres and the apparent anomalies that these corresponding figures threw up, Officers undertook to provide Members with additional information following the meeting.

**RESOLVED that**

**the update on key performance indicators for the period ending 31st March 2011 be noted.**

**21. QUARTERLY MONITORING OF THE BENEFITS SERVICE IMPROVEMENT PLAN - QUARTER 4 - JANUARY TO MARCH 2011**

Officers updated the Committee on the performance of the Benefits Service and the progress against the Benefits Service Improvement Plan.

The Committee was informed that the Service was continuing to improve its performance, as demonstrated by the progressive decrease in the average time taken to process new claims and change events for Housing Benefit and/or Council Tax Benefit claims. The investment by the Council in this Service over the period of the Improvement Plan was noted in this regard.

It was noted that data for the average time taken to process claims for neighbouring authorities included separate average figures for the three authorities in South Worcestershire who participated in a shared service. Officers undertook to contact their counterparts in these authorities and provide Members with an explanation following the meeting.

**RESOLVED that**

**the report be noted.**

**22. QUARTERLY MONITORING OF COMPLAINTS AND COMPLIMENTS - QUARTER 4 - JANUARY TO MARCH 2011**

The Committee received the report on complaints and compliments for the final quarter of 2010/11, the last occasion the information would be provided using the recently superseded recording process.

Performance over the course of the year had demonstrated an improvement in response times to complaints, notwithstanding a dip in performance in the final quarter. This was largely attributed to the nature and complexity of a number of recent complaints. Officers informed the Committee that the new recording process would hopefully lead to an increase in the numbers of complaints being reported as they were an invaluable tool in driving forward improvement across the range of Council services. Likewise, the low numbers of compliments recorded was attributed to the difficulty in capturing this data.

The telephone answering times for the Council's contact centre were an area that had been the subject of much interest over a significant period of time and Officers reported that staffing levels were profiled to take account of anticipated periods of high activity.

**RESOLVED that**

**the update on complaints and compliments for the period January - March 2011 be noted.**
