32. CONSOLIDATED REVENUE OUTTURN - FINANCIAL YEAR 2011/12

The Committee received a report on the Council's overall revenue outturn for the 2011/12 financial year, which showed the actual income and expenditure for the year compared to the budget for General Fund Services and the Housing Revenue Account.

Officers reported that the net effect of the 2011/12 financial position had required an increase in the requirement from balances of £101k to fund the overspend to budget.

Members were informed that the reasons for the net overspend (additional requirement from balances) included:

- a) increase in superannuation costs payable from previous year restructures;
- b) shortfall in income of £231k that had been expected to be received in relation to prior year VAT refunds. Officers continue to monitor this refund with the aim to receive it in 2012/13; and
- c) financing costs had increased by £73K. This was due to an increase in the cost of borrowing short term funds.

Officers reported that the impact on the General Fund Revenue balances as a result of the increase in requirement for 2011/12 were as follows:

| General Fund Balance | | |
|--|-------|-------|
| | £'000 | £'000 |
| Balance as at 1 st April 2011 | 1,565 | |
| Contribution from balances | (491) | |
| Balance as at 31 st March 2012 | | 1,074 |
| Proposed use of balances 2012/13 | (192) | |
| Estimated Balances 31 st March 2013 | | 882 |

Recommended level of balance of £750K.

Members noted the extra income that had been generated by targeted marketing at the Palace Theatre.

- C2000 Home Repairs Grant (Over 60's)
- C2001 Disabled Facilities Grant

36. PAY AND DISPLAY CAR PARKS

Officers reported that the Council currently charges for weekend parking at the Town Hall and Trescott Road via Pay and Display Machines. The enforcement of the parking charges is carried out, on behalf of the Council, by Wychavon District Council.

Members were informed that the actual income from the two sites had not, and was unlikely to; meet the income targets that were suggested initially by external consultants who had been engaged to advise on the provision and charging for car park facilities.

Officers reported that Wychavon District Council had intimated that they would be interested in purchasing two of the Pay and Display machines.
