

70. SHARED SERVICES BUSINESS CASE – LAND DRAINAGE SERVICE

RECOMMENDED that

- 1) the shared Land Drainage Service proposals detailed in the Business Case at Option 3 be approved, in accordance with the previously agreed Project Initiation Document dated 22nd June 2011;**
- 2) the three Councils agree this new service be known as the “North Worcestershire Land Drainage Service”; and**
- 3) all initial set up costs be met from within existing budgets.**
