

## Key Aspects of Energy Management

<b>Procurement Support</b>	<b>Supplier Management</b>	<b>Usage Monitoring/ Reduction</b>	<b>Compliance</b>
Strategy advice and implementation	query Management	Metering Strategy & implementation	implementation of Standards
Straggler Management (connections and disconnections)	Reporting and Review	Data Validation	other
	Benchmarking	Project Support	
		Bespoke Usage Reporting	

<b>Current Spend</b>	<b>£</b>
Gas	303320
Electricity	<u>355950</u>
	659270

bid is less than 1% of spend

Electricity predicted to be going up 5% year on year

Monitor our investments

look at large sites such as

Town Hall  
Crem  
Palace Theatre  
Crossgates  
Abbey Stadium

housing sites with Solar panels on them

Monitor Savings - look for improvements  
Done a lot of work don't let it decline
